BRIDGE COURSE 2024-2025
ENGLISH FOR UG I YEAR

Duration: 6 days

Venue: UG I year classrooms

04/07/2024-10/07/2024

Bridge Course is a beneficial system which helps the students of first year undergraduate to induct themselves into collegiate education stream with ease and proficiency. The Bridge Course was conducted by the Department of English, Patrician College of Arts and Science for all streams of courses from 4 July 2024 to 10 July 2024. It contains a syllabus of mainstream communicative and grammatical skills.

On Day 1 of the course, an induction test was conducted via Gforms to assess the credibility of students in English language and communication. For all five days, the students were equipped with the knowledge as per the Bridge Course syllabus through various activities and many found it intriguing. The final day of the Bridge Course saw the culmination of our teachings through the exit test conducted via Gforms and feedback was acquired from all students for betterment and upgrade in the following academic year. I UG students benefitted from the Bridge Course conducted this year.

**Feedback:**

I found the General English Bridge course to be a highly beneficial experience. The course offered a balanced approach to improving key language skills, such as listening, speaking, reading, and writing. The content was well-organized, with clear explanations and plenty of practice exercises.

- Gokul, I BSc Psychology

The interactive nature of the course kept me engaged, and I appreciated the supportive environment where I could ask questions and get feedback.

- Daniel Mervin Raj, I BBA

I found the grammar and vocabulary exercises particularly helpful. The lessons were well-structured and easy to follow. The mix of speaking, reading, and writing activities kept me engaged."

- Lakshmi Priya, I BCom General

The Department of Computer Applications organized a two-day bridge course for first-year BCA students from July 5, 2024, to July 6, 2024. The event aimed to provide new students with a comprehensive introduction to the BCA program, academic guidance, and career counselling. The course featured talks and sessions led by distinguished alumni of the BCA department who shared their expertise and experiences.

Session Highlights:

- **Solomon Francis (2013-16), Senior Tech Lead, DevSecOps:**
Solomon provided an in-depth overview of the BCA curriculum, explaining the structure of the program and highlighting key subjects such as programming, database management, web development, and software engineering. He also shared insights into the practical applications of these subjects in the tech industry.
- **Poongundrun B (2012-15), Branch Head, HDFC Life Chetpet:**
Poongundrun discussed the importance of academic planning and career development. He offered strategies for effective study habits, time management, and goal setting. Additionally, he guided students on navigating the job market, preparing for interviews, and building a successful career in the IT and business sectors.
- **Arvind (2016-19), Full Stack Developer:**
Arvind introduced the basics of programming languages, covering fundamental concepts like syntax, data types, control structures, and functions. His session was interactive, featuring live coding demonstrations. He also emphasized the importance of learning multiple programming languages to enhance problem-solving skills.
- **J. Thiluck Sai Ram (2016-19), Associate Consultant:**
Thiluck focused on coding essentials and problem-solving techniques. His session included practical exercises on writing and debugging code, with a strong emphasis on logical thinking and algorithm development. He also provided resources and tools for students to practice and improve their coding skills.

Outcome

Overall, the bridge course was well received by the students, who expressed appreciation for the guidance and support provided. The program laid a strong foundation for their academic and professional growth, setting them up for success in the BCA program. The bridge course successfully introduced first-year BCA students to the program, enhancing their understanding of the curriculum and key academic concepts. Students gained valuable insights into academic planning, career development, and essential programming skills. The sessions, led by distinguished alumni, inspired and motivated the students, fostering a strong sense of community. Overall, the program set a solid foundation for the students' academic and professional growth.

FEEDBACK

“The course gave a good foundation of practical application, though more hands-on sessions, such as coding exercises or mini-projects, would have been beneficial to reinforce the learning”

by SRIDHAR I BCA B

“I would rate my overall experience as very good. The Bridge Course gave me a solid overview of key topics and motivated me to explore Full Stack Development and Programming more deeply.”

by PRIYADHARSHINI N I BCA B

“All the speakers were engaging and easy to follow. I especially liked how they shared their own experiences from the industry, which added a lot of value beyond theoretical knowledge”

MAHENDRAVARMAN B – I BCA A

The session on **Coding Basics and Problem Solving** by Mr. J. Thiluck Sai Ram was very interactive. His problem-solving approach made complex concepts easier to understand.
