Invite Week 6 : Valediction

Report on the Programme: Week 1

The Day began with the Introduction of the Officials. Mr. Shanmuga sundar and the Coordinator with the other TGT teachers assembled in the hall. A specific hall was allotted for this purpose. The students of classes VI, VII and VIII assembled. There were a total of 90 students – girls and boys.

After the official inauguration, the SEEDS vision for the School was read out by Mrs. Nivedhitha Ilango, SEEDS Coordinator for the Department. The details of the events of the day was enumerated by Mr. Prithivi Rajkumar, SEEDS Coordinator. The PG students were involved as trainers to train the I B.A. Students.

They helped the UG students to organize the school students into groups. The students were divided in groups of 10. Inaugural games and events began.

Icebreaker events like “Simon Says” and “Jumbled Words” were played. This helped the students to understand the importance of listening, coordinator, attentiveness and interaction with the student volunteers.

Later the SEEDS Team contributed 200 cloth masks for the students of 6th, 7th and 8th std.

Report on the Programme: Week 2

On the Second Week, the next set of volunteers with the SEEDSF Staff Team and the II M.A. Students arrived early at the venue. The theme for the Second Week was “Say No to Plastic”. Plastic is one of the modern hazards of the 21st century. Starting early in bringing awareness to the students was important to any education.

Arun Kumar and Ajay Kumar of I B.A. English explained on the negative impact of using plastic. How plastic ends up in the landfill, among birds, insects, animals and marine species. The students explained how children should differentiate between single use plastic and regular plastic.

The students were taught alternate packing materials like paper bag and cloth bag. The volunteers taught them how to make paper bag. Using colorful paper material and glue, the students were taught how to make paper bags. The entire content was sponsored by the College.

The 36 students of Class VI benefited from the program.

Later the SEEDS Team contributed 50 pencils to 6th Std. students

Report on the Programme: Week 3

In the Third Week, the students prepared a puppet stage and puppet characters. The title of the puppet show was, “The Strength of Unity”. The students practiced the event for a week anchored by Mr.Prithivi Rajkumar and Ms. Nivedhitha Ilango. The students leaders from II M.A. taught them the art of puppetry.

The students thoroughly enjoyed the program and were willing that such events take place every week for them.

Mention must be made that it was entirely the students’ creativity in creating the puppet stage using “Junk Art” materials. It was a learning process for both the students, coordinators and the school students.

Later the SEEDS Team contributed 50 Refill Pens to 7th Std. students

Report on the Programme: Week 4

In the Fourth Week, the students were exposed to Summer Camp Activities in identifying objects, nouns, verbs to help them improve their vocabulary. The students found the activities interesting as well as useful as it helped them acquire communication skills.

Report on the Programme: Week 5

In the Fifth Week, the students gave worksheets on communication, vocabulary, word building activities and other related activities to encourage the children towards activity-based learning. The students are usually from low-income group and they have almost no access to activity-based learning. Students found the activities very useful as it introduced them towards better learning. The first year student volunteers, II M.A. Leaders, SEEDS Coordinators Mr.Prithivi Rajkumar, Ms. Nivedhitha and Dr. Murali accompanied the team.

Later the SEEDS Team contributed 50 Rulers to 8th Std. students

Report on the Programme: Week 6

Week 6 was the Valediction Day for the Seeds Outreach program as the students would be breaking for the Summer Holidays. The school had organized a thanksgiving note to the students and the staff coordinators. Tea and Refreshments were served. The Headmaster and the Assistant Headmaster appreciated the students for the marvelous patience and perseverance in teaching students basic social, moral values.

The College students performed a mime on the theme “Traffic Rules”. We have every reason to believe that the students were impacted by the performance. A Qand A session was held for the students to find out what they had understood on the importance of traffic rules. The

response was amazing. The students also participated in some fun activities that would boost their interest in school education as well in learning.

Mention must be made that the students of the Govt High School belong to the low income category. Also other socio economic troubles also plague them particularly after the Covid. The students have lost 2 years of education because of lack of access to basic phones.

So this outreach program is special in the sense that it would impact their behavior in a positive way. The entire event is posted in the Dept Official You tube Channel - <https://youtu.be/waN6GrvVnXk>

To promote improvement of basic infrastructure, the Department of English presented a Color Laser Printer worth Rs. 12,000 to the school for the benefit of the student community.

Students Feedback:

All the members were honoured and appreciated by Rev. Bro. Dr.S.Arockiaraj, Director and Secretary, Dr.Fatima Vasanth, Academic Director, Dr.Usha George, Principal, Dr.B.Meena, VicePrincipal [Shift I], Dr.Geetha Rufus, Vice Principal [Shift II] and Ms.Lakshmi Kumari, AssociateProfessor,Dept.ofEnglish.

Invitation:

Report:

The Department has initiated a corona awareness program for the people coming under sevvapet panchayat, Tiruvallur.

The main purpose of this awareness program is to give awareness about this growing Coronavirus. Due to this curfew many have lost their loved ones. The country has sacrificed many great souls in this pandemic. Thus the Department of Accounting and Finance came up with an idea to promote awareness on wearing masks, maintaining distance, sanitizing themselves and most importantly getting vaccinated. It's an eight hour program done by our first year students. Around 150 Pamphlets were distributed amongst the people in that village. The students were issued pamphlets and insisted on vaccinating immediately to protect your life from Covid.

Programme Schedule:

- 3:00PM – Students assembling at the venue
 3:00 PM – 5:00PM – Serving Food, Entertaining, Tour of the home

Duty List:

Mr. Sathish Kumar, Assistant Professor, Department of Visual Communication & Dr. Mahalakshmi. S, Assistant Professor, Department of Electronic Media & Journalism – Co-ordinating Students and Managing of the activity.

Report of the Event:

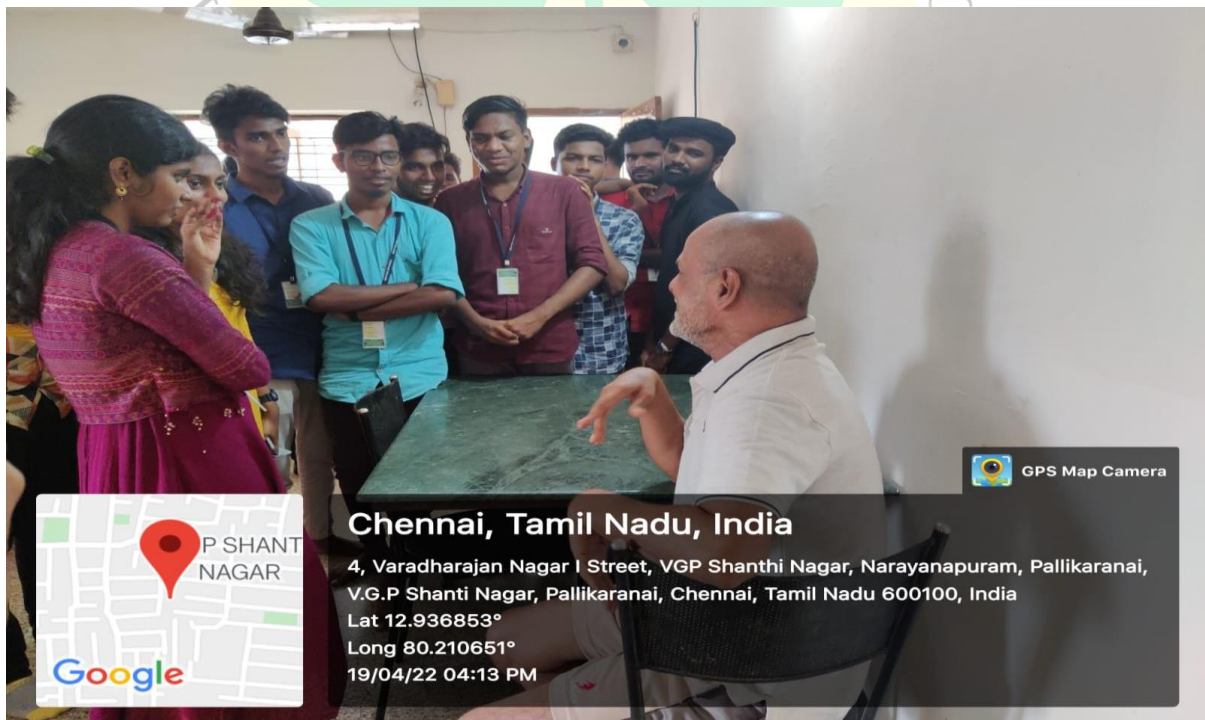

The first year students of Visual Communication actively took part in the visit to the old age home named ‘Idhaya Vaasal’ run by Aarathy Charitable Trust, Pallikaranai on the 19th of April, 2022 from 3pm to 5 am. The activity covered serving food for the elders at the old age home, entertaining them with songs, dance and jokes. The founder and secretary of the home detailed on the history of the home, the activities of the home, fundraising methods for the home, volunteers and supporters of the home etc. The first year students contributed money and raised funds for sponsoring three special meals on the day of their visit. They also gifted two art works (paintings) to the home as a token of love. They spent quality time with the elders and also took a tour to visit the inmates. The elders were extremely happy with the students spending their time at the home and also blessed the students for good health and happiness. The students volunteered their support to the home on the day of the visit. The students were awarded with a certificate of recognition for their support.

Mr. Sathish Kumar, Assistant Professor, Department of Visual Communication and Dr. Mahalakshmi S, Assistant Professor, Department of Electronic Media and Journalism accompanied the students during the activity.

Report on Reach To Teach

Introduction:

Education is the most powerful weapon which you can use to change the world,” It helps people become better citizens, get a better-paid job, shows the difference between good and bad. Education shows us the importance of hard work and, at the same time, helps us grow and develop. Education lessens the challenges you will face in life. The more knowledge you gain the more opportunities will open up to allow individuals to achieve better possibilities in career and personal growth. It improves your emotional intelligence. You become a better person – more like understanding, kind, self-sufficient, love yourself before anyone else, yet self-less. So, this is how education makes life better. It changes your perspective towards life.

Impact of Covid in Education:

The pandemic caused further shocks to the system with schools forced to shut down during the lockdown period, and the transition of students and teachers to online teaching-learning. In India, around 250 million students were affected due to school closures at the onset of lockdown induced by COVID-19.

Reach To Teach:

In the month of December, the Students of I BSW batch 2021-2024 came up with the idea of helping the children and educating them. It's being almost two full years that student's did not attend physical classes and only online classes were carried out. This may not affect the second generation learners as they will have people to guide than in education. The First generation learner's suffered very badly as there were no one guide them properly in terms of education.

The Students of I BSW as part of SEEDS Activity initiated the REACH to TEACH where they identified students near their surroundings and started taking free tuition classes for them. Through This many children got benefited many ice breaking sessions were conducted, activity based learning sessions were carried out for the student's.

Objectives of Reach To Teach:

- To educate the importance of learners.
- To develop interest in studies.
- To Motivate the first generation learners towards education
- To educate the First Generation Learners

Resource Person Profile

Mr. M. Radhakrishnan, M.C.A, M.B.A.

Convener, Thozhan

Mr. M.Radhakrishnan who is a researcher by profession and sphere heading wide range of social activities. At the initial stage, he along with his friends started supporting orphanages which were struggling to sustain and soon realized that there are many other fields which needed attention for the growth of the society. Also he found out that many people especially students are searching for a platform to work with the intention of bringing a change in the country.

Hence Thozhan started to initiate different platforms to collaborate and work on various causes which will have an impact on the society. The work we do are always associated with public and happens in public places hence the volunteers working with the organization are moulded to become leaders. He has been mentoring more than **50,000 college students** across Tamil Nadu in approaching and solving various social issues through leadership programmes every year.

He is an excellent motivator and acts as advisor of leading NGOs working across causes. He has held position as head for disaster management, rehabilitation, community development programmes & research works in leading concerns and with government departments. He is a visionary who is extremely passionate, selfless and tolerant which made him to regularly get featured in newspapers and

prime time debate shows in leading news channels like NDTV, Times Now, CNN, Thanthi TV, News7, Kalaigarnar TV, etc. as panel member representing socio-political issues.

He was awarded as one among **“விவேகானந்தர் தேடிய 100 இளைஞர்கள்”** organized by Puthiya Thalaimurai Channel for the excellence in contribution to the society by involving 1000s of youngsters. The organization was also been recognized by **“India Book of Records”** for conducting **India’s Largest Traffic Awareness Campaign in 100 signals** at same time in Chennai in the year 2016.

He is also conferred as **“Sight Ambassador”** by **“Sankara Nethralaya”** for his contribution in the field of eye donation initiatives. Thozhan was also recognized with **“National Youth Award”** by the **“Ministry of Youth Affairs & Sports”** on 12th August 2021. He works together with others with united hands beyond organization names as he always mentions

“Only the Social reform is important, not organization and its name”

Programme Report

“The Key to Success is Emotional Stability”

In contemporary society, depression, anxiety, and stress are much more common than it was in student's history. The recent studies have outlined that the young adults are experiencing depression and anxiety disorders that are affecting their emotional and mental well-being.

The programme started with the prayer by Ashwin of I BCA (A) and the welcome address & Resource person Introduction by Taha M Lal of I BCA(B). The Resource Person Mr Radha Krishnan, Founder and Managing Trustee of Thozhan Organisation clarifies that emotional stability refers to a person's ability to remain stable and balanced. At the other end of the scale, a person who is high in neuroticism has a tendency to easily experience negative emotions.

The resource person outlined the emotional stability among the students of the schools and Colleges in India. He highlighted that the frequency of occurrence of emotional stability doesn't depend upon the gender of the students. He revealed that anxiety, stress, and depression are emotional conditions. This disorder is very common and it can be experienced by any individual at different stages of life. He outlined the significance of seeking help from family and friends in depression and anxiety. The results revealed that support from friends and family helped in understanding the emotions. It made them emotionally stable and advises from them help in overcoming stress and depression

The programme came to an end with the Vote of Thanks by Swetha V of I BCA(B) and the programme was anchored by Aishwarya S, of I BCA(A).

Outcome of the Programme

The human brain ought to generally be loaded up with respectable contemplations and scholarly thoughts that are useful and helpful. This online course assisted our understudies with investigating new creative abilities. As the quote says “ **The Key to success is Emotional Stability** “ and “ **When stability becomes a habit , Maturity and clarity follow**” our students learnt to be stable emotionally to succeed in their life.

Programme Report

“He Who Plants a Tree , Plants a Hope”. Trees help to combat global warming by absorbing carbon dioxide, removing and storing carbon while releasing oxygen back into the air. They also reduce wind speeds and cool the air as they lose moisture and reflect heat upwards from their leaves. It’s estimated that trees can reduce the temperature in a city by up to 7°C. In order to restore the eco-balance, the afforestation drive was taken with all seriousness.

Department Computer Applications I Year Students organised an extensive Plantation Programme on 28th October 2021 from 12 noon to 3 pm in Chennai Corporation Senior Citizen Park of our locality. The students and teachers selected the empty places to plant saplings in a well-organised way. The saplings were supplied by the I BCA A Students.

The participants were highly enthusiastic to make this event a big success. The students planted saplings, and fenced them and watered the plants in Senior Citizen Park , Kottur Garden. Every step of the programme was appreciated by the Watch Women of the park. The programme created a great stir among the general public too.

Programme Report

“Education is the only key to empower girls”. Girls who receive an education are more likely to lead healthy, productive lives. They earn higher incomes, participate in the decisions that most affect them, and build better futures for themselves and their families. Girls' education strengthens economies and reduces inequality.

In order to create responsibility among the young minds of the Department Students, The Department of Computer Applications in association with SEEDs organized an activity based programme for the girl children in Jeevadhanam Society, Adyar which is situated near the College.

Jeevadhanam Society in Chennai is one of the Social Service Organisations for the Poor, the street children, missing girl children and much more. There were 12 children of various age groups who were staying in the ashram. The Department first year students were accompanied by the faculty members of Department of Computer Applications Dr. Subbulakshmi, Associate Professor, Mrs. Josephine Shanthi, Assistant Professor, Mrs. Sangeetha, Assistant Professor,

Mrs. Annies Mary Jayaseeli, Assistant Professor. The event started with a small introductory session followed by a drawing competition. Program was conducted to children in association with volunteers.

The children of Jeevadhanam showed great interest in these activities and enjoyed them a lot which was reflected through smiles on their faces. The event ended with the distribution of chocolate pencil boxes to all the children. Overall, the event was a great success and volunteers had a great time with the children. Feedback

We celebrated Christmas with Joy and happiness as we made some people celebrate with joy

Outcome of the Programme

The practice of sharing makes you understand when someone else is in need without them telling you the same. Also, sharing gives you a sense of responsibility towards society. When you share, in turn, it shows you care, and people love to be around you for your positive aura.

**Programme Report:**

The World Day of Remembrance for Road Traffic Victims (WDR) is commemorated on the third Sunday of November each year to remember the many millions killed and injured in road crashes, their families and communities, as well as to pay tribute to the dedicated emergency crews, police and medical professionals who daily deal with the traumatic aftermath of road death and injury. It was started by RoadPeace in 1993. Since then it has been observed and promoted worldwide by several NGOs.WHO and the United Nations Road Safety Collaboration encourage governments and NGOs around the world to commemorate this day.This year it was held on Sunday, 21st November 2021

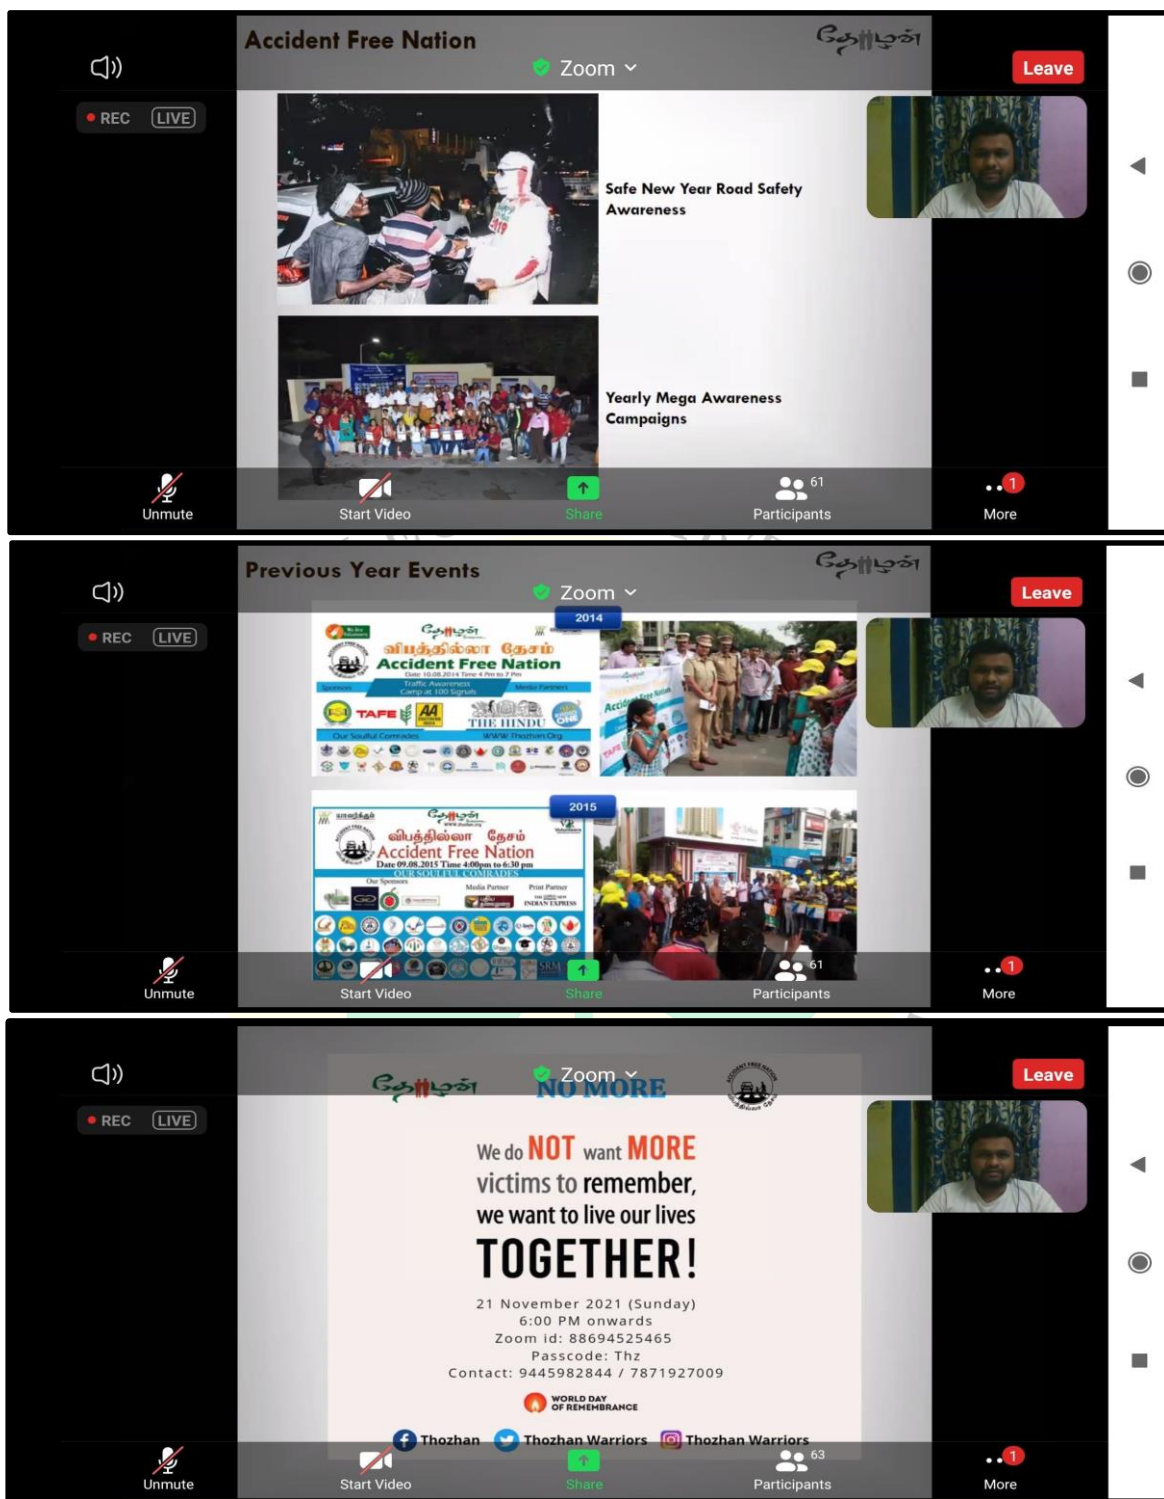

The Department of Computer Applications(Shift 1) in association with Patrician SEEDS joined with Thozhan NGO and organized a webinar on “ No more Road Victims on worlds Remembrance Day” to create awareness among the first year students on road safety issues and how to help the victims in accident spot. The main objective was “ We do not have more victims to remember, we want to live our lives Together” . The Programme was hosted by Mr. Ganesh, Thozhan NGO.

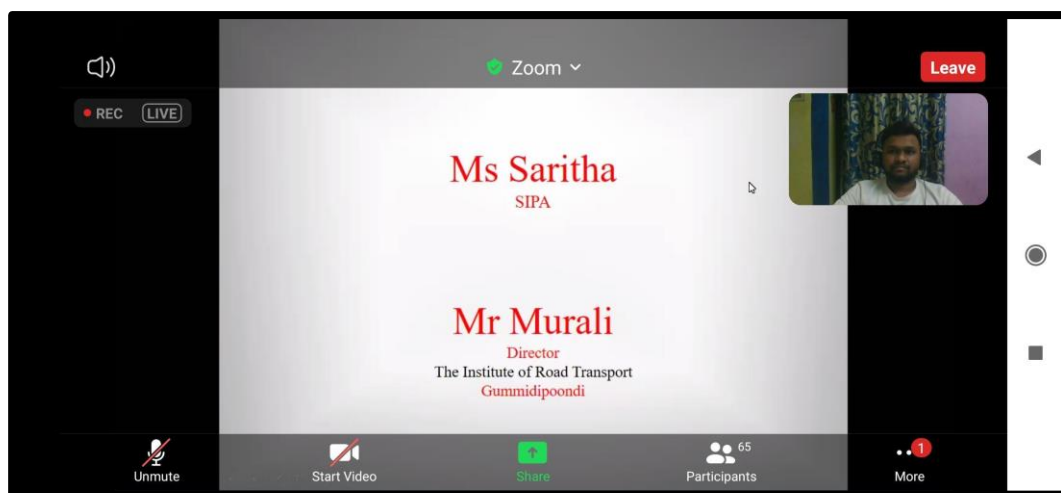

The objectives of the World Day of Remembrance for Road Traffic Victims are to provide a platform for road traffic victims and their families to remember all people killed and seriously injured on the roads and main objective is to promote evidence-based actions to prevent and eventually stop further road traffic deaths and injuries.

The Resource person of the day was Ms. Saritha, SIPA and Mr. Murali, Director, The institute of road transport, Gummidipoondi. The insisted students educate themselves about road safety not to violate the rules at any cost.They thought students about Good Samaritan Law and need of the golden hour.

Many victims of the road accidents from various districts shared their experience and advised the students about the safety issues to be followed and many relatives of the victims also remembered their family members and paid tribute.

Outcome of the Programme

The popular proverb “An idle mind is the devil's workshop” teaches us that evil thoughts enter our mind easily when we are lazy and idle. The human mind should always be filled with noble thoughts and intellectual ideas that are productive and useful. This programme helped our students to **explore new innovative skills**.

TO STRIVE

Students Feedback:

Feedback of traffic awareness campaign conducted by
Thozan foundation on 25th December 2021.

Not all people are aware of everything its ones
duty to make people aware of it. During that
campaign I noticed many people breaking traffic
rules and safety measures by not knowing so the
program was useful even if it reaches one of ten people,
so that our upcoming generations will be aware of
it and it will be a biggest step towards a
accident free nation.

Adyar.

I am A.Thennar Ahmed Sheriff, III Bca's from
Patrician College of arts & Science.

I am very thankful to Thozan foundation for giving
me the opportunity to attend the traffic awaren held
on 25/12/2021.

I learned many things which i did not know before, awaren
it was a good experience to help people understand the
importance of traffic awaren.

lastly, i thank my department & College for giving me the
opportunity to attend the awaren Program.

I will make sure that i will help as much as i can to
make people understand the importance of traffic awaren.

Programme Report

Department of Computer Applications(Shift I) in association with SEEDS conducted its Outreach Programme in Jeevadhanam Society, Adyar , Chennai 20 on.8th March 2022 @ 12:00 noon - Four I BCA students, along with Ms Anandapriya, Assistant Professor, and Ms Annies Mary Jeyaseeli, Assistant Professor went to Jeevadhanam society and given activities in the

basic level of maths to kids those who still didn't get the admission in the school in Jeevadhanam as part of the Outreach Programme.

It's the teacher that makes
the difference, not the
classroom.

Our students really made a difference in the students who haven't stepped out to school by exposing them to various activities.

Outcome of the Programme

Our students can felt that the pure smile in the kids face when they learned new things gave a good holistic feel and made them to realise

“ To make one heart happy can be greater than making a thousand sacred journeys ”

Outcome of the Programme

Through this programme the young girls came to know about the problems faced by the gypsy women in their day today life due to lack of education, job, food and basic needs and it was an eye opener for the young students to know about the value of their education and all the other blessings that God has showered upon them.

The students shared they can

“See God in the Eyes of the Gypsy women when they receive the gifts.”
