Respected Sir/Madam,

**Subject :** Inviting your esteemed college to participate in Bhumi Volunteering Program

Greetings of the day!

**Bhumi is one of India's largest independent youth volunteer non-profit organizations.** Bhumi as a platform enables more than 30,000 volunteers in more than 12 cities across India for causes like education, environment, animals, community welfare etc. To expand our volunteer recruitment drive, we have decided to reach out to educational institutions to carry forward our ambitious projects to make our country a better place.

**Currently, we are recruiting volunteers for the Eco-Champs program, where volunteers have to teach children at government Schools on Saturdays for 2 hours, which are located near to their residence or college.**

***Eco-Champs:***

Eco-Champs is a program for environmental awareness that equips students with the knowledge and practical skills they need to adopt an eco-friendly lifestyle. The Eco-Champs curriculum helps the students to develop 21st-century life skills like empathy, teamwork, critical thinking, and problem-solving ability to support change in their communities.

**Volunteer Role :**

- Mentor/ Teach students through guided sessions and activities focused on environment and education.
- Commitment Period : Minimum 4 Saturdays in a month, 2 hours per day.

After successfully completing their volunteership with us, students are awarded a "Certificate of Volunteering" with the community hours. A "Certificate of Social Responsibility" will be issued if students take more ownership of the project.

We are writing to you today to schedule a student orientation session that can be conducted offline or online, depending on which mode you deem feasible.

We humbly request that you permit our Bhumi team to coordinate with your students. We can begin by getting in touch with your college outreach department/team or any department that you feel will be inclined towards social responsibility, so that we can plan an effective orientation. If you have any queries, please get in touch with us.

**Dear Principal / HoD**

This is to acknowledge and appreciate the students of the Department of English at Patrician College of Arts and Science, Chennai, for volunteering with our Eco champ of Bhoomi Chennai Chapter 33 students from I B.A.. English of Patrician College of Arts and Science, Chennai took ownership in coordinating session material for the school and conducted ground sessions to teach children the importance of safeguarding the environment by practising sustainable lifestyle activities in day-to-day life to school children of classes 3rd to 9th in their campus. These students have conducted this session in 13 Government schools in Chennai and over 1451 students have benefited through the session. The details of the schools and beneficiaries are attached in the annexure. We sincerely appreciate the College for motivating the students to educate their community by joining hands with us to make this world a better place to love

**Bhoomi deeply appreciates the volunteers!**

**Our Support and wishes to them for the best in all their future endeavours.**

**Regards,**

Raja S Pandian,  
Asst-Manager, EcoChamp.

**TITLE – SERVING AND DISTRIBUTING FOOD TO THE  
NEEDY**

**PROGRAM SCHEDULE**

We made the goal in order to serve the needy people to have at least one proper meal a day. So our students donated a variety of rice at least to have a peaceful meal a day. We had a good experience to see a happy face after getting their food parcel.

### **OBJECTIVE**

- To make a better day by having a peaceful lunch for the needy people.
- To have good communication with the needy people and motivate them to be strong.
- To make some betterment in the society

### **NUMBER OF BENEFICIARIES**

In this needy group nearly 45 persons benefited as we provided good meals and we made a general talk to them to know the reason for them to be here.

### **PROGRAM SUMMARY**

In this community these people everyday starve for food but never had a happy lunch, To avoid this we took a small effort on gathering of money and contributed up to our level to these people and also had a friendly talk to engage them from being alone

### **PICTURE CAPTION –STUDENTS DONATING FOOD TO THE POOR**

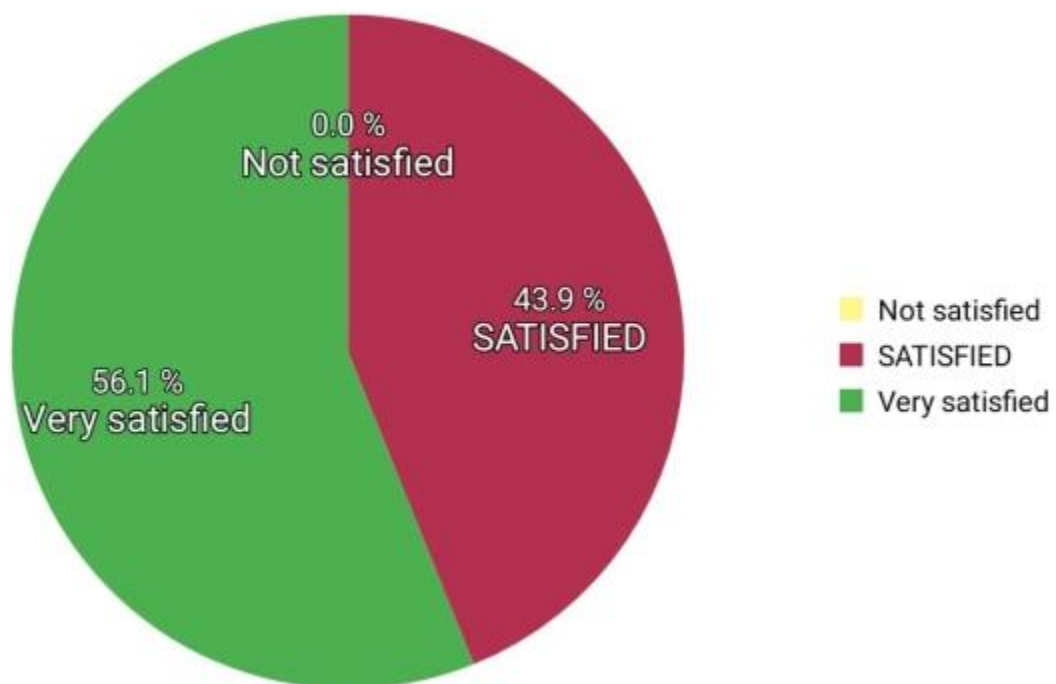

## OUTCOME

As we planned to provide proper food to the poor people we ensured that all were benefited, as they just beg for money in order to stop the stomach from crying. The student contributed Rs. 50 to Rs.100 and so we each donated at least one food per person. The students enjoyed and felt very much satisfied

### **PROGRAM SUMMARY**

In collaboration with FRIENDS OF PEOPLE TRUST we have invited the gypsy community children to visit our campus and witness the learning process so that they will get the inspiration to learn and use education as a weapon to change things for their underdeveloped community even in the 2000's, they lack the basic amenities such as food, clothing, shelter and education. In order to bring about changes in the way people treat them we have joined hands with our tie up NGO and are involved in such activities.

**PICTURE CAPTION** – Students assembled in our college campus and participated in the cultural events

### OUTCOME

The students knew the need for education while teaching to the gypsy community children how they were lacking basic educational needs and realized how privileged they were and to make use of the opportunity they've received. And they assured that they will extend their support in this mission along with the NGO we've tied up – Friends of People Trust.

Patrician college of arts and science

Dear HOD mam,

I hope this letter finds you in good health and spirits. I am writing on behalf of the Friends of People Trust to express our heartfelt gratitude for the invaluable opportunity provided to us through the "Seed Program" at Patrician College.

Our participation in the Seed Program has been a truly enriching experience. It has allowed us to engage with the college community and make a positive impact on the lives of college students and the gypsy community. This program has not only been instrumental in fostering a spirit of collaboration but has also opened doors to new possibilities for our organization.

We want to extend our appreciation for the college's vision in launching the Seed Program and for recognizing the importance of community outreach and partnership. It is through initiatives like these that we can collectively work towards creating a more inclusive and compassionate society.

The support, cooperation, and encouragement extended to us by the college staff, faculty, and students have been instrumental in the success of our outreach efforts. We look forward to continued collaboration and hope to make even more meaningful contributions in the future.

Once again, we express our deepest gratitude for this opportunity, and we remain committed to working together for the betterment of the community.

Thank you for your vision and generosity.

Sincerely,

  
Selvin Gunaraj T

Pongal Care and Share Report

## Objective of the Program

The objective of "care and share" initiatives is to cultivate a culture of empathy, solidarity, and support within communities. By encouraging individuals to empathize with others' needs and challenges, these programs aim to foster a sense of belonging and interconnectedness. Through sharing resources, time, and support, participants contribute to the well-being of their community members, ultimately creating a more inclusive and supportive environment for all. The overarching goal is to promote collaboration, address social issues, and build resilient communities where individuals feel valued and supported.

### **PROGRAM SCHEDULE**

The students were asked to report on 26<sup>th</sup> January 2024, Friday, near Besant Nagar church early morning by around 8am and 10am at Sahaya Illam, St Thomas Mount. They started identifying the senior citizens, interacting with them knowing their difficulties for their livelihood especially in finding restrooms etc, and started distributing clothes like sarees, bedsheets, lungis to them. At Sahaya Illam, they started interacting and spending quality time with the senior citizens who were longing for love, affection and most importantly time. They were all chased out by their children due to some reasons and finally found their solace at Sahaya Illam.

### **OBJECTIVE**

The objective for distributing clothes to the needy is to alleviate poverty, promote dignity, and address emergency situations. This includes supporting vulnerable old aged, encouraging sustainability, empowering communities, facilitating social inclusion, collaborating with our NGO – FRIENDS OF PEOPLE TRUST and raising awareness, and measuring impact for effective and compassionate assistance.

### **NUMBER OF BENEFICIARIES**

During the program nearly 40+ senior citizens have been provided with clothes, bedsheets, groceries and staples.

## PROGRAM SUMMARY

The students felt a big sense of responsibility while serving the elderly people and interacting with them and knowing the difficulties faced by them in their old age. Most of the elders were sent out by their sons/daughters which made them realize to be a good and responsible son/daughter and be socially responsible citizen as well.

**PICTURE CAPTION – Students interacting with senior citizens at Sahaya Illam, St Thomas Mount**

**PICTURE CAPTION – Students sharing a moment at Sahaya Illam, St Thomas Mount**

## OUTCOME

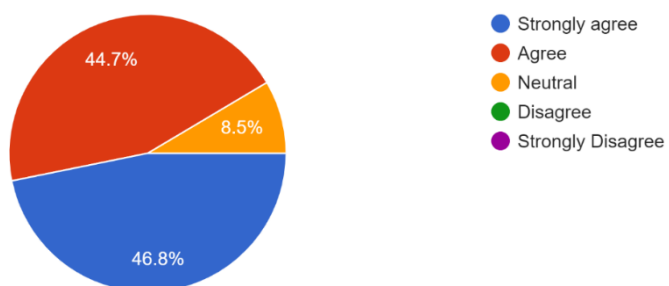

Old age is a sensitive phase where elderly people need care and comfort to lead a healthy life without worries and anxiety. Lack of awareness regarding the changing behavioral patterns in elderly people at home leads to abuse of them by their kin. And hence we took an initiative to solve this problem to a possible extent. Students were deeply moved while interacting with the senior citizens, knowing their difficulties faced even without the basic amenities like clothing, restroom, shelter, etc. and decided to provide support along with Friends of People Trust.

## PROGRAM SUMMARY

In collaboration with FRIENDS OF PEOPLE TRUST we have invited the gypsy community children to visit our campus and witness the learning process so that they will get the inspiration to learn and use education as a weapon to change things for their underdeveloped community even in the 2000's, they lack the basic amenities such as food, clothing, shelter and education. In order to bring about changes in the way people treat them we have joined hands with our tie up NGO and involved in such activities.

**PICTURE CAPTION** – Students assembled in our college campus and participated in the cultural events

Picture along with their guide after lunch

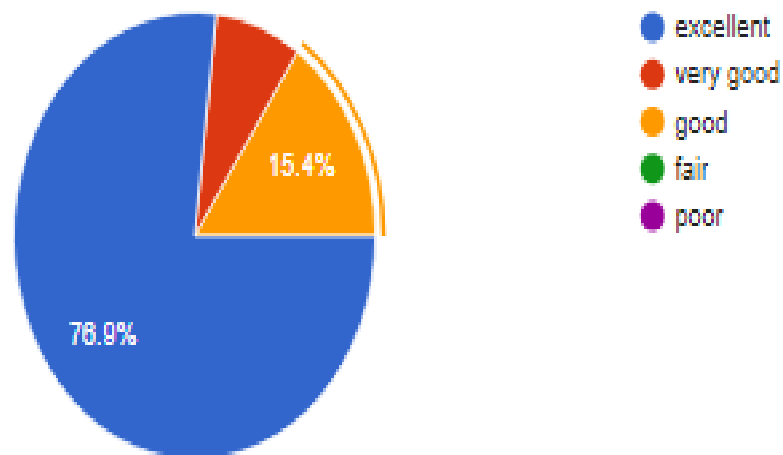

Picture while watching motivational movie in classroom

**OUTCOME**

The students knew the need for education while teaching to the gypsy community children how they were lacking basic educational needs and realized how privileged they were and to make use of the opportunity they've received. And they assured that they will extend their support in this mission along with the NGO we've tied up – Friends of People Trust.

Dear HOD mam,

I hope this letter finds you in good health and spirits. I am writing on behalf of the Friends of People Trust to express our heartfelt gratitude for the invaluable opportunity provided to us through the "Seed Program" at Patrician College.

Our participation in the Seed Program has been a truly enriching experience. It has allowed us to engage with the college community and make a positive impact on the lives of college students and the gypsy community. This program has not only been instrumental in fostering a spirit of collaboration but has also opened doors to new possibilities for our organization.

We want to extend our appreciation for the college's vision in launching the Seed Program and for recognizing the importance of community outreach and partnership. It is through initiatives like these that we can collectively work towards creating a more inclusive and compassionate society.

The support, cooperation, and encouragement extended to us by the college staff, faculty, and students have been instrumental in the success of our outreach efforts. We look forward to continued collaboration and hope to make even more meaningful contributions in the future.

Once again, we express our deepest gratitude for this opportunity, and we remain committed to working together for the betterment of the community.

Thank you for your vision and generosity.

Sincerely,

  
Selvin Gunaraj T

## PROGRAM SUMMARY

In the Gypsy community, the students were teaching the children who lack basic knowledge of the outside world and education, these people remain underdeveloped till now, so we joined hands with FRIENDS OF PEOPLE TRUST and started to provide education to them. They were enthusiastic during the teaching process on

seeing how the children showed interest in education.

**PICTURE CAPTION – Students assembled in the Gypsy community, Pallavaram and started teaching.**

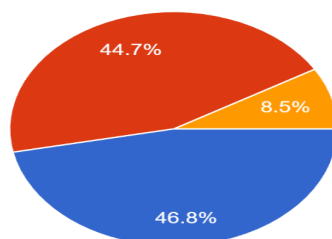

## OUTCOME

The students knew the need for education while teaching to the gypsy community children how they were lacking basic educational needs and realized how privileged they were and to make use of the opportunity they've received. And they assured that they will extend their support in this mission along with the NGO we've tied up – Friends of People Trust.

## TITLE – SERVING THE NEEDY

### PROGRAM SCHEDULE

We have split the students into 2 groups and asked group 1 to assemble on 22nd July 2023, Saturday, at Besant Nagar church early morning and started identifying the senior citizens, interacting with them, and distributing food to them.

## **OBJECTIVE**

- **To support people suffering from hunger and starvation across surrounding, we have initiated the idea to distribute food to needy people along with the NGO – Friends of People Trust.**
- **The motive of this program is to eradicate hunger among the senior citizens in the roadside.**
- **To provide psychological support through interaction to those senior citizens who have lost the sense of belonging.**

## **NUMBER OF BENEFICIARIES**

**During the program nearly 50+ senior citizens have been provided with food and water.**

## PROGRAM SUMMARY

The students felt a big sense of responsibility while serving the elderly people and interacting with them and knowing the difficulties faced by them in their old age. Most of the elders were sent out by their sons/daughters which made them realize to be a good and responsible son/daughter and be socially responsible citizen as well.

**PICTURE CAPTION – Students assembled in Besant Nagar church from there we started identifying senior citizens.**

**PICTURE CAPTION – Students providing food and interacting with them.**

## OUTCOME

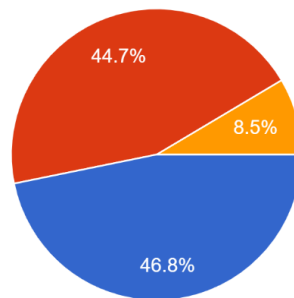

**Old age is a sensitive phase where elderly people need care and comfort to lead a healthy life without worries and anxiety. Lack of awareness regarding the changing behavioral patterns in elderly people at home leads to abuse of them by their kin.**

**And hence we took an initiative to solve this problem to a possible extent. Students were deeply moved while interacting with the senior citizens, knowing their difficulties faced even without the basic amenities like clothing, restroom, shelter, etc. and decided to provide support along with Friends of People Trust.**

**OBJECTIVES OF THE PROGRAM:**

The objective of the visit was to provide support and companionship to the elderly residents of the Manikar and Rajavenkatagiri old age home near Stanley Medical College. The SEED Team from the PG & Research Department of Commerce aimed to bring joy and contribute to the well-being of the senior citizens through donations and spending quality time with them.

**NO.OF. BENEFICIARIES:**

60 Senior citizens

**PROGRAM SUMMARY:**

The visit to the old age home was a heartwarming and successful event. The SEED Team generously donated essential food items and provisions, including biscuits, fruits, soaps, washing powders, toothpaste, and toothbrushes. These contributions aimed to assist the elderly residents in their day-to-day needs and ensure their comfort.

Furthermore, the students from the PG & Research Department of Commerce actively engaged with the senior citizens during the visit. They participated in conversations, shared stories, and attentively listened to the experiences and wisdom of the elderly inhabitants. The interaction brought immense joy and happiness to the residents, fostering a sense of companionship and care.

The event's success would not have been possible without the enthusiastic participation of Dr. S. Gopinathan and the student volunteers, whose dedication and efforts made the visit impactful and meaningful. Their presence added a personal touch to the initiative, leaving a positive and lasting impression on the elderly occupants.

**OUTCOME:**

Overall, the objective of spreading support and joy to the elderly residents of the old age home was fulfilled, and the outcome of the visit was heartening.

Last Saturday we visited the oldage home. It was very blessing for me. The time I spend was very precious for me. That moment is close to my heart. I learned onething that what I saw there was heartlorsaking to see them there away from their family, their grandchildren. I learned a lesson from this no one should leave their parents to the oldage homes. The old people in the oldage home they don't need money etc. But they all need is love and care. So please don't leave your parents to any oldage homes.

I Thank Dr. Jayinath Sir for giving me this wonderful opportunity.

**Objective of the Event:**

The objective of the event was to create a meaningful and impactful experience for the students from the PG & Research Department of Commerce. The visit aimed to provide the students with an opportunity to engage with the inhabitants of 'The Tamilnadu Blind Association Visually Impaired Home' in Tondiarpet. Through this interaction, the event sought to promote empathy, compassion, and a better understanding of the challenges faced by visually impaired individuals. Additionally, the event aimed to instill a sense of gratitude and appreciation among the students by giving them an opportunity to serve and support those in need.

**Event Report:**

On 29th July 2023, the SEED (Social Empowerment through Education and Development) Team, along with students from the I B.Com D section, visited 'The Tamilnadu Blind Association Visually Impaired Home' located in Tondiarpet. The team was led by Dr. S. Gopinathan, who played a crucial role in organizing and coordinating the visit. The event commenced with a warm welcome from the staff and inhabitants of the visually impaired home. The students were introduced to the residents, and a brief orientation was provided to sensitize them about interacting with visually impaired individuals. Throughout the visit, the students displayed enthusiasm and a positive attitude, creating a friendly and inclusive atmosphere.

During their stay, the students spent quality time with the inhabitants, engaging in conversations, and actively listening to their stories and experiences. This interaction not only brought smiles to the faces of the residents but also left a profound impact on the students, as they gained a deeper appreciation for the resilience and strength displayed by the visually

impaired individuals. As part of the event, the students prepared and served snacks to the residents, adding joy and delight to the atmosphere. The act of serving fostered a sense of compassion and reinforced the importance of caring for the less fortunate members of society.

Furthermore, the students actively participated in cleaning the premises, demonstrating a sense of responsibility and respect for the living space of the visually impaired individuals. This activity also provided an opportunity for the students to work together as a team and understand the value of collective effort in contributing to a greater cause.

**Program Outcome:**

The visit to 'The Tamilnadu Blind Association Visually Impaired Home' proved to be an immensely rewarding experience for the students and the SEED Team. The program outcomes can be summarized as follows:

**1. Enhanced Empathy and Understanding:** Interacting with the visually impaired inhabitants allowed the students to develop a deeper sense of empathy and understanding towards the challenges faced by the visually impaired community. This firsthand experience helped break down barriers and dispel misconceptions about disability.

**2. Cultivated Gratitude and Compassion:** Through serving snacks and spending quality time with the residents, the students learned to appreciate the blessings in their lives. The experience of making a positive impact on the lives of others fostered a sense of compassion and responsibility towards the less privileged.

**3. Promoted Social Responsibility:** Engaging in cleaning activities at the premises instilled a sense of social responsibility among the students. They recognized the significance of maintaining a clean and conducive environment for the visually impaired individuals.

**4. Inspired Commitment to Service:** The visit left a lasting impression on the students, inspiring many to continue engaging in community service and making a difference in the lives of others.

The SEED Team's visit to 'The Tamilnadu Blind Association Visually Impaired Home' was a resounding success, achieving its objective of fostering empathy, gratitude, and social responsibility among the students. The program not only benefited the inhabitants of the visually impaired home but also positively impacted the lives of the students, encouraging them to become compassionate and responsible citizens of society.

Special thanks to Dr. S. Gopinathan, Dr. U. Rohith and the student volunteers of I B.Com D section for their enthusiastic participation and dedication in making this visit a meaningful and memorable one.

#### **FEEDBACK WITH ATR**

The SEED Team hopes to continue its efforts to support and uplift the lives of Visually impaired, appreciating their invaluable contributions to society.

We had an opportunity to visit  
Tambada association of blind through my college  
I went there and had a chance to  
meet and spend some time with blind people  
they are visually impaired but they are  
more forward and helping than us.

The visit to blind association was  
very helpful I felt really blessed  
about my life after seeing my age  
girls being blind and suffering to help  
themselves for doing stuff for herself.  
I felt really hard to watch them  
without their parents company. I thank  
God and people who and my college  
for giving this opportunity

This time we went to visit  
blind association of Tambada for our  
social program. We all went wearing white  
as our dress code, signifying sign of purity  
and equality. We met and talked  
with them. spent some quality time.  
We even gave bread and fruits to them.  
They all prayed and wished for us  
to be happy and healthy. They wished  
us to lead a happy life with what  
we have.

Feedback on the visit to visually impaired  
people

Last Saturday we the students of  
I B.Com.D were taken to visit  
Tambada blind association and spent  
some time with them. It was very  
inspiring. We were made to realize  
the value of our lives. We spent  
some time with them, we talked to them.  
They all said they were grateful to us.  
I learnt very important thing that  
we should be happy and satisfied for  
what we have.

I went to attend people association in tendabagar with my friends. I saw the alter of people who are suffering to see the world. It was a nice experience to me. We helped them for a day work and spent a beautiful time with them. The people of association were very sweet and hope they were enjoyed well with us. I have got the opportunity to spend the time with them because of Dr. S. Gopalan Sir and teacher.

I went to attend people association in tendabagar with my friends and colleagues as a SED programme of my college. It was a nice experience of my life. We helped them for a day work and spent a quality time with them. The people of the association were very sweet and hope they were enjoyed being with us. From that day I realized a thought that I have to help a lot of people like them. A warm thank for my college department of SED course and specially to Dr. S. Gopalan and professor, Kallu.

**Objective:**

The objective of the "Senior Citizen Home Cover-Up" event, organized by the PG & Research Department of Commerce at Patrician College of Arts & Science, was to conduct a whitewashing (painting) activity at the Monegar & Rajah Venkatagiri Choultries Home for Aged Destitutes. The aim was to revitalize the living environment for the senior citizens residing there, creating a cleaner and more pleasant space for them. The event provided an opportunity for students of I B.Com General to actively engage in a community service project and contribute positively to society.

**Report**

The event took place on Saturday, 12th August 2023, starting at 10:00 AM, at the Monegar & Rajah Venkatagiri Choultries Home for Aged Destitutes. The initiative was led by Dr. S. Gopinathan and Dr. U. Rohit, faculty members from the PG & Research Department of Commerce, with the participation of students from I B.Com General.

**The event was structured as follows:**

1. Orientation and Preparation: The participating students were provided with an orientation about the importance of community service and the significance of the event. They were guided on the proper techniques and procedures for whitewashing walls.

2. Whitewashing Activity: Divided into teams, the students actively engaged in the process of whitewashing the walls of the senior citizens' home. They worked together to ensure thorough coverage, paying attention to detail and quality.

3. Interaction and Engagement: In addition to the painting activity, students and faculty members interacted with the elderly residents. This interaction aimed to provide emotional support, companionship, and a sense of connection to the senior citizens.

4. Acknowledgment and Refreshments: At the conclusion of the event, refreshments were provided for both the volunteers and the residents. Dr. S. Gopinathan and Dr. U. Rohit expressed their appreciation to the students for their active involvement and emphasized the positive impact of their efforts.

### **Program Outcome:**

The "Senior Citizen Home Cover-Up" event resulted in several significant outcomes:

1. Enhanced Living Environment: The painting activity led to a transformed and refreshed living environment for the senior citizens. The revitalized appearance of the facility contributed to the overall well-being and comfort of the residents.

2. Community Connection: The event facilitated meaningful connections between the students and the elderly residents. This interaction fostered a sense of community and belonging, which can have positive emotional and psychological effects on both groups.

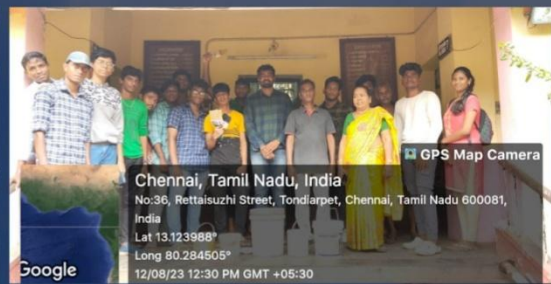

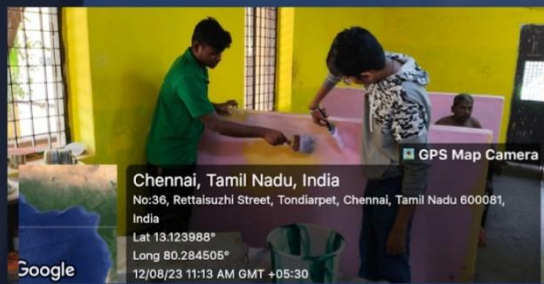

3. Skill Development: Participating students gained practical experience in painting and teamwork. They learned valuable skills related to event organization, collaboration, and hands-on community engagement.

4. Social Awareness: The event raised awareness among students about the challenges faced by senior citizens and the importance of contributing to their quality of life. It highlighted the role of educational institutions in promoting social responsibility.

In conclusion, the "Senior Citizen Home Cover-Up" event achieved its goal of improving the living conditions for the senior citizens at Monegar & Rajah Venkatagiri Choultries Home for Aged Destitutes through a whitewashing initiative. The event demonstrated the dedication of the PG & Research Department of Commerce and the students of Patrician College of Arts & Science to making a positive impact through community service.

**Objective of the Event:**

The primary objective of the SEED program "Services to the Cancer Hospital" was to instill a sense of social responsibility and empathy among the students. The program aimed to raise awareness about the challenges faced by cancer patients and their families, as well as to provide hands-on experience in serving and supporting them.

**Report of the Event**

The program encompassed a range of activities designed to offer a holistic experience for the participants. The content of the program included:

**1. Orientation:** A brief orientation was conducted to provide participants with insights into the Cancer Institute Adyar's mission, the services they offer, and the importance of their work in the community.

**2. Interaction with Patients:** Students had the opportunity to interact with cancer patients and their families, listen to their stories, and provide emotional support. This interaction aimed to create a more empathetic and understanding perspective among the participants.

**3. Assisting Hospital Staff:** Participants engaged in various tasks such as helping hospital staff with non-medical chores, distributing essentials to patients, and creating a warm and welcoming environment for patients and their families.

**4. Awareness Session:** An awareness session about cancer prevention, early detection, and the importance of support for cancer patients was conducted by hospital professionals. This session aimed to educate participants and sensitize them to the challenges faced by cancer patients.

#### **Program Outcome:**

The SEED program "Services to the Cancer Hospital" yielded several positive outcomes:

**1. Enhanced Empathy:** Students developed a deeper understanding of the challenges faced by cancer patients and their families. This led to increased empathy and a greater sense of social responsibility.

**2. Community Engagement:** The program facilitated meaningful engagement with the community, allowing students to contribute positively to society.

**3. Skill Development:** Participants acquired valuable soft skills such as communication, compassion, teamwork, and adaptability through their interactions with patients and hospital staff.

**4. Awareness:** The awareness session provided participants with important information about cancer prevention and support, which they could share with their peers and family members.

#### **Participants:**

The SEED program "Services to the Cancer Hospital" saw active participation from the following group:

Students: I B.Com C

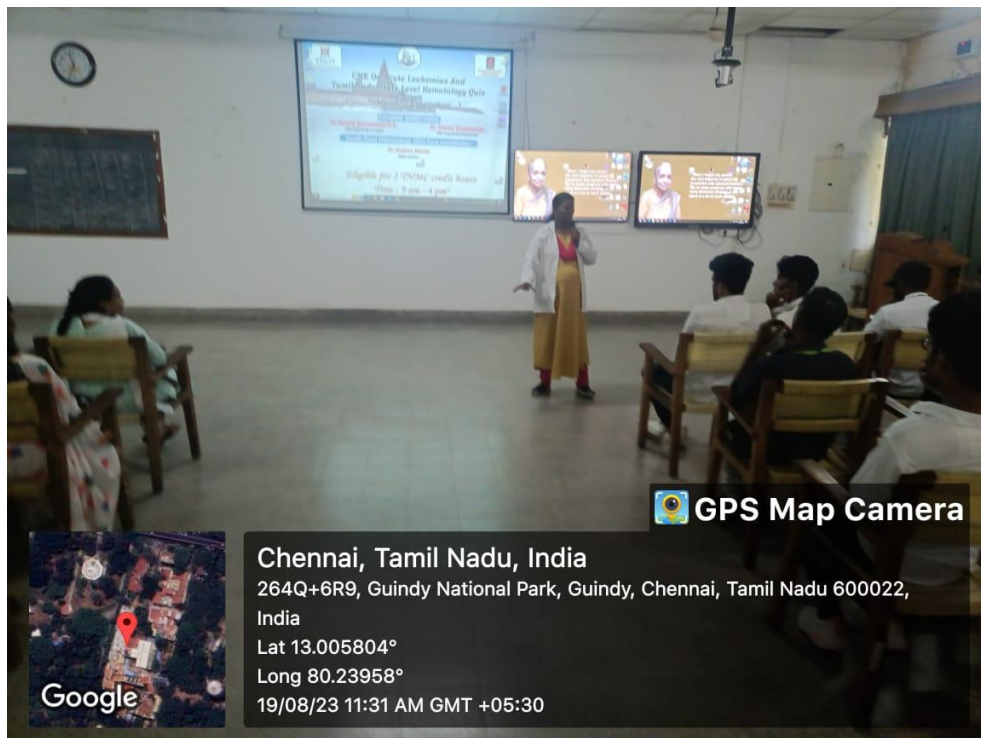

Staff: Dr. S. Gopinathan and Mrs. Y. M. Shiney

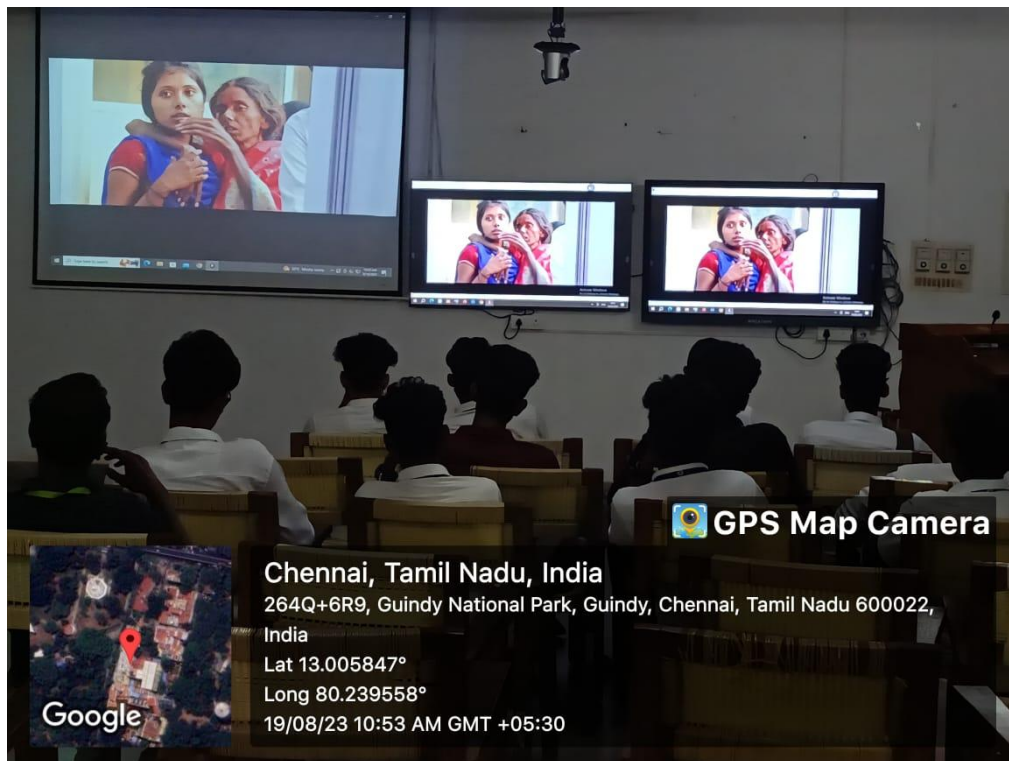

In conclusion, the SEED program "Services to the Cancer Hospital" organized by the PG & Research Department of Commerce Shift - I was a successful initiative that achieved its objectives of fostering empathy, community engagement, and skill development among the participating students. The program not only contributed to the noble cause of supporting cancer patients but also left a positive impact on the students' personal growth and awareness.

We express our gratitude to the Cancer Institute Adyar for their cooperation and support in making this program a meaningful experience for all involved.

**Community Greening is a Series of Program organised along with NIZHAL total number of beneficiaries 4,99,029 (public)**

#### **Objective of the Event:**

The SEED program, organized by the PG & Research Department of Commerce, Shift -I, in collaboration with NIZHAL "Community Greening," aimed to promote environmental awareness, community involvement, and sustainable practices. The objective was to inspire students and participants to actively engage in environmental conservation efforts and contribute to the green initiatives within their communities. The program sought to educate, inspire, and empower participants to make a positive impact on the environment.

#### **Report of the Event**

The SEED program commenced on Saturday, 16th September 2023, 23<sup>rd</sup> September and 30<sup>th</sup> September at three significant locations: Cancer Institute Adyar, Velachery MRTS, and Madhavaram Urban Forest. The event started at 6:00 am and continued until 9:00 am. The program was structured as follows:

1. **Tree Plantation Drive:** Participants actively participated in a tree plantation initiative at all three locations. Indigenous and environmentally significant tree species were planted to enhance biodiversity and improve the overall green cover of the areas.
2. **Awareness Workshops:** Informative workshops were conducted, focusing on topics such as sustainable living, waste management, and the importance of green spaces in urban environments. Experts and environmentalists shared valuable insights, inspiring participants to adopt eco-friendly practices in their daily lives.

3. Clean-up Campaign: A clean-up campaign was organized to remove plastic waste and litter from the designated areas. Participants, equipped with gloves and garbage bags, worked together to clean the surroundings, fostering a sense of responsibility towards maintaining a clean environment.

4. Interactive Sessions: Interactive sessions were held to engage participants in discussions about environmental challenges and solutions. Participants had the opportunity to ask questions, share ideas, and learn from each other's experiences, fostering a sense of community and collaboration.

### **Program Outcome:**

The SEED program achieved remarkable outcomes, including:

1. Increased Green Cover: The tree plantation drive significantly contributed to increasing the green cover in the designated areas, enhancing the overall environmental aesthetics and ecological balance.

2. Awareness and Education: Participants gained valuable knowledge about environmental issues, sustainable practices, and the importance of community involvement. The workshops and interactive sessions sparked awareness, encouraging participants to become environmental ambassadors within their communities.

3. Community Engagement: The program fostered a sense of community among the participants and local residents. It encouraged active participation and collaboration, laying the foundation for future environmental initiatives.

4. Cleaner Environment: The clean-up campaign resulted in the removal of a substantial amount of plastic waste and litter from the areas, creating a cleaner and healthier environment for everyone.

5. Inspiration for Future Initiatives: The SEED program served as an inspiration for future environmental initiatives, encouraging participants to continue their efforts in promoting green living, conservation, and community greening.

The SEED program in association with NIZHAL "Community Greening" was a resounding success, leaving a positive impact on the environment, participants, and the community at large. Through collective efforts, the program not only enhanced the green spaces but also cultivated a sense of responsibility and environmental stewardship among all participants.

**Participants:**

1<sup>st</sup> B.com., students are participated the program. Totally 23 students are actively participated,

**Conclusion:**

The SEED Program in association with NIZHAL Week 2 "Community Greening - Loosening the Soil" successfully achieved its objectives. The event not only educated participants about essential environmental concepts but also empowered them to become ambassadors of change in their communities. Through such initiatives, a greener and more sustainable future is within reach, one community at a time.

# பாட்ரிசியன் கலை மற்றும் அறிவியல் கல்லூரியில் போதைப் பொருள் எதிர்ப்பு தின அனுசரிப்பு

பாட்ரிசியன் கலை மற்றும் அறிவியல் கல்லூரியில் கடந்த 06.07.2023 அன்று போதைப் பொருள் எதிர்ப்பு தினமாக அனுசரிக்கப்பட்டது. சென்னை அடையாறு காவல் சரகம், காவல்துறை ஆய்வாளர் இராமகந்தரம் நிகழ்ச்சிக்கு தலைமை தாங்கினார். வணிகவியல் துறையினர் சார்ந்த 300 மாணவர்கள் கலந்துக் கொண்ட இந்நிகழ்ச்சியில் போதை விரிப்பிற்கான

உறுதிமொழியினை கல்லூரியின் செயலாளர் அருட்சேகரதரர் ஸ்டனில்லாஸ் முன்மொழிய மாணவர்கள் போதையினை எந்த வடிவிலும் எடுத்துக்கொள்ள மாட்டோம் என்று உறுதிமொழிப் பூண்டனர். போதைப் பழக்கங்களினால் உடல் அளவிலும், குடும்பத்திலும், சமுதாயத்திலும் ஏற்படும் விளைவுகளை கல்லூரி முதல்வர் முனைவர்

ஆரோக்ஷியமேரி தீதா தாஸ் எடுத்துக் கூறி விழிப்புணர்வை ஏற்படுத்தினார். உறுதிமொழியேற்றதைத் தொடர்ந்து, தலைமை விரித்தினர் காவல்துறை ஆய்வாளர் இராமகந்தரம், கல்லூரியின் செயலாளர் அருட்சேகரதரர் ஸ்டனில்லாஸ், கல்லூரியின் கல்வி இயக்குநர் முனைவர், பாத்திமா வசந்த், கல்லூரியின் முதல்வர் முனைவர்

தீதா தாஸ், கல்லூரியின் துணை முதல்வர் முனைவர், அனந்தபிரியா, வணிகவியல் துறை இணை பேராசிரியை முனைவர், மீனா ஆகியோரால் போதைப் பழக்கங்களுக்கெதிரான பிரச்சார வாசகங்கள் முழங்கப்பட்டு உள்வலம் துவக்கி வைக்கப்பட்டது. மாணவர்கள் விழிப்புணர்வு வாசகங்களை உரக்க ஒலித்து உள்வலமாகச் சென்று விழிப்புணர்வு

சென்னை கோட்டுப்பூரம் இரயில் நிலையம் அருகில் மாணவர்கள் மனிதச் சங்கிலியாக நின்று போதைப் பொருட்களுக்கு எதிரான வாசகங்களை எழுப்பி பரப்புரை செய்தனர். இந்த விழிப்புணர்வு நிகழ்ச்சியினை கல்லூரியின் வணிகவியல் துறையும், கல்லூரியின் போதைப் பொருட்களுக்கு தடுப்புக் குழுவும் இணைந்து நடத்தியது. மிகவும்

**PROGRAMME SCHEDULE**

**Date: 30.09.23**

- **Prayer**
- **Welcome Address – Dr. Rohit**
- **Kabasura Kudineer distribution – Dr. Chellamma**
- **Vote of Thanks – Dr. S. Gopinathan**

**Objective of the Event:**

- To make awareness of causes and symptoms of Dengue
- To provide Kabasura Kudineer to the students

**Report of the Event**

The primary objective of the SEED (Social, Environmental, and Educational Development) program organized by our department, in association with the Greater Chennai Corporation, was to raise awareness about Dengue, a vector-borne disease, among the community. The aim was to educate individuals about preventive measures, early symptoms, and the importance of prompt medical attention. Additionally, the distribution of Kabasura Kudineer, a herbal concoction known for its potential health benefits, aimed to enhance community health and immunity.

**Main Content:**

1. Dengue Awareness Programme:

The event commenced with informative sessions conducted by medical professionals and experts.

Topics covered included:

**Dengue Prevention:** Information on eliminating breeding grounds for mosquitoes, proper waste disposal, and use of mosquito repellents.

**Recognizing Symptoms:** Detailed explanation of common Dengue symptoms to encourage early diagnosis and treatment.

**Medical Assistance:** Guidance on when and where to seek medical help if Dengue symptoms are observed.

## 2. Kabasura Kudineer Distribution:

At 12:00 pm, Kabasura Kudineer, a traditional herbal remedy known for its immune-boosting properties, was distributed to all attendees at the college entrance. Health professionals were present to guide individuals on its proper usage and benefits.

### **Program Outcome:**

#### 1. Increased Awareness:

The Dengue Awareness Programme successfully educated the community about the importance of preventive measures and early detection. Attendees gained knowledge about reducing mosquito breeding sites, which is crucial in preventing the spread of Dengue.

#### 2. Timely Medical Intervention:

By understanding the symptoms and importance of early medical intervention, attendees are now equipped to recognize Dengue in its initial stages. This knowledge can lead to timely medical consultations, reducing the severity of cases and potential fatalities.

### 3. Health Promotion through Kabasura Kudineer:

The distribution of Kabasura Kudineer contributed to the community's health. This traditional remedy, coupled with awareness, not only strengthens immunity but also promotes a sense of community well-being.

### 4. Community Engagement:

The event fostered a sense of community engagement. Participants actively interacted with medical professionals, clarifying doubts and gaining insights. Such interactions enhance community health literacy, empowering individuals to make informed decisions about their health.

### 5. Strengthened Partnerships:

The collaboration with the Greater Chennai Corporation strengthened the relationship between the community and local health authorities. This partnership is crucial for the sustained implementation of health awareness programs and initiatives.

The SEED program's Dengue Awareness Programme, in collaboration with the Greater Chennai Corporation, proved to be a successful initiative in educating the community about Dengue prevention and management. Through informative sessions and the distribution of Kabasura Kudineer, the event contributed significantly to community health and well-being. We extend our gratitude to all participants, experts, and partners for their active participation, making the event a resounding success.

**Participants:** 280 instant exam writers (Out side students) are benefitted

Conclusion:

The SEED program's Dengue Awareness Programme, in collaboration with the Greater Chennai Corporation, proved to be a successful initiative in educating the community about Dengue prevention and management. Through informative sessions and the distribution of Kabasura Kudineer, the event contributed significantly to community health and well-being. We extend our gratitude to all participants, experts, and partners for their active participation, making the event a resounding success.

## SEED EVENT REPORT

### AIDS Awareness Program & Awareness Sticker Pasting Program

**Date: 16.02.24**

**No. of participants: 106**

**Objective:**

The primary objective of the AIDS Awareness Program, organized by the PG & Research Department of Commerce in collaboration with Patrician SEEDS, was to disseminate vital information, foster understanding, and promote awareness regarding HIV/AIDS. The event aimed to address misconceptions, break stigmas, and encourage a proactive approach toward the prevention and support associated with this critical health issue.

## INVITE

## Report:

The event unfolded on 16.02.2024 at 11.30 am, with an enthusiastic turnout of participants, including students, faculty, and community members. The program commenced with a warm welcome and an invocation, setting the tone for a day filled with insightful discussions and shared learning. Distinguished resource persons, including Mrs. Bharani, and Ms. Dowlath, provided valuable insights into the current scenario of HIV/AIDS, focusing on prevention, treatment, and support services available in our community. Their presentations were informative, engaging, and tailored to address the diverse audience, comprising students and members of the local community.

Interactive sessions, facilitated by our resource persons, encouraged open dialogue, dispelled myths, and encouraged participants to actively contribute to the fight against HIV/AIDS. The collaborative efforts of the PG & Research Department of Commerce and Patrician SEEDS resulted in a dynamic program that combined educational elements with a sense of community involvement.

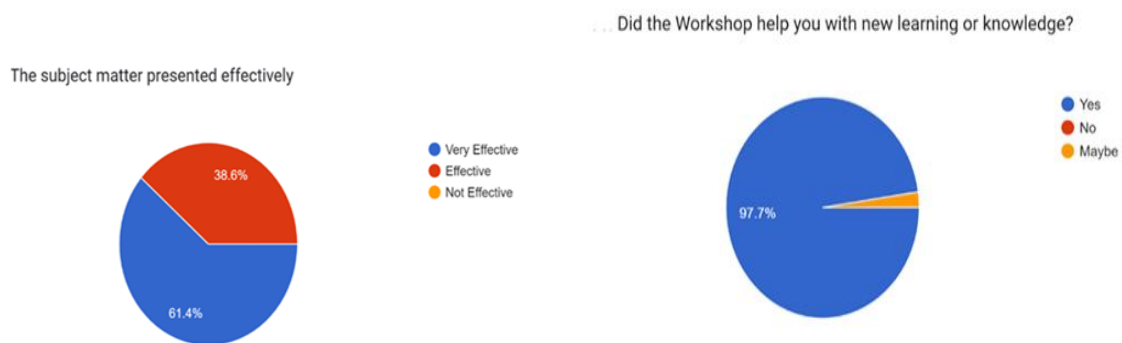

## Program Outcome:

The AIDS Awareness Program yielded positive outcomes in terms of knowledge dissemination, attitudinal shifts, and community engagement. Participants gained a clearer understanding of the challenges posed by HIV/AIDS and the importance of breaking societal stigmas associated with the condition. The collaborative efforts of the PG & Research Department of Commerce and Patrician SEEDS successfully fostered an environment conducive to open discussions, enabling the sharing of experiences and knowledge.

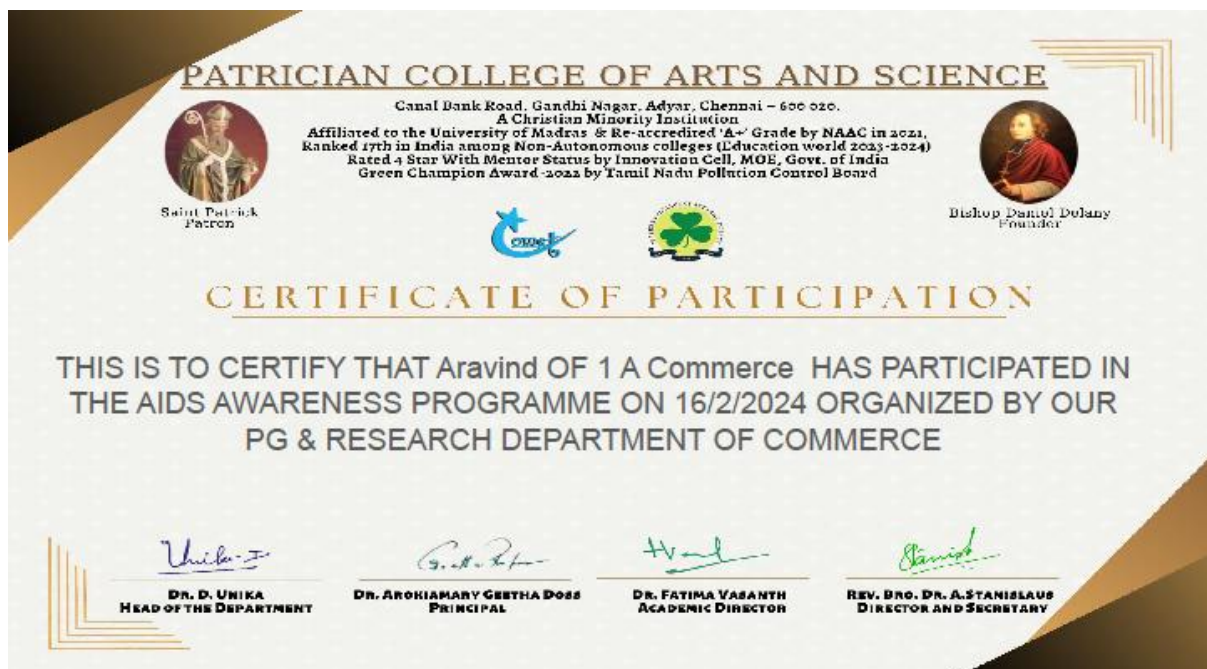

Moreover, the event sparked an increased interest in community health and social responsibility among the participants. The collaboration between academia and community organizations, as exemplified by the PG & Research Department of Commerce and Patrician SEEDS, showcased the potential for impactful partnerships in addressing public health issues.

On 15th July 2023, a highly successful Eye Camp was organized by the PG and Research Department of Commerce in collaboration with the India Vision Institute at Kotturpuram Housing Board. The camp aimed to provide eye care services to the general public and create awareness about the importance of regular eye check-ups. The event was made possible through the efforts of Mrs. Maheshwari and Ms. Rathinapriya, experienced optometrists.

### **Camp Details**

The eye camp held at Kotturpuram Housing Board witnessed an enthusiastic response from the local community. A total of 72 individuals benefitted from the camp, receiving various eye care services, including vision screenings, eye examinations, and guidance on maintaining good eye health.

### **Services Provided:**

1. **Vision Screenings:** Participants underwent vision screenings to assess their visual acuity and identify any potential refractive errors.
2. **Eye Examinations:** Comprehensive eye examinations were conducted by the optometrists to detect and diagnose any ocular abnormalities or eye conditions.

**3. Prescription Glasses:** Individuals requiring corrective lenses were provided with appropriate prescriptions, and prescription glasses were distributed to those in need.

**4. Eye Health Education:** Mrs. Maheshwari and Ms. Rathinapriya conducted informative sessions, educating participants about proper eye care practices, including the importance of regular eye check-ups, protection against harmful UV rays, and maintaining a healthy diet for good eye health.

### **Impact and Benefits**

The eye camp brought significant benefits to the participants and the community at large.

The following outcomes were observed:

1. **Improved Vision:** Participants who were identified with refractive errors received prescription glasses, thereby enhancing their vision and quality of life.

2. **Early Detection of Eye Conditions:** The eye examinations helped identify potential eye conditions and abnormalities in their early stages, enabling timely intervention and treatment.

3. **Awareness and Education:** The eye camp raised awareness about the importance of eye care and provided valuable information on maintaining good eye health. This knowledge will contribute to preventing vision-related problems in the future.

The Eye Camp was a resounding success. With the dedicated efforts of Mrs. Maheshwari and Ms. Rathinapriya, 72 individuals from the general public received much-needed eye care services and education. The camp contributed to improved vision, early detection of eye conditions, and increased awareness about eye health. Such initiatives play a crucial role in promoting eye care and ensuring a healthier community.

## Report

Students learnt about the Creating and maintaining a Miyawaki forest is a commendable effort in ecological restoration and afforestation. These forests, are known for their ability to rapidly restore biodiversity and enhance environmental quality. Maintaining a Miyawaki forest is a continuous endeavor that requires dedication, community involvement, and a long-term vision. The achievements over the past year demonstrate the positive impact such forests can have on the environment and community.

- Conservation: Encourage the conservation of native or endangered tree species by highlighting their importance.
- Navigation: Assist with wayfinding by using the name boards as landmarks or points of reference in parks, gardens, or natural reserves.
- Aesthetic Enhancement: Enhance the visual appeal of an area by adding informative and visually appealing name boards.
- Community Engagement: Foster a sense of community involvement by involving local residents or organizations in the installation and maintenance of these name boards.

## Benefits for Each Tree:

- Species Identification: Visitors can easily identify and appreciate each tree species, fostering a greater connection with the natural environment.
- Educational Value: Providing information about the tree's characteristics, uses, and significance in the local ecosystem can educate people about their surroundings.
- Environmental Awareness: Highlighting the importance of native or endangered species encourages environmental conservation efforts.
- Aesthetic Value: A well-maintained name board can enhance the overall aesthetics of the area, making it more appealing to visitors.
- Conservation: By drawing attention to specific trees, name boards can contribute to the conservation of rare or endangered species by increasing awareness and protection efforts.
- Cultural Significance: Some trees may have cultural or historical significance, and the name board can educate people about these aspects of their local heritage.
- Research and Study: Name boards can be valuable for researchers and students studying the local flora, providing a convenient reference for their work.
- Preservation: Promoting awareness of the trees can help prevent their removal or damage during construction or development projects in the area.

### Report

The students of Data Science and Maths had the privilege of visiting a remarkable facility dedicated to providing care and support for individuals facing both mental and physical challenges by the Andhra Mahila Sabha (AMS), RA Puram. During the visit, they had the opportunity to interact with some of the residents. The staff there demonstrated a deep commitment to the well-being of the residents, fostering an atmosphere of warmth and encouragement. Despite the challenges faced by the residents, their resilience and positive spirits were evident especially in the tailoring and craft making unit. The products they produced were outstanding and remarkable. Another standout feature at AMS is its dedicated and compassionate staff. The caregivers and support personnel exhibit a genuine commitment to the residents' welfare, offering round-the-clock care and support. While AMS strives to create a nurturing environment, it is not without its challenges. The facility faces financial constraints and relies on community support and donations to maintain its operations. The visit to AMS left a lasting impression on the students. The resilience and courage displayed by the residents, coupled with the dedication of the staff, create a haven where individuals facing mental and physical challenges can thrive. While there are challenges to be addressed, the commitment of the facility and its staff to enhancing the quality of life for its residents is truly commendable. It is a reminder of the importance of fostering inclusivity and compassion in our communities.

## Report

The Road Awareness Program was conducted in the Traffic signal near Spencer Plaza , Anna Salai with the help of D2-Police Station and Tr. Venkatraj. Students were divided into groups and were told to educate the public for road safety awareness when the traffic signal goes red. Students brought placards and charts about road safety measures and showed it to the public when they were waiting at the signal. Pamphlets were also distributed to create awareness. A mime on the same concept was also played with the help of traffic police. The Public corporated very well with the students and even enquired about some traffic rules. The road awareness program in Anna Salai, Chennai, proved to be a valuable initiative in promoting road safety and creating awareness among the community. Continued efforts in organizing such programs are essential to building a culture of responsibility and compliance with traffic regulations.

Objective:

The primary objectives of the Computer Literacy Program were as follows:

- To empower the residents of Malligaipoo Nagar with basic computer skills.
- To bridge the digital divide and promote inclusivity by offering computer education at their doorsteps.

On 4<sup>th</sup> August 2023, a group of approximately 10 students from I BCA A, under the guidance of Mrs. Mary Julie, visited the residents of Malligaipoo Nagar to deliver the

computer literacy program. The students actively approached the residents at their homes, introducing the program and its benefits. The participants were taught fundamental computer skills, including operating a computer, using a mouse and keyboard, opening and closing applications, and basic internet navigation. The residents were introduced to email communication and internet browsing, highlighting the importance of online resources. Hands-on sessions were conducted, allowing participants to practice the newly acquired skills on provided computers.

**Outcome:**

By reaching out to the residents in their homes, the program removed potential barriers to participation, ensuring that computer education was accessible to those who might not have had previous opportunities. The program also provided an introduction to internet usage, including email communication and internet browsing. Highlighting the importance of online resources can empower residents to harness the benefits of the internet, such as accessing information and online services.

**Objectives:**

- To offer free eye check-ups and necessary treatment for children in need.
- To raise awareness about the importance of eye health and regular check-ups.
- To engage students in volunteer service and community outreach, fostering a sense of social responsibility.

The Department of Computer Applications, organized an Eye Camp on 12th August 2023, for the children at Jeevadhanam Society, a community dedicated to street children. This outreach activity aimed to provide essential eye care services to underserved children and contribute to their overall well-being. The initiative was carried out in collaboration with Rajan Eye Care Hospital, and approximately 20 students volunteered their services. Qualified eye care professionals from Rajan Eye Care Hospital conducted comprehensive eye examinations for each child. Visual acuity tests were performed to identify refractive errors and other vision issues. Informative sessions were held to educate both children and their caregivers about proper eye care practices.
