Dear Sir,

Greetings. We would like to bring to kind notice about the arrear candidate of the BBA department. Previous to the CBCS system, for the degree of BBA, papers were evaluated for full 100 marks without any external/internal split. However, In 3rd Semester there was a paper called Computer Applications in Business with the subject code of NG3A which was evaluated for 75 marks and the remaining 25 marks were evaluated through a computer practical with subject code NG31.

After the introduction of CBCS, the Computer Applications in Business paper (NG3A) had new subject code MAM3H but was fully a theory paper evaluated for 75 marks externally and 25 marks internally. The practical paper NG31 has no scope in this evaluation and therefore is a non equivalent subject code

Mr. Jestin Nirmalaraj F (4K22337) of 2002-03 batch has an arrear in this NG31 paper. In the UNOM IMES portal the provision for mark entry for NG31 shows an external mark of 75 whereas originally it was only evaluated for 25 marks.

I request you to kindly look into the matter and kindly do the needful.

Register No. 4K22337 - Jestin Nirmalaraj F – PRACTICAL EXTERNAL MARKS appearing WRONGLY for the Subject Code NG31 – Reg.
