Annexure I

1. Remote desktop assistance:
In this support, FIPL staff will connect with users' system and work to assist the user to fix the issues.
2. Support over telephone:
Queries related to e-Varsity ERP usage can be raised and get clarified over this telephone support.
3. Changes in existing report formats, data analysis reports based on existing data:
Changes like data sorting, MIS queries, changes in data formats, inclusion, exclusion of data fields in existing forms, page settings, data groupings, abstract and detailed information on existing data can be requested via this service.
4. Changes in existing data entry forms / input screens / report generation parameter customisation - without altering the existing flow of ERP operation will be carried out during the AMC period.
5. Performance related issues:
Users' query related to software performance in data processing will be covered in this contract.
6. We will provide free of cost software upgrade / enhancements happening in the core ERP module during the AMC contract period. It is applicable only on those modules purchased by the User.

AMC Does not cover

1. Customisation or changes beyond the scope
2. Permanent on-site support
3. Totally new development work outside the existing scope of the ERP
