Rated 5 Star by Innovation Cell, Ministry of Education, Government of India

Prospectus
2021 - 2022

DIRECTOR & SECRETARY **Message**

Dear Candidate,

A glance at our past accomplishments, gives me great satisfaction on the initiatives Patrician College has taken to build future leaders. Our priority and focus is to share knowledge and wisdom which would make our students pursue their dreams. We firmly believe that knowledge embedded with values in the right measure is the appropriate approach to groom today's generation.

All that we have established today is what we have envisaged for the greater tomorrow. "Making A Difference" is just about thinking different things rather than doing things differently. The college is committed to doing things differently and has always cherished the happiness behind it.

We seize this opportunity to open up our heart and pass on the noble vision of implanting values and wisdom into the lives of the younger generation. We are well aware that the world is losing and mankind is becoming extinct with just flesh and blood existing because we have stopped caring for others.

Today's world has opportunities in terms of career, money, power and authority but people in that race to win against oddities have failed to realize that the price paid to acquire these luxuries is lost love, peace, harmony and relationships. It is time that we take a call to commit to get back to our basics and revive the world and mankind that once experienced and witnessed love and harmony.

Let us all join hands in this restoration and be assured that we are transferring the right world for the future generation. Now from Making a Difference it's time to move on to Establishing that Difference. We are aware that it's just one life that we have. Therefore lets all start building the desired world through our earnest words and deeds. Towards achieving these goals the Patrician College gives you ample opportunity to become future leaders.

"To build the right virtues of life, let us establish the right values and Wisdom"

Bro. Dr. S. Arockiaraj
DIRECTOR & SECRETARY

ACADEMIC DIRECTOR

Message

Dear Candidate,

Greetings!

At the outset let me congratulate you for foreseeing Patrician College as your destination to fulfill your dreams for career and life. Yes!!! You have made the right choice.

Why Patrician? Is it because of its beautiful land scape, luscious green coverage, State of the Art facilities and its location in the heart of city? Yes, but beyond all this there is much more to add to its pride. Patrician has been a buzz word across the state and nation with the latest ranking by Education World positioning Patrician College as No 1 College in Tamil Nadu among the Non-Autonomous Colleges. This has been possible only because of the Visionary Management, Committed and Dedicated staff, Motivated Students and the Social responsibility initiatives of the college. COVID 19 has given enormous opportunity to render relief services to the marginalized community. Besides this recognition, the College has been performing extremely well in all spheres and statutory bodies like NAAC has awarded A+ grade to the college in its Second cycle of Reaccreditation & Rated 5 star by Ministry of Education. True to its Motto **To Seek... To Strive... To Find..**, the College continuously strives to build individuals who will strive to make a difference in society.

The priority of education at Patrician College is to build Competency and Leadership in individuals. The College is strongly committed to provide opportunities to discover unique potentials and facilitate the individual to blossom into full-fledged human beings. As Aristotle states "Educating the mind without educating the heart is no education at all". We believe strongly in transforming the young minds to have a critical understanding of the environment and become empathetic and proactive to respond to any situations.

At Patrician, Excellence is the driving force in empowering the new Generation to get the right career break in the field of their choice. No effort is spared in providing conducive environment which nurture holistic development and provide personal care to every individual who is entrusted to us. We wish you to explore our Prospectus and make the right choice on the career you would like to pursue. We wish you happy learning with us.

Once a Patrician is always a Patrician.... Join the Journey with us for successful tomorrow.

Dr. Fatima Vasanth
Academic Director

VISION

Patrician College will continue to emerge as the centre for excellence in Higher Education and build human resources with values to make a significant contribution to society.

MISSION

To provide a holistic education for intellectual and physical development, social and cultural sensitivity and economic opportunities that will empower every student to live in harmony.
