

1.1.1. The Institution ensures effective curriculum delivery through a well planned and documented process

VALUE EDUCATION

Patrician College of Arts and Science

Department of BCA(Shift I)

Value Education Report

Topic: Peace and Forgiveness

Class: III BCA(A) **Date:** 1st April 2022 **Time:** 12.30 P.M

Name of the Faculty : Dr B Anandapriya

Objectives - Value Education

- To develop good moral values in the children.
- To develop thinking in a better aspect and a democratic way of living.
- To develop good citizenship and standard of living and behavior of children.
- To develop tolerance and make a kind person to the children.

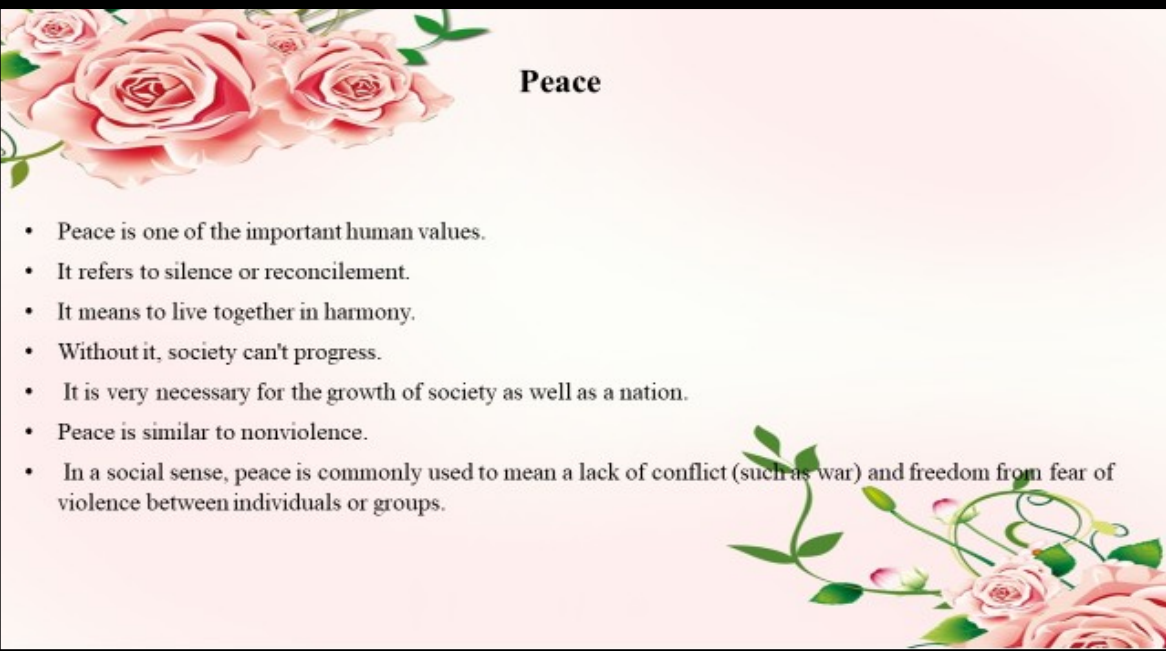

Peace and Forgiveness

Peace

- 1) Peace and harmony mean living together without violence.
- 2) It is very necessary for the growth and development of the nation.
- 3) Every religion in this world teaches us to live in peace and harmony.
- 4) Wars can only cause destruction and the loss of lives.
- 5) Peace and harmony can help in getting inner satisfaction.
- 6) It is important to treat everyone equally.
- 7) There must be proper justice to maintain the law and order in the nation.
- 8) Peace and harmony promote unity among people.
- 9) When there is unity among people they can live happily.
- 10) It is our duty to maintain peace and harmony in society.

Peace

- Peace is one of the important human values.
- It refers to silence or reconciliation.
- It means to live together in harmony.
- Without it, society can't progress.
- It is very necessary for the growth of society as well as a nation.
- Peace is similar to nonviolence.
- In a social sense, peace is commonly used to mean a lack of conflict (such as war) and freedom from fear of violence between individuals or groups.

Forgiveness

- 1) Everybody makes a mistake in life.
- 2) Some of these mistakes happen unknowingly.
- 3) If someone makes a mistake unknowingly and he apologizes for that mistake, he should be forgiven.
- 4) But the person who makes a mistake should also learn that he will never make such a mistake in the future.
- 5) Forgiveness will increase the respect in the heart of the person towards you.
- 6) Even if we do not forgive anyone, the past will not come back.
- 7) Not forgiving remains a burden in our mind.
- 8) Forgiving someone also lightens the mind.
- 9) If we punish someone for their mistake then it can cause loss to both the parties.
- 10) No one should delay in admitting and forgiving a mistake.

Sample Feedback

Outcome of the Programme

- Students will gain deeper understanding about the purpose of their life.
- Students will understand and start applying the essential steps to become good leaders.
- Students will emerge as responsible citizens with clear conviction to practice values and ethics in life.

Value Education Report
Topic : Peace and forgiveness

Class : III BCA B

Date : 01-04-2022

Time : 12:40 Pm to 1:35 Pm

Faculty Name : Dr B Subbulakshmi

Objectives

- Value Education is important as it leads to holistic development of the child.
- Values should not be treated as ideal concepts but as empowering tools which are helpful in meeting the challenges of the contemporary social world.
- Value Education helps the students to become more and more responsible and sensible. It helps them to understand the perspective of life in a better way and lead a successful life as a responsible citizen.
- The NEP 2020 also emphasizes that the 5 universal values of Truth, Peace, Non-Violence, Love and Righteous conduct should be imparted to the children

Content:

The groups of students were given the subject of basic values like love, compassion, truth, non-violence, good conduct etc. By thorough discussion the students themselves tried to understand these values, their applications in life and the need for integrating the values into daily life. They were asked to explore relationship between value and habit, character and behaviour. In general handling value education in life situation was the theme of discussion.

Students actively discussed and one among the group presented the outcome of their discussion. Mr.Thanigai Selvan and Sameer initiated a dialogue with teacher regarding value application during actual life situations. Imaginary problems were posed to students and discussed. Number of students explained how they handle the situation. Also discussions were made with regard to child's psychology that leads to abnormal behaviour and as how intimate love and care can solve number of such abnormal behaviour.

(Dr. B. Subbulakshmi)

Outcome

The value of Education is the most important ingredient to change the world. It helps students to gain knowledge and that knowledge can be used to make a better living. Most importantly the value of education is something that can never be destroyed by any type of natural or

manmade disaster. It plays an important role in an individual's life. Education is the path for the development of society and the overall development of the Nation also.

Patrician College of Arts and Science

Department of BCA(Shift I)

Value Education Report

Topic: Thanks Giving

Class: III BCA(B) **Date:** 4th May 2022 **Time:** 12.30 P.M

Name of the Faculty : Dr B Anandapriya

Objectives - Value Education

- To cater to the purpose of the overall development of the child and
- To create a personality that is equally balanced amongst the students.
- always strive to develop all the areas of human intelligence
- so that the child could be cohesive, socially responsible, and culturally rich.

Thanks Giving

Key points:

- The gratitude is being thankful to someone what they have done for you.
- Some other words for gratitude are acknowledgment, appreciation, and recognition.
- Gratitude makes man thoughtful and altruistic.
- Gratitude has come from the Latin word ‘Gratus’ which means thankful.
- A person with gratitude is found to be more social than others.
- In the Vedas, gratitude has been called the ornament for human beings.
- A grateful person is a source of inspiration for the society.
- If someone shows sympathy to us, we should show our gratitude to him.
- The reason behind not being grateful to others maybe arrogance and corrupt rites.
- Gratitude can never be seen but only experienced from the heart.

Thanksgiving :

- Thanksgiving is the giving of thanks to God, especially in a religious ceremony.
- Thanksgiving or Thanksgiving Day is a public holiday on the fourth Thursday in November. It was originally a day when people celebrated the end of the harvest and thanked God for it.
 1. the act of giving thanks
 2. a. an expression of thanks to God
 - b. a public act of religious observance or a celebration in acknowledgment of divine favours

When is Thanksgiving Day

Thanksgiving Day is celebrated annually as a national holiday in the North American continent on the fourth Thursday of November.

The day is meant to celebrate the harvest season and other blessings of the year gone by.

Thanksgiving :

குறள்

- செய்யாமல் செய்த உதவிக்கு வையகமும் வானகமும் ஆற்றல் அரிது.

விளக்கம்

- ஒருவருக்கு ஒரு நன்மையும் நாம் செய்யாத போதும், அவர் நமக்கு உதவினால், அதற்குக் கைம்மாறாக மண்ணுலகையும் விண்ணுலகையும் கொடுத்தாலும் சமம் ஆகாது.

Explanation:

(The gift of) heaven and earth is not an equivalent for a benefit which is conferred where none had been received

குறள் :

காலத்தி னாற்செய்த நன்றி சிறிதெனினும்
ஞாலத்தின் மாணப் பெரிது.

விளக்கம்:

நமக்கு நெருக்கடியான நேரத்தில் ஒருவர் செய்த உதவி, அளவில் சிறியது என்றாலும், உதவிய நேரத்தை எண்ண அது இந்தப் பூமியை விட மிகப் பெரியதாகும்.

Explanation:

A favour conferred in the time of need, though it be small (in itself), is (in value) much larger than the world

Thanksgiving :

குறள்

- நன்றி மறப்பது நன்றன்று நன்றல்லது
அன்றே மறப்பது நன்று

விளக்கம்

- ஒருவன் நமக்குச் செய்த உதவியை மறப்பது அறம் அன்று; அவன் செய்த தீமையை அப்போதே மறப்பது அறம்..

Explanation:

It is not good to forget a benefit; it is good to forget an injury even in the very moment (in which it is inflicted)

குறள் :

எந்நன்றி கொன்றார்க்கும் உய்வுண்டாம் உய்வில்லை
செய்ந்நன்றி கொன்ற மகற்கு..

விளக்கம்:

எந்த உதவியை மறந்தவருக்கும் முக்தி உண்டு. முக்தி இல்லை தான் பெற்ற உதவியை மறந்தவருக்கு..

Explanation:

He who has killed every virtue may yet escape; there is no escape for him who has killed a benefit

For everything God created is good, and nothing is to be rejected if it is received with thanksgiving, because it is consecrated by the word of God and prayer.

1 Timothy 4:4-5

Outcome of the Programme

The benefits of value education include the development of physical and emotional components, the teaching of mannerism and the formation of a sense of brotherhood, the instillation of a patriotic spirit, and the development of religious tolerance in learners.

**SUBJECT: VALUE EDUCATION
TOPIC : THANKSGIVING**

**SUBJECT CODE: VAE5Q
CLASS: II BCA A**

NO.OF STUDENTS: 44**DATE: 04.05.2022****SUBJECT IN CHARGE: MRS. SRI VAISHNAVI K R****OBJECTIVE:**

Value Education Classes were conducted to the students to inculcate values and discipline in their life.

REPORT:

Value Education Classes were conducted to the non Catholic students at 12.25 pm on 04/05/2022,Wednesday. The Theme for Value Education is "Thanksgiving"

"Give thanks in all circumstances; for this is the will of God"

**TEACHING PEDAGOGY**

Each student shared their experience in life and they shared whom they would thank in their life. Most of the students Thanked their Parents, Teachers, friends and few themselves for the sacrifice made by them.

The following key points were shared among the students

Key points:

- The gratitude is being thankful to someone what they have done for you.
- Some other words for gratitude are acknowledgment, appreciation, and recognition.
- Gratitude makes man thoughtful and altruistic.
- Gratitude has come from the Latin word ‘Gratus’ which means thankful.
- A person with gratitude is found to be more social than others.
- In the Vedas, gratitude has been called the ornament for human beings.
- A grateful person is a source of inspiration for the society.
- If someone shows sympathy to us, we should show our gratitude to him.
- The reason behind not being grateful to others maybe arrogance and corrupt rites.
- Gratitude can never be seen but only experienced from the heart.

In addition, Most of the students listed the good qualities and why they thanked their mentor and few shared that these qualities must be inculcated so that each and every one of us will be a role model to others.

STUDENTS SHARING

Quality of the persons

Well behaved, Disciplined, Being kind	
To help others in difficult situations	
Not addicted to bad habits	
Not doing unnecessary expenses	
Earning sufficiently to the family

PATRICIAN COLLEGE OF ARTS AND SCIENCE
DEPARTMENT OF COMPUTER APPLICATIONS – SHIFT I
VALUE EDUCATION

Topic: Thanks Giving

Class: II BCA B

Date: 04-05-2022

Time: 12:40 Pm to 1:35 Pm

Faculty Name: Mrs. M.S.Ajitha Purnima

Objectives

Each society wants its children to acquire a desirable set of values. The goal of education in every country is the development of desirable values. Evidently, it is important to know as to what values are held by its school students. What kind of values do they possess? Such knowledge is essential to design curricular experiences for the achievement of the objectives of education which the society wants to formulate. We see today the disintegration in society. One of the reasons for the disintegration is conflicting values, ground. If we go through history, we find that society is changing rapidly. The impact of the West has brought about changes in it. The Western ways of thinking, dressing and behaviour influenced the Indians. This impact is still seen in every big society. It is rather increasing.

Content

The following quotes were discussed in the Value Education Class

1) *A thankful heart is not only the greatest virtue, but the parent of all the other virtues.*

Marcus Tullius Cicero

2) *And though I ebb in worth, I'll flow in thanks.*

John Taylor

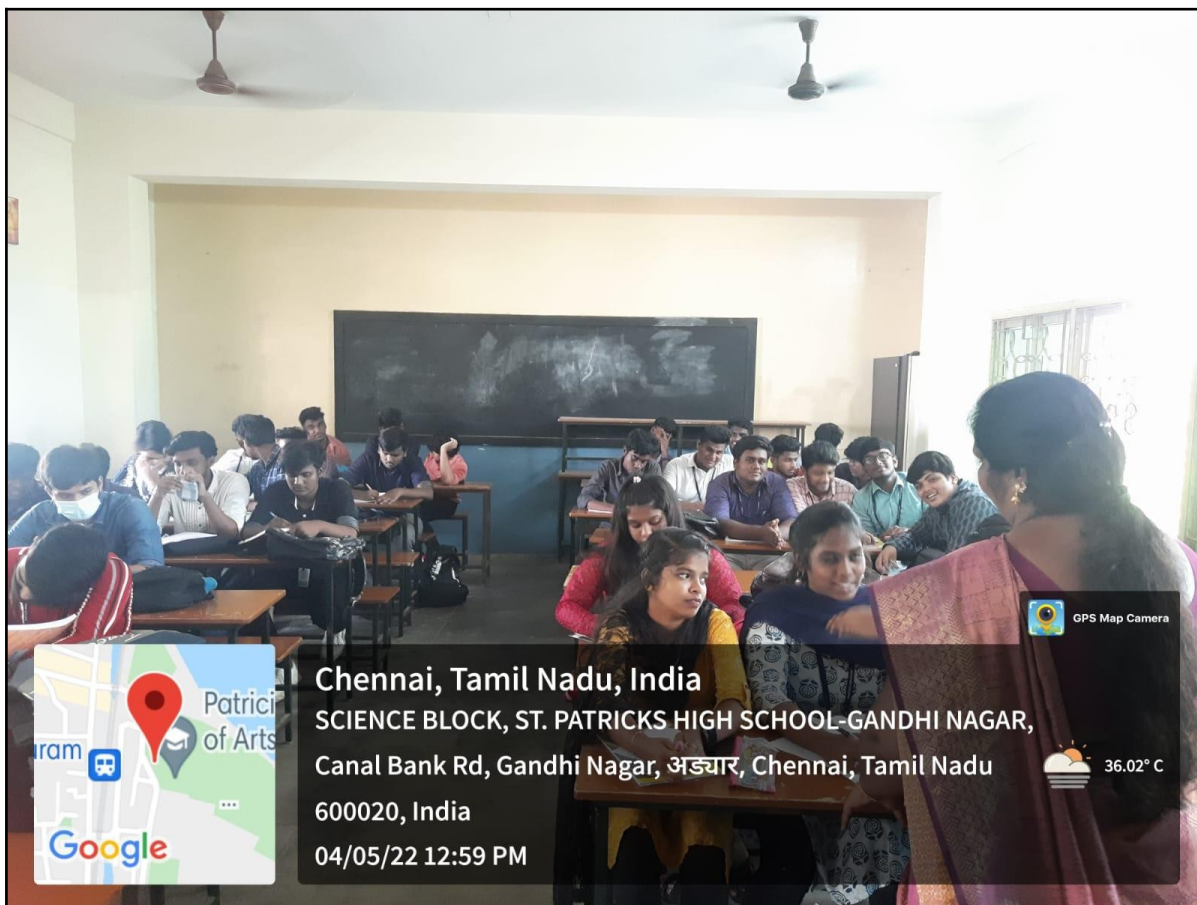

3) *Thanksgiving is one of my favorite days of the year because it reminds us to give thanks and to count our blessings. Suddenly, so many things become so little when we realize how blessed and lucky we are.*

Joyce Giraud

4) *I love Thanksgiving because it is a holiday centered around food and family, two things that are of utmost importance to me.- Marcus Samuelsson*

Students were divided into 4 groups and they were instructed to discuss about the basic values of Thanks Giving. They were sharing their experience where they failed to thank someone and want to thank them. They shared due to personal emotions they missed to thank their friends, family members, relatives etc.

Outcome

Gratitude is a way for people to appreciate what they have instead of always reaching for something new in the hopes it will make them happier or thinking they can't feel satisfied until every physical and material need is met. Gratitude helps people refocus on what they have instead of what they lack. And, although it may feel contrived at first, this mental state grows stronger with use and practice. Few students were able to understand the importance of the simple and magical word “Thank You”. They also took an oath that they will thank others for even a small help gained from them. There was a positive transformation in the student’s mentality.
