Dear Ms Divya,

Greetings from BYST!!!

Thank you so very much for your supporting with your team of students who delivered an extraordinary street theatre performance at the event on 7th March 2023 conducted on the Occasion of Celebrating International Women's Day 2023 at Patrician College of Arts & Science. Their performance articulated the need for and importance of women to take up entrepreneurship as a career choice despite the odds and the impact mentoring can create.

I believe that the essence of BYST's mission to support underprivileged entrepreneurs through 'Mentoring' which is a key to success has been best delivered through their astonishing performance.

The event witnessed active participation from a variety of stakeholders drawn from the government, corporate sector, entrepreneurs, and mentors from 12 different locations and was attended by over 2,000 participants from Chennai & others present in the clusters simultaneously integrated through Zoom.

Thank you once again to your entire team, we look forward to engaging you in our future events.

All the best!

Dear Dr. Fatima Vasanth,

At the very beginning, I would like to convey my sincere thanks and deep appreciation for joining us in observance of the National Mourning Day of Bangladesh in your renowned college.

I am delighted to note that Patrician College of fine arts, Chennai provides students with a well-rounded education while also giving them a chance to explore new interests. Your hard work, positive tone on campus, dedication and inspiring students to achieve their dreams every day is admirable. I must congratulate you for your extraordinary journey as the Academic Director of the college.

I am very touched with the warm hospitality and the infrastructure of the college. The Poem and the Essays written by the students was exemplary. Their research in demonstrating the struggle of Bangabandhu and Bangladesh in the 21st century was indeed a wonderful effort. I myself and my Mission officials was moved by the arrangements and messages from your end for the observance. I was stunned with the cleanliness of the college. Thank you.
