## INDUSTRIAL VISIT REPORT

### Anna Centenary Library

A complete report on industrial visit organized by **Department of Computer Applications Shift1 Patrician College**, for the students of **I BCA A and B** in order to get the knowledge about “advanced technology “carried out by Library

#### Details of Journey

**Department of Computer Applications Shift I , Patrician College** had organized an industrial visit on 22<sup>nd</sup> April , 2022 to Anna Centenary Library located in Kotturpuram for the students of I BCA A and B.

We started travelling from the college campus at 12:30 pm via our college bus. Totally **86 students** along with **2 coordinators faculty** were there in the journey.

#### About Anna Centenary Library

The Anna Centenary Library (ACL), a state-of-the-art library was inaugurated on September 15, 2010 on the occasion of the 102nd birth anniversary of the former Chief Minister of Tamil Nadu Dr. C N Annadurai popularly called ‘ANNA’. By reason of his great interest towards the books and library, this library is named as ‘Anna Centenary Library’. The foundation stone laid on August 16, 2008, completed in a short span and declared open to the public from 20th September 2010.

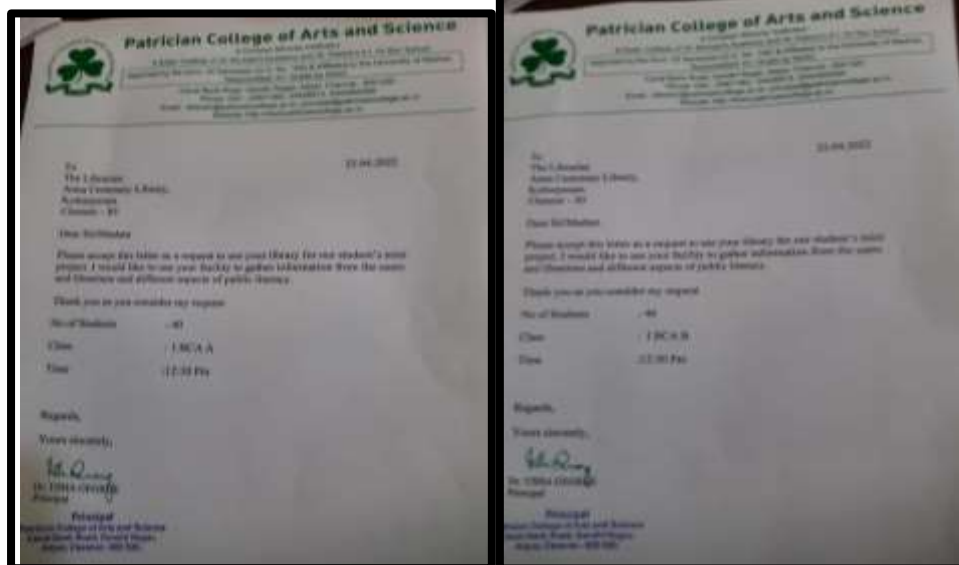

#### About the Visit

Our Students visited various floors and sections of the Library and met the concerned staff of each section and was briefed regarding its printed/electronic resources, library services, facilities, usage of various types of innovative technologies and new trends in the professions.

There were special areas in the Library which are Study Rooms, informal Group Study areas with open access PCs, Smart Boards and other interactive learning resources. All floors have study seating. A controlled entry policy operates, with turnstiles triggered by the University/Library Card, in order to give priority for use of facilities to members of the University only.

Also there is a common hall which is a community space that offers peer support and a forum for interdisciplinary collaboration to all researchers. It was so good and informative that most of the books have to be ordered from the storage by the office. The Learning Resource Centers were observed as the busiest/usable places after the library. For the Under Graduate students these centers were made at various locations inside the campus and for the Under Graduate students these were available inside and outside.

### Permission Letter

4

### Group Observation

This Industrial visit is very helpful in our future Project Work

& bring a positive change in our thinking & practical behavior regarding Education & specializing our technical skills. Got theoretical knowledge about the advancement in technology of information Science

### Conclusion

Students hope to get more chances further to have such an informative & wonderful experiences of visiting different Libraries.

**DEPARTMENT OF COMPUTER APPLICATIONS****REPORT FOR INDUSTRIAL VISIT**

**Place:** B. M. Birla Planetarium, Kottupuram, Chennai

**Date:** Friday, 11th March 2022

**Class:** II BCA (A )

**Objective:** To educate about our surroundings and to learn about how humans perceived the skies in the past and learn more about the galaxy that surrounds us

**Invite:**

**Report :** The Department of Computer Applications(Shift I) visited B.M. Birla Planetarium, Chennai., Kotturpuram, Friday 11th March 2022

**Schedule of the Visit**

SNO	DATE	TIME	CLASS	PLACE
1	Friday, 11.03.2022	10 a.m	II BCA A	B. M . Birla Planetarium

## II BCA A

### Programme outcome:

It gave a unique opportunity to observe and to wonder about the night sky and objects in space. In particular, the planetarium provides students with a needed observational basis for increasing scientific literacy and for understanding astronomical concepts.

## II BCA B - Industrial Visit Report Birla Planetarium

### Objective:

The Planetarium is considered in the modern world as an Indoor - Universe. The Planetarium has provisions to execute diurnal, annual, latitudinal and precessional motions. The special effect projectors inside the Planetarium recreate some of the most awe-inspiring astronomical phenomena on the specially perforated aluminium inner dome. Multi-dimensional activities and multimedia projection arrangements which have been incorporated inside the sky theatre make the programme further lively and excited one.

**Place of visit** : Birla Planetarium, Gandhi Mandapam, Chennai.

### Report:

36 students of II BCA B left the College campus at 12.30pm to Birla Planetarium, Gandhi Mandapam accompanied by the Class Teacher and reached the Library at 12.55 pm. We registered at the entrance and students were allowed to visit various halls to view the 3D show and other interesting places. Students were actively participating and they were involved in some experiments that was available. They enjoyed the park and some games in it. At 4.30pm we left the Planetarium and the students gave a positive feedback about the visit.

### Photos:

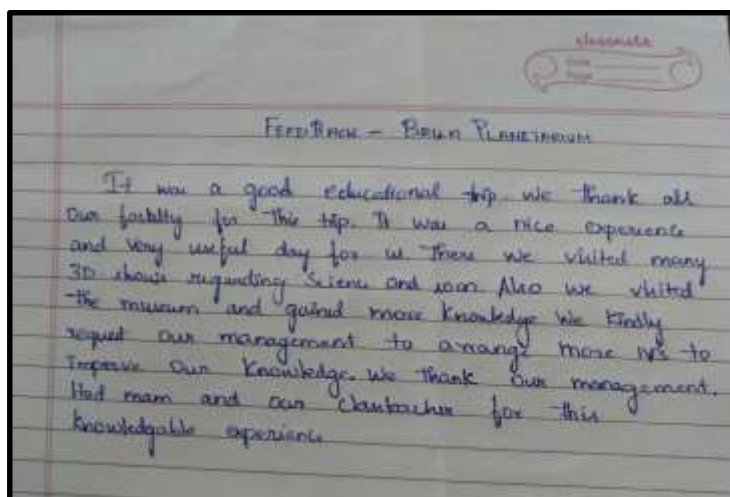

### Outcome

A **planetarium** is a theatre built primarily for presenting educational and entertaining shows about astronomy and the night sky, or for training in celestial navigation. Visit to B.M. Birla Planetarium was an excellent experience. There were many amusing things to play with and interesting facts to learn. This particular visit was not only wonderful but also educational. The thing that the students liked the most was the Planetarium show.

### III BCA -INDUSTRIAL VISIT TO ANNA CENTENARY LIBRARY

#### Report

The Anna Centenary Library (ACL), a state-of-the-art library was inaugurated on September 15, 2010 on the occasion of the 102nd birth anniversary of the former Chief Minister of Tamil Nadu Dr. C N Annadurai popularly called 'ANNA'. By reason of his great interest towards the books and library, this library is named as 'Anna Centenary Library'. The foundation stone laid on August 16, 2008, completed in a short span and declared open to the public from 20th September 2010.

The built up area of this centralized air-conditioned library is 3.75 lakh sq. ft., encompasses ground and eight floors. At present, it hosts five lakhs books covering wide range of subjects to serve the information needs of the public, academic and corporate community. Our Library has a Braille Section, Own Books Reading Section, Children Section, Periodicals and Newspapers Section, Tamil books Section, English Books Section and Digital Library.

Student of III BCA A & B visited ann centenary library on 11<sup>th</sup> March 2022. The student visited third floor of the library where thousands of books in computer science were placed. Student were so surprised to see the latest books in the racks. There were many books which were very rare.

**REPORT ON ENVIRONMENTAL STUDIES VISIT( THOLGAPIYAR PARK)**

Dated: 15/3/2022, 17/3/2022 AND 22/3/2022

Batch: 2<sup>nd</sup> Year B. Com A, B and C section (General shift I)

Attendance of Students: 186

Attendance of staffs from college:3 staffs

**Overview:**

The students of 2<sup>nd</sup> year B. Com General A,B and C section shift I were taken to an Environmental studies Visit – Tholgapiyar park (Eco park), Karpagam Avenue, Mandavelipakkam, Rajaannamalai Puram, Chennai , Tamil Nadu on 15<sup>th</sup>,17<sup>th</sup> and 22<sup>nd</sup> March 2022 in three different days. The students have gained knowledge about Environmental ethics and Environmental exposure from this visit.

student in the metropolitan city got new experience from the park visit

- these are the elements that can make a park sustainable which made the students more environmental cautious.

1. Energy efficient building

2. Conserved and restored natural area

3. Rain water capturing.

4. Organic mulch

5. Fertilizer and compost

6. Reduce pollution

- It works as a sink for the pollution made by the humans in the metropolitan city.

- The park's ecosystem consists of tropical dense evergreen forest, predominantly comprising trees and shrubs that have thick dark green foliage throughout the year, with over 160 woody species, and comprises six vegetative elements such as trees, shrubs, lianas, epiphytes, herbs and tuberous species.

- The park was opened to public by Chief Minister M. Karunanidhi on 22 January 2011 and named after the renowned Tamil scholar Tholkappiar

- About 65 percent of the park is covered by water and artefacts and signage's. • the fragile ecosystem of the Adyar estuary and creek, was expected to cost around ₹ 1,000 million which will include the beautification of 358 acres (1.45 square kilometres) of land.

To whom it may concern

It is to certify that Mr. Rohit. K Has completed a one month internship with us, from 15th July till 14th August.

He worked under the direct supervision of the Operations Manager and got the opportunity to work on various projects. Along with other duties, he was responsible for managing the timelines of the project he was working. His Manager was pleased with his timely highlighting and managing errors, which could have affected the project completions.

He is a fast learner, and he learned our operations system and operation culture quickly. With his eagerness to learn, he developed various skills while working with us. His team working skills friendly nature made him a part of our organization even during the first week. He outdid the expected performance, and we are happy to have the opportunity for training such an enthusiastic candidate.

We wish him the best of luck in his future endeavours.

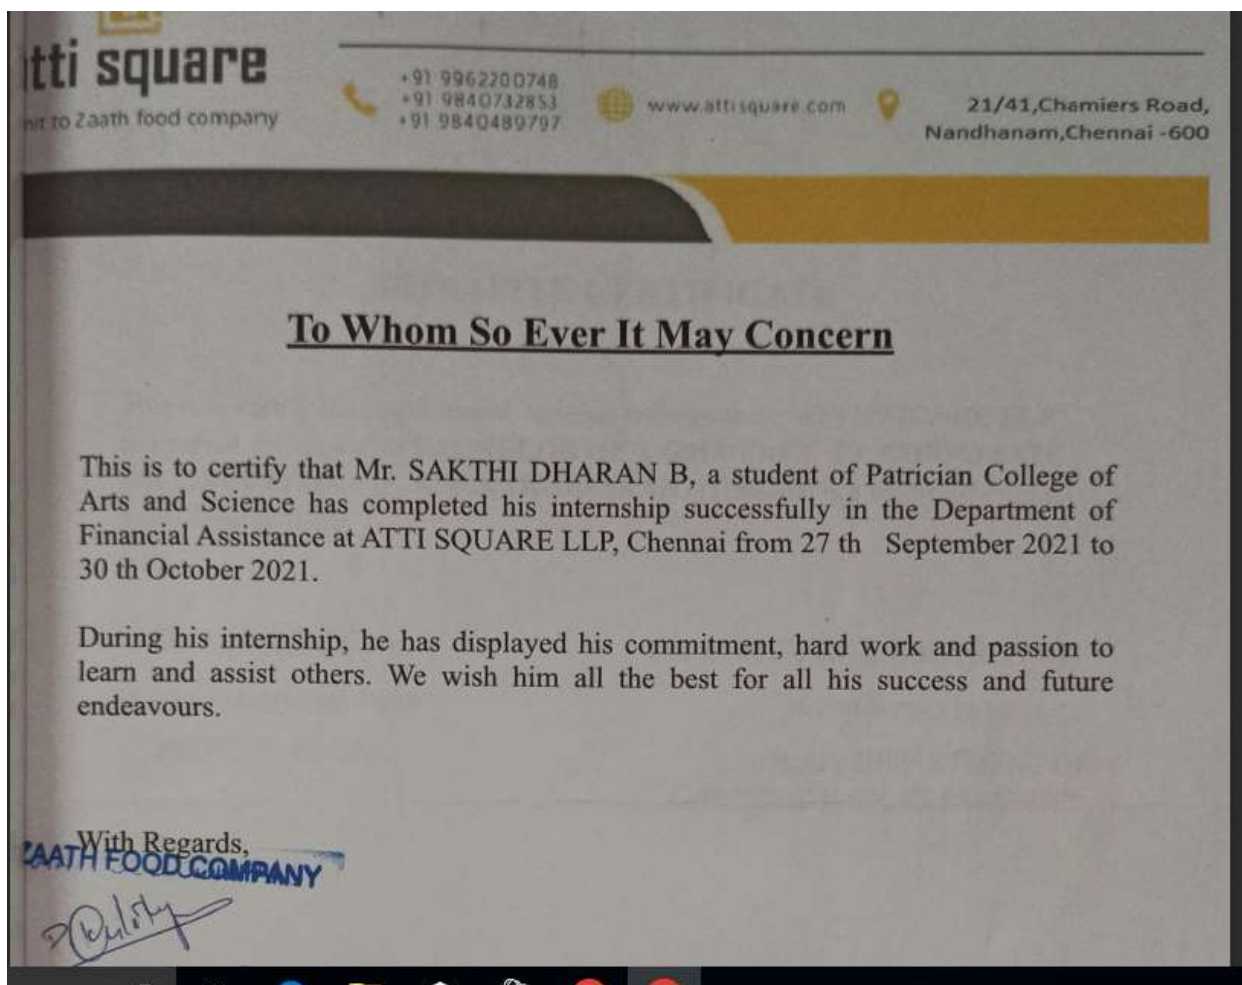

Regards

Vijay Joseph

## INDUSTRIAL VISIT REPORT

### II BCOM CS

DATE :27/04/2022 PLACE : Ramco Cement Industry ,Chengalpattu

The II year Bcom cs students have gone on one-day industrial visit at RAMCO CEMENT INDUSTRY (Chengalpet) on 27<sup>th</sup> April, 2022. A total of 40 students have attended the visit accompanied by 1 faculty member. This encourages the students to develop their skills with interest while they are learning. every student has to observe the marketing and storage aspects of the manufacturing of cement and importance of this visit. Senior engineer have accompanied the students in the process of explanation which included the various steps involved in the cement manufacture. The found of RAMCO was Shir P.A.C Rama Swamy Raja. In this village it was set up in few years ago here first clinkerisation done in vizag and that ready material was sent to the Vijayawada post to the final manufacturing of cement.

The main motto of this company is to have a pollution free environment. The process of manufacturing cement here involved a dry process. For this clink is heated up to 1600°C while calcinations occur then a clinker is formed. By using the cement manufacturing process in this 7-minute animation. Common materials used to manufacture cement include limestone, shells, and chalk or marl combined with shale, clay, slate, blast furnace slag, silica sand, and iron ore. In its simplest form, the rotary kiln is a tube up to 200 metres long and

perhaps 6 metres in diameter, with a long flame at one end. The raw feed enters the kiln at the cool end and gradually passes down to the hot end, then falls out of the kiln and cools down. The material formed in the kiln is described as 'clinker' and is typically composed of rounded nodules between 1 mm and 25mm across. After cooling, the clinker may be stored temporarily in a clinker store, or it may pass directly to the cement mill. The cement mill grinds the clinker to a fine powder. A small amount of gypsum - a form of calcium sulfate - is normally ground up with the clinker. The gypsum controls the setting properties of the cement when water is added.

Finally the visit ended by thanking the engineer for giving this valuable opportunity.

### Dept. of English- Industrial Visit Report

#### Objectives:

- To give a hands-on experience outdoors to explore and experience the heritage and culture of South India.
- To provide an opportunity for students towards admiring the core values of the native culture and provide an ambience of appreciation of the ancestry of India .

#### Programme Outcome:

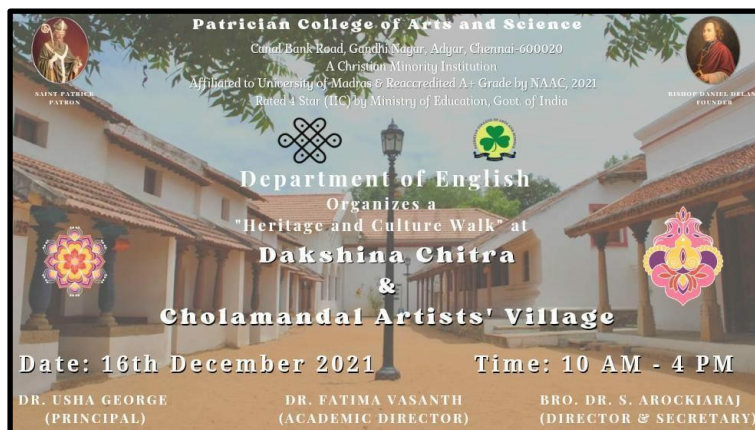

After completion of the Industrial Visit

- The Students will benefit by understand the need to connect to culture

and heritage to remain as a social group.

- The students involved in the program will understand the mind and the working of the people

**Invite :**

### About the Programme:

In order to help the students at large as part of the Industrial Visit / Educational Tour for the students of the Department of English, it was decided during the Faculty Meeting and Class Committee Meetings to conduct a heritage walk accessible within city limits. Due to covid protocol, the requirement was set within city limits for easier access. The place was decided as Dhakshina Chithra – a heritage museum that houses all the cultural history of South India.

### Names of Student Volunteers

S.No	Name of the student	Class
1	Amysoj J A Jithisha	II M.A. English
2	Mukesh V	II M.A. English
3	Rituparna Datta	II M.A. English
4	Dinesh R	II M.A. English
5	Jayarani	II M.A. English

8	Priyadharshini	II M.A. English
9	Jemima Earlin	II M.A. English
10	Infanta Mariet Romi	II M.A. English

### Report on the Programme:

Around 42 students participated in the Industrial Visit. The proposal was forwarded by the Hod and the Principal consented based on the covid protocols decided by the Government of Tamil Nadu. The Students were apprised of the medical and covid guidelines and an informed consent was taken in writing from the parents. Temperature check was conducted in the morning.

The site is a 10-acre campus comprising on the art, architecture, sculpture, social life and handwork of the state of South India. The students were led by the Tour Guide Ms. Lakshmi of Dhakshina Chithra. Pottery making, beads making, bangle making, weaving demonstrations were held to apprise the students on early life in South India.

**Feedback:**

All the members were honoured and appreciated by Rev. Bro. Dr.S.Arockiaraj, Director and Secretary, Dr.Fatima Vasanth, Academic Director, Dr.Usha George, Principal, Dr.B.Meena, Vice Principal [Shift I], Dr.Geetha Rufus, Vice Principal [Shift II] and Ms.Lakshmi Kumari, Associate Professor, Dept. of English.

Ref.No. IV/ DEC /2021

Date:

12<sup>th</sup> May 2022**“Sadhana Forest and Anandapillai Ranganathan Library Visit,  
Pondicherry (*INDUSTRIAL VISIT*)”****Objectives:**

- To provide an opportunity for students to learn and know more about the Library and it's framework
- To learn more about the ways of life at Sadhana Forest and also about the Eco-Friendly living.

**Programme Outcome:**

On completion of the Industrial Visit

- The Students will benefit by understanding the need of Research and the workings of the Library
- The students involved in the program will understand the mind and the working of the people and give students a new outlook on the nuances of cosmopolitan living with limited means.

**About the Programme:**

In order to help the students at large as part of the Industrial Visit / Educational Tour for the students of the Department of English, it was decided during the Faculty Meeting and Class Committee Meetings to conduct a Visit to Library and Forest. The place was decided as Anandapillai Ranganathan Library and Sadhana Forest.

**Report on the Programme:**

52 students participated in the Industrial Visit . The proposal was forwarded by the Hod and the Principal consented based on the covid protocols decided by the Government of Tamil Nadu. The Students were apprised of the medical and covid guidelines and an informed consent was taken in writing from the parents. Temperature check was conducted in the morning.

The visit to Anandapillai Ranganathan Library was a

**PATRICIAN COLLEGE OF ARTS AND SCIENCE  
DEPARTMENT OF ENGLISH  
INDUSTRIAL VISIT REPORT, MAY 2022**

**DakshinaChitra**

**Introduction:**

Students of The Department of English, PCAS along with the class tutor and IV Coordinator **Ms. Nivedhitha Ilango, Assistant Professor** visited DakshinaChitra, The Living Museum, Muttukadu, on Monday 16<sup>th</sup> May 2022 from 10 a.m. onwards. The event was organized by the Department of English, where 20 students from both first and second years BA English actively took part in the programme. The Department of English organized an exclusive pottery workshop for their students in order to have an insight in to the world of pottery and learn about its beauty. Major credit goes to the **Head of the Department and the Faculty Well-wishers** for organizing the transport, food and pottery workshop at Dakshina Chitra. Special thanks to the Management committee headed by our Director and Secretary Rev. Bro. Dr S Arockiaraj and our Principal Dr. Usha George for giving us the consent to visit DakshinaChitra, The Living Museum, Muttukadu as part of IV initiative.

**About the place:**

Dakshina Chitra is known to be a famous cross cultural living museum of art, architecture, lifestyles, crafts and performing arts of South India. The main mission of DakshinaChitra is to exhibit, promote and preserve all the aspects of our broader and more inclusive cultures of our states. The purpose was to show the beauty of South India to the public in an easy, enjoyable and engaging way. DakshinaChitra Heritage Museum, was opened for the public on December 14<sup>th</sup> 1996 as by the NGO, Madras Craft Foundation. The Museum is located at Muttukadu, about twenty-five kilometers to the south of Central Chennai, on the East Coast Road to Mamallapuram, Tamil Nadu, India. DakshinaChitra is said to have a collection of 18 authentic historical houses with contextual exhibitions in each house. All the houses are bought and reconstructed by DakshinaChitra that was been given for demolition by their respective owners. The houses are purchased, taken down, transported and reconstructed by artisans (Stapathis) of the regions from where the houses came from.

**About the journey:**

The students reported around 8:15 a.m. in the department and were given instructions and details about the industrial visit. The bus arrived around 8:30 a.m. and we kick started our journey at 9:00 a.m. The students enjoyed the journey with some light music and viewed the city roads through the windows. The students arrived at the destination around 9:45am and were asked to assemble and wait in the main building. They

explored the place and enjoyed the essence of South Indian culture till it was time for the pottery workshop. The pottery workshop started around 11:30 a.m. where they explained and taught the students to make earthen pots. After each one of them finished making one for themselves, they went to explore more and around 1:00 p.m. it was time for lunch and the students gathered at the restaurant to take up their food. After which we went on to explore more, around 3:20 p.m. the class teacher accompanied the students to the famous Amphitheatre and explained about its importance and the role it played in history. The students had the opportunity to stand in the middle of the stage, each one shouted from the center stage while others sat around and had their own Amphitheatre experience. After this mind-blowing experience, the students went to pick up the pottery crafts that had been dried up and by evening around 4:15pm we all assembled back in the main building, we all took a wholesome group picture for memories the students started their journey back to college, and reached the college by 5:00 p.m. Though it was an extremely hot summer, the thirst was quenched with this experience which was filled with great knowledge and beautiful views of our culture.

**Student's view:**

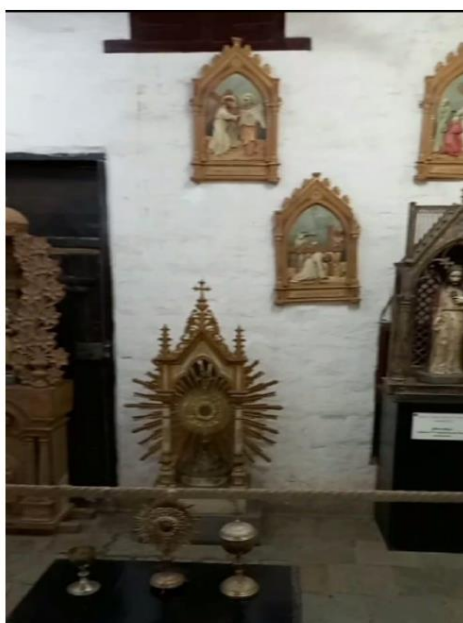

In conclusion, it was such a remarkable experience with unforgettable delightful memories for us students. The main theme of this industrial visit was fulfilled, we all got to learn, witness and experience the Amphitheatre, we got to learn about the incredible art of pottery which has a major part in our culture that isn't acknowledged enough in this era and last but not least we got to appreciate the beauty of our culture through those historical houses through this industrial visit. Special mention for the mouthwatering food we all were provided with. We are grateful for our Management and Department for giving us this opportunity to endure this experience safely and smoothly.

3. The session was ended with a high tea.

**Conclusion:**

Arunodhaya, not only brings light to the street children, it also helps me to bring out from the dark. There are many children of all age groups. The children I met there were so full of enthusiasm and love for life, just meeting them filled me with joy and happiness; I loved the time I spent with them. The ten days field work is an eye opener to me. I learnt many things from the real social workers who working in the field of different category of destitute children on streets. On real time basis I came to understand that I have been practicing the major principles of social works such as individualization, meaningful relationship, self-determination, acceptance, communication, social functioning, Tuning behaviour, Social learning and Confidentiality.

#### FEEDBACK ABOUT THE NGO:

I am very pleased to say that my experience of associating with Arunodhaya is a NGO, is a dedicated Centre for Street and Working Children has been excellent and I feel it is a privilege too. My appreciation for the excellent work Arunodhaya is carrying out in uplifting under- privileged children. By providing opportunities to needy children, I have actually seen desires been converted in to reality. Arunodhaya is investing in a better future for India, since children are the future. I am honoured to be a part of the organisation in a small way and shall try to remain so. My good wishes to Arunodhaya to continue reaching out to children who need them the most.

**CHES – COMMUNITY HEALTH EDUCATION SOCIETY****List of the students and roll numbers:-****Venkatesh pandy d20sw030****Emmanuel d20sw003****Mark Alex d20sw041****Repudi Kamal d20sw019****Ajay bharawaj d20sw001****History of the NGO:-**

The first reported case of AIDS in India was in Chennai in the state of Tamilnadu. 1993 – Two orphaned children a boy aged 2 and a half and a girl aged 4 were admitted at the Institute of Child Health and Hospital for Children, Chennai, where Dr.P.Manorama was working as the Assistant Professor of Pediatrics. When planned to discharge the orphanage from where they came was hesitant to take the kids back in to their arms. Dr.Manorama decided to take the children with her. She was advised by a friend to start and register a NGO that could care the children. Dr.Manorama who embraced these children started The Community Health and Education Society - CHES. CHES responded to this situation by providing care to AIDS orphans when no one else would and offered refuge and solace.

**Activities carried :-****Day 1 (26.10.2021):-**

We attended the orientation about the ches in kodabakam. They told us about the hiv/ aids patients how to take care them and their everyday routine they also told us about the people who have completed their education in the home with help of the NGO now they are working in various fields like doctor, lawyer, engineers, chartered accountant etc... Hiv/aids is incurable but what we can do is to reduce the strength of the virus by increasing the WBC (white blood cells) of our body can able to fight with the hiv/aids virus. Hiv/aids patients are taking their medication (tablets/pill) on a regular basis to maintain their WBC levels to fight with hiv/aids virus

**Day 2 (27.10.2021):-**

We went to the assigned places with the staffs from NGO and observed the children who is child labour, begging etc... We took the pictures of them secretly and reported that to the NGO they told us about how to rescue them and admit them to the home (ANANTHA ILLAM) they also told us about the process of rescuing a child. it should be done only by the child line officials and with the help of that area police officers

**Day 3 (28.10.2021):-**

We rescued the children that we observed in the previous day with the help of child line officials and local area police officers we gave them foods and took them to the nearest police station to write a memo on them and brought them new dress they cried at first but after they got to know us they started behave like normal children and then we took them to the home (ANANTHA ILLAM)

Day 4 (29.10.2021):-

We went to the assigned area and taught the children in there about the good touch and bad touch and created awareness about the child labour, child begging, child marriage, importance of education, sexual abuse and taught them about the importance of child line (1098) number and distributed the gifts to them.

Day 5 (30.10.2021):-

We went to the another branch of NGO office and started a booth at near by bus stand gave paplets to the people and spreaded awareness about the child line and then we went to another place with the staffs of the NGO and we started booth in that place the gave paplets to the people in there and created awareness about the child line.

Day 6 (1.11.2021):-

We went to another branch of NGO in there they taught us about the importance of protected sex practice and causes and prevention of hiv/aids and we went to meet the HRCs with staffs from the NGO and asked the HRCs about their stories they told us why they took this job she told after her husband died she became hopeless she was manipulated by her friend to come this job but she's regretting now

Day 7 (2.11.2021):-

We went to meet another HRCs with the staffs of the NGO and they shared their stories with us how they took this job and they shared painful experience and problems that they face in this job

Day 8 (3.11.2021):-

We went to the same NGO which we visited in the previous day they told us to write a report about what you have learned in the previous session so we wrote a report containing the importance of protected sex practice, causes and prevention of hiv/aids, hiv/aids test among the HRCs on a regular basis(6 months once/once in a year) and created awareness about the protected sex practice among the HRCs

Day 9 (4.11.2021):-

They told us to write a report about what you have learned throughout the whole session so we went to the NGO head office to write a report which contains good touch, bad touch, importance of child line, awareness about the child labour, begging, child marriage etc...

Day 10 (5.11.2021):-

The director of the NGO asked us to meet him and collect the acceptance letter, review report, and certificate we collected the report from the director

## Dept. of Visual Communication / BSc Electronic Media / B.A Journalism

**REPORT****Industrial Visit to Camera Museum and Dakshina Chitra – 27<sup>th</sup> April 2022****Objectives of the Programme**

1. To provide an exposure to vintage cameras used for photography and videography
2. To provide hands on / practical learning experience to the students on photography.
3. To provide architectural models for fine tuning the drawing skills.
4. To understand the various aspects associated with architectural drawing.

**Programme Schedule**

9.30 AM – Starting to Photo Museum from Patrician College of Arts and Science  
10.15 AM – Photo Museum  
12.15 PM – Starting to Dakshina Chitra  
12.30 PM – Dakshina Chitra  
4.00 PM – Return from Dakshina Chitra

**Names of the Faculty Members Accompanying Students**

Mr. Ahamed Rasool, Head, Department of Electronic Media and Journalism  
Mr. Martin Baskar, Asst. Professor, School of Media Studies  
Dr. Mahalakshmi S, Asst. Professor, School of Media Studies  
Mr. Sathish Kumar, Asst. Professor, School of Media Studies  
Ms. Pooja Regothaman, Asst. Professor, School of Media Studies

**Report of the programme**

The students of I and II year Visual Communication, II year Electronic Media and Journalism visited Dr. Arun's Photo Museum at Kovalam and Dakshina Chitra at Muttukadu, Chennai. The photo museum is India's only dedicated camera museum that is open to public. The museum displays rare vintage cameras, field cameras, box cameras, twin lens reflex cameras, polaroids, folding bellows cameras, rangefinder cameras and single lens reflex cameras. The students have photography as a part of their curriculum (both theory and practical). The visit enabled a deeper understanding on the various types of cameras and their working mechanism. They also got a chance to watch a video on the history of photography that detailed them on how photography began and developed over the years. The person in-charge of the museum also explained to them the various cameras that were kept on display. There was an exclusive section of spy cameras that attracted the students. Students could understand the complexity of the vintage cameras kept for display.

Dakshina Chitra has with it a display of living tradition of the various state of India in a ever changing society. The visit to Dakshina Chitra enabled the students to witness the diverse cultures of the diverse people in India. There is a special focus on Tamil Nadu, Andhra Pradesh and Karnataka. The students got to see the architectural structures of the various houses of these states and understand the perspectives and artisan skills. The same helped them visualize and sketch them. The students have drawing and graphic design as part of their curriculum and the visit was an add on for their learning and understanding of the subject.

**Geotagged photographs**

**Outcome of the programme**

The students practically experienced handling film and vintage cameras and also got a chance to understand the working mechanism of the same. The students visited many architectural sites at DakshinaChitra that helped them in visualizing and sketching.

### PATRICIAN COLLEGE OF ARTS AND SCIENCE INDUSTRIAL VISIT TO RAMOJI FILM CITY REPORT

#### Objectives of the Programme

1. To provide an exposure to set design for films.
2. To provide hands on / practical learning experience to the students on photography.

#### Programme Schedule

24<sup>th</sup> April 2022

7.30 AM – Starting to go inside the Ramoji city tour.

4.00 PM – Return from the tour.

#### Names of the Faculty Members Accompanying Students

Mr. Paulson J.L. , Asst Professor, Department of Electronic Media and Journalism

Ms. Aarthi Haridas, Asst. Professor, School of Media Studies

The School Of Media Studies comprises of Visual Communication, Electronic Media and Journalism. The department went for a study tour on 24<sup>th</sup> and 25<sup>th</sup> April 2022 to Ramoji film city near Hyderabad, near Secandrabad. The students learned different aspects of set design and film making.

The film city is the biggest in the world in terms of the land occupied. Ramoji Film City is an integrated film studio complex located in Hyderabad, India.

(A) SET

Spread over 1,666 acres, it is the largest integrated film city in the world and as such has been certified by the Guinness World Records as the largest studio complex in the world. It was built by Telugu film producer Ramoji Rao in 1996.

The Guardian described Ramoji Film City as "city within a city." It is also a popular tourism and recreation centre, containing natural and artificial attractions including an amusement park. Around 1.5 million tourists visit this place every year

#### (B) STUDENTS IN IN-NETWORK BUS

The students had a good time there. It was a one day trip comprising of 50 odd students accompanied by 2 staffs.

(C) GROUP PHOTO

The studio has a central kitchen for the various film units shooting at any given point of time. People can visit the film sets, theme parks, amusement rides, etc. The film city also has 6 hotels inside it, 47 sound stages and permanent sets ranging from railway stations to temples.

The film city also has the set used for the films Baahubali: The Beginning and Baahubali 2: The Conclusion, all the statues and props used in the films can be seen here.

(D) BAHUBALI SET

**Dept of B.Com (General) - Details of Industrial visits organized**

S.No	Date	Class	Organization Visited	Outcome of the Programme
1	21.04.2022	III B.Com (2019 Batch)	Integral component manufacturers Pvt. Ltd., SIPCOT Industrial park, Irungattukottai	Production Process and Office Management
2	18.05.2022	II B.Com (2020 Batch)	Madras Door Company SIPCOT Industrial Estate, Gummidipoondi	Hands on experience on SIPCOT
3	29.04.2022	I B.Com (2021 Batch)	Nadi Technologies Pvt. Ltd., Madhavaram, Chennai.	Practical knowledge of working environment

**Integral Component Manufacturers Pvt. Ltd., SIPCOT Industrial park, Irungattukottai****About the Company:**

Integral Component Manufacturers P LtdB-20 SIPCOT Industrial Park is situated at Irungattukottai. It is a manufacturing company. They are a leading manufacturer and supplier of high precision machined automotive components that includes transmission components, Aluminum components, engine components, and general engineering components. These components are manufactured by highly qualified and skilled people who have years of experience in their respective field. This will ensure that the products manufactured meet all the needs of customers.

**Objective of the visit:**

The objective of this industrial visit is for the students to have knowledge about machinery and manufacturing companies. To know how they are produced, assembled and manufactured in the company. The company has each section for each process so that the products are made without any mistakes. Students are excited to know not only the production process but also that they want to analyze the company's current affairs.

**Outcome of the visit:**

The students visited the company on April 21 2022 to Integral Component Manufacturers P LtdB-20 SIPCOT Industrial Park. They visited all the manufacturing and production processes and analyzed about every stage the products are made. They also enquired the company authorities about the company's current affairs and outcome of the company. They also visited the memorial site of Rajiv Gandhi.

the most refreshing and healthy buttermilk out there. Hygienically prepared, nutritious and easy to digest, our Lassi sets standards on quality and taste for those looking for a revitalizing natural drink to stay healthy and active.

#### GHEE

Ghee is a rich source of Vitamin A and helps in the healthy growth of body, bone metabolism and strengthening of the immune system. The rich taste and smooth texture is ideal when it comes to choosing the best ghee. Thirumala Ghee is made from cream that's sourced from the freshest milk. Prepared under stringent and hygienic conditions and standards, we ensure you get the best quality, with the authentic taste and aroma of pure cow ghee

#### CONCLUSION

I thank our management and our department facilities for arranging us this industrial visit at "THIRUMALA MILK PRODUCTS" we learnt a lot in that company the way they treated us was very good they explained everything clearly. It was a good experience for us .Milk and milk products are not only valued source of nutrition and provide income and employment to a large section. To conclude this mil and it's products are useful for human and can be serves as the basic requirement for life .

Company profile:

Thirumala Milk Products Private Limited is a leading dairy company in South India established in the year 1996. Since then, Thirumala has been maintaining its position as a fastest growing brand with presence in major states of India such as Tamil Nadu, Karnataka, Andhra Pradesh, Telangana, Kerala, Madhya Pradesh, Uttar Pradesh, and West Bengal. Today, Thirumala produces dairy products across nine state-of-the-art manufacturing plants spread across southern states of India.

In 2014, Lactalis acquired Thirumala, where it opened up enormous opportunities in the biggest and most challenging dairy market in the world to position it as the most preferred brand in India. The traditional and cultural experience of Thirumala and international expertise of Lactalis provided a unique combination, leading to a success story to be talked by generations to

come. Lactalis is a family-owned dairy group based in Laval (Mayenne), in the west of France. In 1933, André Besnier started up his cheese-making company. The group sells products in over 180 countries and has 229 production sites across the globe. Lactalis is the largest dairy group in the world with turnover of over 17 billion Euros.

#### FOOD SAFETY GUARANTEE

They believe in the Philosophy of “Consumer First”. As a part of our Corporate Responsibility, they ensure that food safety is on our top priority. All nine of our plants have ISO 22000 Certifications and FSSAI Licenses certifying a commitment towards food safety and dependability.

**CONSUMER PREFERENCE**

Thirumala has a strong focus on its consumers and therefore goes the extra mile to provide them consistent quality products which is relevant to their organoleptic palate. Not only is this about giving consumers the best, but also understanding what they would need through robust customer-connect programs.

**CUSTOMER SATISFACTION**

Their customer satisfaction not only comes from the consistent quality products, they provide customer care services who are readily available to provide any product related information, and address any queries or concerns.

**SUPPLIER ASSURANCE**

They always strive for ensuring consistent quality products with conforming purity of the product available in the market, which is made possible through the help of their own Tirumala Distribution Centres (TDC) , Agents and Retailers. They ensure on-time deliveries to our Retailers so that our products are made available for our consumers 24/7.

**QUALITY AT THE BEST PRICE**

Being in a commodity & dairy market, they ensure their products are not only the healthiest and tastiest but also affordable for one and all. Quality is not something we strive for, it's something they guarantee with consistency.

**Products****MILK**

Thirumala ensures the finest quality of milk, which not only provides great taste but also maintains the highest standards of quality. It guarantees pure freshness and goodness at every stage, from farms to the family, by collecting farm-fresh milk everyday from farmers with an efficient supply chain under hygienic quality standards and modern technology. Offering a rich source of calcium, protein and fortified vitamins, Thirumala milk helps you stay active and fit throughout the day

#### Curd

Thirumala has a long-standing expertise and passion for producing the best dairy products. Made from highest quality milk under stringent and hygienic quality standards, Thirumala curd delivers the best thick and tasty curd to its consumers. It is a great source of protein and calcium, which makes it super beneficial for your health.

#### FLAVOURED MILK

Nothing soothes your soul better than a bottle of Thirumala flavoured milk, whether it is chocolate, strawberry, badam or pista. Our flavoured milk range contains superior ingredients and milk freshly procured directly from farms. With our high-quality toned milk and added flavours, Thirumala Flavoured Milk gives you the smooth texture, perfect aroma, and above all, your heart's content!

#### LASSI

Thirumala Lassi and Buttermilk are ready-to-drink delicious and healthy beverages. A zesty concoction of spices and our fresh milk, we provide you with

Modern Bakers (madras) Private Limited is majorly in Manufacturing (Food stuffs) business from last 23 years and currently, company operations are active. Current board members & directors are ANUSUYA KALIDAS, SOUNDARAPANDIAN SUBRAMANI, VIJAI KALIDASS and MUTHU KALIDASS .

Around 58 students participated in the Industrial visit. The entire event was conducted in Physical Mode. The student volunteers coordinated the entire program and anchored the entire event. The Guide addressed on the common production process and also explained how to differentiate between theory and practical knowledge various functions of production.

#### Students Feedback:

All the members were honoured and appreciated by Rev. Bro. Dr.S.Arockiaraj, Director and Secretary, Dr.Fatima Vasanth, Academic Director, Dr.Usha George, Principal, Dr.B.Meena, Vice Principal [Shift I], Dr.Geetha Rufus, Vice Principal [Shift II] and Ms.Lakshmi Kumari, Associate Professor, Dept. of English. Some of the students feedback were:

- It is very useful to get more practical knowledge about industry like purchase department , manufacturing department, packaging, sales department.

#### Photo Gallery

**Feedback response:**

The zeal of the students to reach great heights during a much-needed skill during troubled times like the Covid is a reminder of the power and success of this initiative.

**Sub: Completion of Internship**

We are glad to inform you that **Mr. SAM ARAVIND R G, Roll No: 121904535** from Patrician College of Arts and Sciences, has successfully completed his internship at 22/02/2022-22/03/2022. During his internship, he was exposed to the various activities in accounts and data entry division of the company. We found him extremely hard working. He was very much interested to learn the function of our core division and also willing to put his best efforts and get into the depth of the subject to understand it better. His association with us was very faithful we wish him all the best in his future endeavors.

No of students II year: 50

**COMPANY PROFILE:**

Parle Products was established as a confectionery maker in the Vile Parle suburb of Mumbai, in 1929. Parle Products began manufacturing biscuits in 1939. In 1947, when India became independent, the company launched an ad campaign, showcasing its Gluco brand of biscuits as an Indian alternative to British-branded biscuits.[4]

Parle-G biscuits were earlier called 'Parle Gluco' Biscuits until the 1980s. The "G" in the name Parle-G originally stood for "Glucose", though a later brand slogan also stated "G for Genius".[5]

In 2013, Parle-G became India's first FMCG brand to cross the ₹5,000 crore mark in retail sales.[6]

The low price is another important factor in Parle-G's popularity. Outside India, it is sold for 99 cents for a 418 gram pack as of 2012. A more common 65-gram "snack pack" is sold for as low as 15 cents (5 INR) at Indian grocers, and 40 cents at major retailers. Rs 2 packs of Parle-G are also sold.<sup>[11][12]</sup> By 2016, smaller 56.4-gram packs were being sold as eight for one dollar at Indian grocers in the United States. The first TV commercial for Parle-G was made in 1982. The Indian superhero Shaktimaan also endorsed the brand in the 1990s.<sup>[12][13]</sup>

**CONSUMER PREFERENCE**

Parle G has the wide number of customers all over the country. Customer prefer this product because of reduction on price. The company mainly concentrates on the quality and taste of the products

#### **CUSTOMER SATISFACTION**

Their customer satisfaction not only comes from the consistent quality products, they provide customer care services who are readily available to provide any product related information, and address any queries or concerns.

#### **LEARNING TO STUDENTS**

Students really enjoyed the Industrial Visit. Initially they were shown about the materials and equipments used for the manufacturing of the product, They also had an opportunity to interact with the workers and gathered more information about the process. Mainly students learnt about the process and recycling of the wastages in to new product. They got an opportunity to interact with the head supervisor and many questions were raised by the students and they came to know the development of the company and the reasons for the sustainability of these many years. The few sample biscuits were distributed to the students and the feedback was given by the students regarding the taste and preference of the customers for the future development of the product. Many new products were about to introduce by the company in the near future.

#### **CONCLUSION:**

We Thank Our College Management for giving us an great opportunity for guiding the students in the better path and encouraging practical learning.
