Bridge Course for newly admitted students is conducted every year before the commencement of the first semester classes. This provides an overview of and a basic introduction to the main subjects prescribed in the UG programme.

Objectives:

- To offer necessary inputs to help students in the transition phase before the beginning of first semester classes .
- To overcome any barrier when students take up college-level courses.
- To provide a cushion period for the beginners.

Report

The students admitted for the year 2020 in the social work department were oriented with the departmental activities. The session was conducted for 3 days guiding the students through the skills of professional social workers, career opportunities, higher studies and issues regarding social problems. The students had an ice breaking session. This bridge course gave an overall idea about the subject.

Outcome of the Course

- It helped the students to prepare themselves before the beginning of the semester.
- This helped the students to overcome the barrier when they would face college-level courses.
- It helped the students to gain new ideas and knowledge about the subjects.
