I am to state that the valuation of answer scripts is a part of academic work as per the UGC norms and the conditions of affiliation under Statue 44 of Chapter XVI of the University Calendar, failing which the matter will be viewed very seriously by the University and the same will be brought to the notice of the Director of Collegiate Education for further suitable action.

The Convener Committee to draw the attention of all the examiners that complaints regarding valuation from the students and requests for retotalling/revaluation were slightly on the higher side during the last examinations. The examiners are therefore requested to be extremely careful and help us to establish a zero complaint evaluation.

A Transparency system has been introduced from 2003. The photocopies of valued answer scripts are to be provided to the candidates. Therefore, the examiners are requested to be extremely careful while valuing the answer scripts.

The Convener Committee to draw the attention of all the examiners that complaints regarding valuation from the students and requests for retotalling/revaluation were slightly on the higher side during the last examinations. The examiners are therefore requested to be extremely careful and help us to establish a zero complaint evaluation.

A Transparency system has been introduced from 2003. The photocopies of valued answer scripts are to be provided to the candidates. Therefore, the examiners are requested to be extremely careful while valuing the answer scripts.
