

## PATRICIAN INSTITUTION INNOVATION COUNCIL

### How to Start a Business- Legal and Ethical Steps

Venue :D Block Conference Hall

Date :04/08/2023

Invite :

### Objective of the programme:

In order to provide students with the basic knowledge about how to plan a start-up and the steps to be taken toward achieving goals, Department of Corporate Secretaryship organized a session on the topic-“How to plan for start-up? Legal & Ethical Steps” along with Institution’s Innovation Council,

On 4<sup>th</sup> August 2023, the session on "How to plan for start-up and legal & ethical steps, on world intellectual property day. This session is scheduled to instill the legal and ethical steps that should follow in the business. Mr Balaji Varadhan, Founder of Village Business School facilitated this session. She began with a mythology story as the base illustration for this session. He said, "A business idea is like a coffee mug filled to the top." Resource person Mr Mr Balaji Varadhan, explained how starting a business or registering the company, splitting the company by founder and co-founder, and many back-end processes are carried out when an investor proposes. Overall, it clarifies the team of co-founders, investors, incubators, and promoters and determines the types of business structures using numerous examples such as sole-proprietorship, general, limited liability partnership, private limited company, and non-profit company. He discussed the various fees that must be paid when registering a company. She exemplified how we could create more intellectual property while developing and guarding a business idea. He mentioned how we could

have a "Right Legal Counsel Matter" when we are in trouble as business owners. He also discusses the various types of deposits, loan moratorium periods, intellectual property rights for animals (used as an example, i.e., Naruto monkey), licensing, permit issues, and how terms differ from country to country. He talked about how there can be issues with data protection, privacy, advertising and marketing, and various contracts. She finally concluded the session by discussing Tortious Liabilities, Ethical Liabilities, and many more issues that may arise due to counterfeiting our products and problems with labor laws. The questions written by the participants were cleared out by the end of the session. Eventually, he received a vote of thanks for providing insights on legal & ethical steps in start-ups.

**Outcome:**

Students gained knowledge on start-ups and many are interested in starting startups in the service sector.

10:30am	Interactive Session	
10:40am	Vote of Thanks	Dr Surya Susan Thomas, Assistant Professor, Dept of Data Science

M.C - Mr Paramesh, First Student, Dept of Data Science

## Resource Person Profile

Mr Aliasgar, ETL Developer, JCI, He completed his UG - BCA in Patrician College, was working in Infosys - for 4 years, at present working in JCI. During his UG course, he was the Office bearer in the Patrician Student council as a Dept secretary. He was selected in the campus interview conducted by our Patrician Placement Cell. He had good leadership skills and was very obedient student.

## Report

The program was initiated by welcoming the resource persons Mr Aliasgar, Alumnus of the college. Mr Aliashar commenced his talk by addressing the students on the advantages of studying data science and the various job opportunities awaiting them in the coming years. He explained his experience in the college and how it helped him to be campus placed in Infosys.

He advised the students to go for the extra mile to keep them updated on the new IT trend in the market. He also told the students to study beyond the syllabus to accomplish themselves in programming languages, data structures and database. He also mentioned about the opportunities as Data engineers, Data Scientist, Full Stack Developers, Ethical Hackers, Cyber Security Analyst etc. He urged the students to learn technical matter more and participate in hackathons which will boost up their confidence in getting a job. He pin pointed on the salary packages IT companies are offering for. Data Scientists, Full Stack Developers and so on. Real time examples were also mentioned. The students interacted well with the resource person and gained knowledge.

**– Ms.M.Dhivyaa, Assistant professor, KASC About the Programme**

Department of Corporate Secretaryship and Internal Quality Assurance Cell, Patrician College of Arts & Science, Chennai in association with Internal Quality Assurance Cell (IQAC) and Department of Corporate Secretaryship with CA & Professional Accounting, Kongu Arts and Science College (Autonomous), Erode organized Capacity Building Program on “Unleash the Potential of AI for Research” from 22 Jan to 26 Jan - 2024 is designed to equip participants with essential knowledge and skills to effectively leverage artificial intelligence in their research endeavors. Through hands-on training, participants will gain a comprehensive understanding of AI applications, tools, and ethical considerations, fostering their ability to employ cutting-edge technology in innovative ways. The program aims to empower researchers, accelerate the pace of discovery, and promote the integration of AI as a powerful tool for advancing knowledge across diverse research domains.

## Outcome of the Programme

The outcome of the capacity development programme on "Unleash the Potential of AI for Research" is expected to be a cohort of highly skilled and knowledgeable researchers adept at harnessing the transformative capabilities of artificial intelligence. Participants will have gained proficiency in applying AI methodologies to their research, contributing to enhanced problem-solving, accelerated data analysis, and innovative insights. The program's success will be reflected in the participants' ability to navigate ethical considerations, utilize state-of-the-art AI tools, and integrate AI seamlessly into their research practices, thereby fostering a community of researchers poised to drive significant advancements in their respective fields through the effective use of AI technologies.

## Report on Career Guidance

### Corporate Secretaryship

#### Objective

The main aim of this program is to identifying the career opportunities available for the students. To identify their goals, skills and interest and also to give students the knowledge, and resources they need to explore their own selves, define and plan goals personally and professionally make decisions and be flexible on their career.

#### Invite

#### Profile of the Chief Guest

Mr. Rufus S Kumar is Qualified in MBA, MHRM, PGDMM and M. Phil in International Business. Worked in India and abroad in logistics for 20 years. Worked in Academics as a Professor in Management and a coordinator for placement, training and career guidance for students.

#### Programme Schedule

Prayer	Jenifer M, III B.Com CS
Welcome Address	Naveen S, III B.Com CS
Chief Guest Address	Rufus S Kumar
Vote of Thanks	Mouna Neha, III B.Com CS

**MC: Shanmuga Priya, III B.Com CS****About the Program**

The Department of Corporate Secretaryship has organised “Career Guidance” program on 01.03.2024. This program helps the students identify their career opportunities available for them in and around the campus and also to understand their skills and interests which lead to success in their career. It can help students to make informed decisions about their future. It can provide insights into the job market, industry trends, and employer expectations.

**Photo Gallery****Outcome of the Programme**

The outcome of the Career Guidance program helps the students to understand their career path either in work or in higher studies. It helps them to identify and clarify their values, interests, strengths and skills. The speaker explained about the vocabulary in management, finance and terms used in accounting, investment banks, financial market, capital market, logistics and insurance. He briefed about the video resume and insisted on developing the communication skills which are mandatory for career growth.

**Objectives of the FDP:** To introduce participants to the fundamentals of Entrepreneurship To train and develop professionals in the area of entrepreneurship, innovation and incubation

### About the programme

The main objectives of the workshop were to develop a shared understanding of the importance of Innovation and Entrepreneurship, explore approaches to take ideas from inception to pitch and experience interactive ways of learning about Innovation and Entrepreneurship. Dr Sunil Nagarani was the main resource person of the workshop. The workshop was open to the faculty of the various colleges all over India. In total 400 members participated in the workshop through Hybrid mode .

The key points he described are: He stressed on “What a business model is?” He also explained in detail the ‘9 Building Blocks of Business Model Canvas’. He spoke extensively on the different customer segments and stressed on how to cater to different customer segments. He supported the same with the help of numerous examples. He further added that “different brands define itself in different ways”.

It can be described through 9 building blocks: Customer Segments, Value Propositions, Channels, Customer Relationships, Revenue Streams, Key Resources, Key Activities, Key Partnerships & Cost Structure. Key resources are the primary inputs that a business requires to operate, create value for its customers, and achieve its objectives. These resources can be tangible or intangible, such as human capital, financial assets, physical infrastructure, or intellectual property Business Model Canvas Advantages

- Focused on Key Strategic Elements. •

Is a Quick and Agile Construct. • Creates a Common Reference Point.

- Focused on the Value Proposition.

“Designer business model is much more important than the product”. He also spoke extensively on value propositions. With a participation of around 400 students, the session was concluded by a vote of thanks.

**Outcomes of the FDP:** The FDP facilitated the participants to understand the concepts of entrepreneurship and its varied dimensions FDP enabled the promotion of the scope of entrepreneurship among faculty and the students about entrepreneurial careers.

Department of Corporate Secretaryship-Shift -II  
Report on career Programme

**Objectives:**

- The objective of the alumni talk was to inspire and motivate I B. Com CS students by introducing them to alumni who have excelled in his careers. The talk aimed to help students make informed decisions about their academic and career choices and understand the practical applications of their studies.
- It aims to encourage, foster and promote close relations among the alumni themselves as well as the current batch of students.
- Primarily, it intends to provide a forum to the Alumni for exchange of ideas on academic, cultural and social issues of the day with the students.

**Invite:**

Invitation for Career Guidance Program - Alumni Interface

**Program Schedule:**

Prayer:	Mr. Ruban B, Student, III B.Com CS
Welcome Address:	Mr. Vignesh V, Assistant Professor Department of Corporate Secretaryship( Shift - II)
Introduction of the Alumni:	Ms. Jenifer Angelen S, Assistant Professor Department of Corporate Secretaryship( Shift - II)
Honoring of the Chief Guest:	Dr. Thenmozhi S, Assistant Professor & Head Department of Corporate Secretaryship( Shift - II)
Chief Guest Address:	Mr. Joshua Jesse Rozier, Chartered Accountant Aspirant Alumni of B.Com CS (Shift-II) 2017 – 2020 Batch
Vote of Thanks:	Dr. Ayisha Jothi T, Assistant Professor Department of Corporate Secretaryship( Shift - II)

**About the Program:**

The bridge course is conducted every year for the undergraduate students that help students transition from high school to college by providing them with the necessary skills and knowledge about the topics that will be covered in their new courses. Bridge courses may provide additional support through tutoring or mentoring programs. Taking a bridge course can help students better understand the expectations of their new academic level and make a smooth transition into their new program. Bridge courses can also help students to build confidence and develop new skills that will be useful in their future studies.

### Outcome of the Program:

The speaker took the stage and shared his personal journey from being a B. Com CS student at the same institution to his current professional position. He discussed the challenges faced during his academic years and how he overcame them.

Students gained an understanding of how his B. Com CS education translates into real-world applications, reinforcing the importance of his academic pursuits.

The talk provided valuable career guidance, helping students explore various career options and understand the necessary skills and attributes for success in their chosen fields.

The networking session allowed students to connect with alumni who can potentially serve as mentor or provide guidance in their professional journey.

Joshua addressing the students on Career Guidance Program - Alumni Interface

Joshua honored by Dr. Thenmozhi (Head of the Department) for Career Guidance Program - Alumni Interface

### FEEDBACK

Students expressed gratitude for the career guidance session, emphasizing its invaluable role in clarifying their career paths. The session provided valuable insights into various professions, industry trends, and skill development opportunities. Attendees appreciated the practical advice on resume building, interview techniques, and networking strategies, finding them instrumental in enhancing their employability. The interactive nature of the session allowed students to address individual concerns, making the guidance personalized and impactful. Overall, the career guidance session was deemed highly beneficial, equipping students with the knowledge and confidence to make informed decisions about their future professional journeys.

## Career Planning and Guidance

### Invite:

### Program Schedule:

Prayer – Mr Elangovan – III BCA A

Welcome address – Mr Sajin S - III BCA B

Session on cryptography – Mr.Solomon F(Alumni BCA - (2013-2016)) Lead DevSecOps Engineer

Vote of Thanks – Mr Dinesh Kumar III BCA A

### Objective:

- to share the proficiency to improvise their career
- to share the experience and motivated the students towards their goal

**No of Beneficiaries:** 50 students

### Profile of the Resource Person with picture:

Mr.Solomon F(Alumni BCA)  
Lead DevSecOps Engineer

Enthusiastic professional with 7 years of experience in IT industry and currently working as Lead DevSecOps Engineer at DTCC. Proven expertise in managing and developing large-scale projects using latest technologies. Have automated many projects using AWS, Microsoft Azure, CI/CD Integration Technologies and automation tools. An Oracle certified Java Developer have developed many projects for Onsite clients and across multiple organizations in that currently 6 projects are in live. My Passion is learning new technologies and update myself with trending and latest skillsets. As a technology specialist I help students to improvise their skill set by teaching /

guiding them for their career success. Additionally, out of my Career goal, I love to travel to explore new places. Sports is one of my key point to success in the area of focusing and to achieve goals, to highlight Am a volleyball player participated in 2 Nationals, 6 7 State Level and 10 Division level matches.

### Programme Summary Geotag pics and captions:

One of our prominent alumni **Mr.Solomon F**, Lead DevSecOps Engineer, interacted with students of our department. The program's aim was to share the proficiency with programming languages and recent technologies which will aid students to improvise their career. He shared his experience and motivated the students towards their goal. We also had an interactive session with the alumni answering to various queries raised by the students.

### Outcome

The success and effectiveness of an alumni interface in providing career guidance to current students can vary depending on various factors, including the alumni network's engagement, the resources available, and the strategies employed.

## Career Planning & guidance

### Invite:

### Program Schedule:

Prayer - Mr Ashwin – III BCA A

Welcome Address –Ms. Nancy E- III BCA A

Resource Person Session – Mr. Vignesh Kumar T, System Engineer, Tata Consultancy Services, Chennai

Vote of Thanks – Mr. Visaliswaran.G III BCA B

### Objective:

- to share the proficiency to improvise their career
- to share the experience and motivated the students towards their goal

**No of Beneficiaries:** 30 students

### Profile of the Resource Person with picture:

Mr. Vignesh Kumar.T System Engineer, Tata Consultancy Services, Chennai

## Programme Summary Geotag pics and captions:

One of our prominent alumni Mr. Vignesh Kumar T, System Engineer, Tata Consultancy Services, Chennai, interacted with students of our department. The program's aim was to share the proficiency with programming languages and recent technologies which will aid students to improve their career. He shared his experience and motivated the students towards their goal. We also had an interactive session with the alumni answering to various queries raised by the students.

## Outcome

The success and effectiveness of an alumni interface in providing career guidance to current students can vary depending on various factors, including the alumni network's engagement, the resources available, and the strategies employed.

## Career Guidance Program on Career Assessment and Self- Exploration 25th Aug 2023

### Objective:

The objective of this program was to assist students in making informed career decisions by helping them assess their strengths, interests and goals.

### Invite:

### Programme Schedule

**DATE:** 25/08/23      **TIME :**2.30 PM      **Venue:** Fintan Hall

**Mc-** Ms. Subhashni, II B.Com AF, Shift II

Prayer	<b>Ms.Pavithra</b> Student Volunteer, III B.COM G- Shift II
Welcome Address & Introduction of Chief Guest	<b>Mr. Rishi</b> Student Volunteer, III B.COM G- Shift II
Resource Person Address	Mr . Rufus Sooria Kumar
Vote of thanks	<b>Mr. Abijith</b> Student Volunteer, III B.COM G - Shift II

**Resource Person:**

Mr. Rufus Sooria Kumar has more than 20 years of industry and teaching experience.

**Report:**

The transition from higher education to the workforce is a critical phase in a student's life. Many final year students face uncertainty and confusion when deciding on their career paths. The Career Guidance Program was organized to address this challenge by providing students with the tools and knowledge needed for effective career assessment and self-exploration. The program featured Guest Speaker Mr. Rufus shared his career journeys and insights. This session exposed students to diverse career paths and provided real world perspectives on the job market.

**Event Photos:**

Resource Person delivering the lecture

**Outcome:**

The Career Guidance Program for final year students has played a vital role in helping students make informed career choices. By equipping students with the tools and knowledge needed for self-assessment and exploration it empowers them to take control of their futures. This program not only benefits students but also contributes to a more prepared and confident workforce.

**Report:**

The seminar on “Career and Workforce Readiness” was conducted to address the pressing issue of preparing students for a successful transition into the workforce. With changing job market dynamics and increasing competition, it is essential to equip students with the skills, knowledge and mindset required for a successful career. The resource person MR Nandhini has emphasized the importance of adaptability and continuous learning for career development and also highlighted the importance of soft skills such as communication, teamwork and problem solving. She shared practical tips on how students can develop and showcase these skills.

**Event Photos:****Students attending the webinar****Outcome:**

The seminar provided valuable insights and recommendations to address the challenges faced by students as they prepare for their careers. It emphasized the importance of a holistic approach to education, combining academic knowledge with practical skills and personal development to ensure students are well equipped for success in the workforce.

## “FROM CAMPUS TO CAREER: ALUMNI JOURNEY”

**Date:**19/08/2023 **Time:** 2 pm

**Venue:**Rev. Bro Fintan Parkinson Hal, C Block

**Presented by:** Mr. Koshy Ninan A, Professional 1 Human Resource, DXC Technology

### Invitation

### Programme Schedule

Prayer	: Nithish Niranjana V
Welcome Address	: Suriya I, III B. Sc CS
Introduction of Resource Person	: Ms. Sharon, Assistant Professor
Felicitation	: Mrs. Ajitha Purnima M S, HOD
Session	: Mr. Koshy Ninan
Discussion	: Audience
Vote of Thanks	: Sankar Narayanan, III B. Sc CS
MC	: Vigneshwar P

### Objectives

The primary objective of the "From Campus to Career: Alumni Journey" alumni interface is to provide a comprehensive platform that facilitates the seamless transition of current students and recent graduates from their academic life to successful careers, leveraging the valuable experiences, insights, and networks of the alumni community. This interface aims to bridge the gap between academia and the professional world by fostering meaningful connections, sharing real-world experiences, and offering guidance and resources that empower students and recent graduates to make informed career decisions and excel in their chosen fields.

**No of Beneficiaries:** 35 students

## Profile of the Resource Person

Mr. Koshy Ninan A, Professional 1 Human Resource, DXC Technology

### Programme Summary

- **Alumni-Student Interaction**
  - The program fostered connections between the alumni and current students
  - Enabled them to engage in conversations about career choices, industry insights, challenges, and triumphs.
- **Real-World Insights**

Alumni shared his practical experiences and industry-specific insights
- **Career Resources**

A curated repository of resources equipped students with tools to enhance their job search, including resume building, interview preparation, and networking strategies.

### Workshop Outcome:

The "From Campus to Career: Alumni Journey" program fostered seamless student-to-professional transitions. It connected alumni with current students providing real-world insights, mentorship, and resources for career growth. Through this program it empowered participants to navigate the job market effectively, offering skill development and job/internship opportunities. The Alumni Interface program bridged academia and the professional world, cultivating a dynamic ecosystem where knowledge and experiences are exchanged to propel individuals toward successful careers.

## Mock Interview

### Invite:

### Program Schedule:

Prayer - Mr Ashwin – III BCA A

Welcome Address - Ms Aishwarya S - III BCA A

Resource Person – Mr. Moulana Mansoor Ahmed N, Senior Software Test Engineer, Element5, Chennai

Vote of Thanks - Ms Sakthi Dharshini III BCA B

### Objective:

- to share the proficiency to improve their career
- to share the experience and motivated the students towards their goal

**No of Beneficiaries:** 50 students

**Profile of the Resource Person with picture:**

Mr. Moulana Mansoor Ahmed N, Senior Software Test, Engineer, Element5, Chennai

## Programme Summary Geotag pics and captions:

One of our prominent alumni Mr. Moulana Mansoor Ahmed N, Senior Software Test Engineer, Element5, Chennai, interacted with students of our department. The program's aim was to share the proficiency with programming languages and recent technologies which will aid students to improvise their career. He shared his experience and motivated the students towards their goal. We also had an interactive session with the alumni answering to various queries raised by the students.

## Outcome

The success and effectiveness of an alumni interface in providing career guidance to current students can vary depending on various factors, including the alumni network's engagement, the resources available, and the strategies employed.

## CAREER GUIDANCE SEMINAR ON DATA ANALYTICS

### Objective of the Programme

This seminar aims to provide the students

- To help in the proper choice of careers
- To provide guidance and assistance for the students to achieve their career goals
- To motivate and encourage the students towards self-development

### Invitation

### Programme Schedule

**Date:** Friday 16<sup>th</sup> February 2023

**Time:** 11: 15 p.m. to 12:55 p.m.

**Venue:** Room No 28

11:20 am	Prayer	Ms. SOOSAI EVANGELIN, II B.COM- C
11:25 am	Welcome Address	MS. ABINAYA II B.COM A
11:30 am	Felicitation	Dr. AROKIAMARY GEETHA DOSS PRINCIPAL
11:35 am	Introduction of Resource Person	Mr. R. SRINIVASAN, II B.COM -C
11:40 am	Resource Person Address	Mr. V. N. BALASENTHILVEL, CSC BRANCH MANAGER, THIRUNINRAVUR
12:40 pm	Q/A Session	
12:50 pm	Vote of Thanks	Mr. S. Y. PRABHU II B.Com -B

Master of the ceremony – Abinaya II B.COM ‘A’ Class Representative

### **RESOURCE PERSON PROFILE**

**BALASENTHILVEL V N, Branch Manager**

**Mobile: 98402 12 402, CSC Computer Education, THIRUNINRAVUR**

**Email ID: [bsv.idea@gmail.com](mailto:bsv.idea@gmail.com)**

- A result driven professional with over **25+** years of experience in training and developing applications.
- Dynamic trainee towards accomplishing the tasks effectively and work towards the welfare of the environment.
- **Strong technical and training skills** for enabling effectiveness of the student.

### **Profile Summary**

- **Guest Faculty, Madras University (Cyber Forensics & Information Security)**
- **Guest Faculty, National Institute of Fashion Technology, (AD & FC Dept.),**
- **25+ years in training Programming Languages, Web Development, Mobile App Development.**
- **25+ years of Training Experience and successfully improved the student participation in the classroom through integration of creative role.**
- **20+ years as a Freelancer in developing IT Application.**
- **Conducted Seminar / Webinar on latest modern technologies in various Arts & Science Colleges in Chennai.**

### **Technical Skills**

- Strong Computer Language Skills
  - C, C++, JAVA, C#, VB.NET, PYTHON

- DBMS
  - Oracle, SQLServer, MySQL, Access, Foxpro
- Web Application Development
  - **Javascript, JQuery, PHP, J2EE, ASP.NET**
  - **DJANGO, Spring BOOT, Angular.JS, React.JS**
- Web Designing Tools
  - HTML5, CSS3, Dreamweaver, Photoshop
- 3D Design
  - **3DStudioMax, Rhino 3D**
- Engineering Design
  - AutoCAD
- Mobile Application Development
  - **Android**

### Academic Skills

***B.Sc Mathematics , Madras University 1994-1997***

### Work Experience

- **CSC Computer Education (P) Ltd., Ambattur**
  - *Faculty 7<sup>th</sup> June 1995 – 30<sup>th</sup> Dec 2006*
- **CSC Computer Education, Thiruninravur**
  - *Branch Manager 1<sup>st</sup> Jan 2007 – till now*
- **Freelance Developer / Designer**

### Personal Details

Name BALASENTHILVEL V N

Father Name Natarajan V

Address 1333C, Jeganathan Nagar,  
Thiruninravur,  
Thiruvallur District – 602024,

### **Declaration**

I hereby declare that the above-mentioned details are true and correct to the best of my knowledge.

Place : Thiruninravur

Date : ( Balasenthilvel V N )

### Outcome

This programme was informative and acquire the knowledge, skills and experience necessary to identify career options. The programme helped the students to choose a suitable career by making them aware about the various career opportunities available in this developing world. It motivated and encouraged the students towards self-development. It also provided guidance and assistance for the students to achieve their career goals.

## “Mock Interview”

**Date:**16/02/2024 Time : 2 pm

**Venue:** Fintan Hall, C Block, Ground Floor

**Presented by:** Mr.Mansoor Ahmed, Software Test Engineer, Element5

### Invitation

### Programme Schedule

Prayer	:	Rejinold C, III B.Sc CS
Welcome Address	:	Sankar Narayanan S, III B.Sc CS
Introduction of the Resource Person	:	Ms Mahalakshmi, Assistant Professor
Session	:	Mr.Mansoor Ahmed
Discussion	:	Audience
Vote of Thanks	:	Suriya I, III B.Sc CS

### Objectives

To conduct a mock interview for 3rd-year students aimed at preparing them for real-world job interviews by simulating a professional interview environment and providing constructive feedback.

**No of Beneficiaries:** 20

### Programme Summary

The mock interview sessions were conducted for 3rd-year students, providing a simulated job interview experience. Each student participated in tailored interviews relevant to their chosen fields. Students received constructive feedback post-interview, focusing on strengths and areas for improvement. Peer observation fostered collaborative learning. Participants were prepared with guidance on interview best practices and communication strategies. The sessions aimed to equip students with practical experience and insights to excel in future job interviews, enhancing their career readiness and professional development.

### Outcome

The outcome of the mock interview sessions was a significant improvement in students' interview skills and confidence. By receiving personalized feedback and guidance from experienced professionals, students gained valuable insights into their strengths and areas for development. The tailored nature of the interviews helped students better understand the expectations of their chosen fields. Additionally, peer observation and collaboration contributed to a supportive learning environment. Overall, students emerged from the mock interviews better equipped to navigate real-world job interviews, enhancing their career readiness and positioning them for success in their professional endeavors.

Post Graduate & Research Department of Commerce  
Organize  
Career Guidance for Final Year Students

Mr. RUFUS SOORIA KUMAR  
Placement Specialist

**Venue: B BLOCK 32 B    Date: 19<sup>th</sup> February 2024    Time: 11:15 am**

**Introduction:** As final year students prepare to embark on their professional journeys, it's crucial to equip them with the necessary guidance and resources to navigate the job market successfully. This report aims to provide actionable insights and recommendations to help students make informed decisions about their careers.

**1. Self-Assessment:** Encourage students to conduct a thorough self-assessment to identify their strengths, weaknesses, interests, and values. Tools such as personality assessments, skills inventories, and values clarification exercises can assist in this process. Understanding oneself is the cornerstone of making informed career choices.

**2. Career Exploration:** Expose students to a wide range of career options related to their field of study. Organize career fairs, guest lectures, and networking events to facilitate interactions between students and professionals in various industries. Encourage informational interviews and job shadowing experiences to provide firsthand insights into different career paths.

**3. Skill Development:** Highlight the importance of continuous skill development in today's rapidly evolving job market. Encourage students to acquire both technical and soft skills relevant to their chosen field. Offer workshops, seminars, and online courses to help students enhance their skills in areas such as communication, problem-solving, leadership, and digital literacy.

**4. Resume Building and Personal Branding:** Assist students in creating professional resumes and LinkedIn profiles that effectively showcase their qualifications and experiences. Provide guidance on crafting compelling cover letters and preparing for job interviews. Emphasize the importance of personal branding in establishing a positive online presence and networking effectively.

**5. Internships and Experiential Learning:** Encourage students to seek out internship opportunities and experiential learning experiences to gain practical exposure to their chosen field. Partner with organizations to offer internships, co-op programs, and apprenticeships that provide valuable hands-on experience and allow students to apply their academic knowledge in real-world settings.

**6. Networking and Professional Development:** Stress the significance of networking in building professional connections and accessing hidden job opportunities. Encourage students to join professional associations, attend industry events, and connect with alumni and professionals through social media platforms. Provide mentorship programs and career coaching services to support students in their professional development journey.

**Conclusion:** In conclusion, the transition from academia to the professional world can be daunting for final year students, but with the right guidance and support, they can navigate this transition successfully. By engaging in self-assessment, exploring career options, developing relevant skills, building their personal brand, gaining practical experience, and networking effectively, students can position themselves for rewarding and fulfilling careers in their chosen fields.

**Recommendation:** I recommend implementing a comprehensive career guidance program that incorporates the aforementioned strategies to empower final year students in their career decision-making process. This program should be tailored to meet the specific needs and interests of students and should involve collaboration between academic advisors, faculty members, career services professionals, and industry partners.

## Corporate Hiring

### Objective

- To enhance the employability skills of students
- To bridge the gap between industry requirements and the skills possessed by students

### Invite

Objectives:

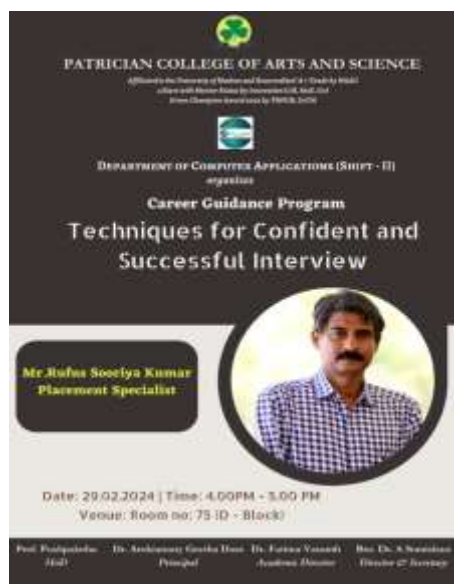

The image shows three separate sheets of lined paper, each containing a handwritten list of names and details. The handwriting is in blue ink. The lists appear to be organized in columns, possibly representing student names, contact information, and other relevant details for career counselling or placement purposes. The papers are slightly aged and show some wear.

**Event Photo:****Department of Computer Applications – Shift II****Career Guidance Program – 2024****Venue: Patrician College of Arts and Science****Date: 29.02.2024****Time: 4.00 pm-5.30pm**

### Objectives:

To understand the concept of techniques for confident and successful interview. They come to an idea about the concept called video resume.

**No of Beneficiaries: 51 students**

### Program Summary:

To enhance the programming skill, interview regarding fear, strong in coding and fluency in English. It covers the program in which the student get clarity about the programming language and self-preparation in which language he/she is strong. Mainly students get the clear idea about the technology-based company and campus interview related company in and outside Tamil Nadu.

### Outcome:

Students are actively participated in the event and had a clarity about the interview session, some important company that recruit the students without any way of scamming is also an important point in which students get a clarity about it.

## Department of Computer Applications

### Career Guidance Programme

ENHANCING THE KNOWLEDGE AND SKILL OF ENTREPRENEUR

Date: 13/03/2024

Venue: BCA

Invitation:

**Objectives:**

The learning outcomes and mental health of the students is being challenged by sobering statistics around healthy eating and nutrition.

**No of Beneficiaries: 50**

**Programme Summary:**

The programme is very useful for the students, how to care about the health and diet in day-by-day activities.

How healthy diet for the college students?

- How Can You Prevent College Weight Gain? ...
- Start your day with a healthy breakfast. ...
- Snack (healthy foods) often. ...
- Establish an eating routine. ...
- Make it balanced meals. ...
- Eat the rainbow. ...
- Increase whole grains. ...
- Exercise portion control.

Some of the natural resource food to gain protein and health benefits, also insisted on to become an entrepreneur in this field. Very useful for the students to gain knowledge in this session.

**Outcome:**

“Attitudes, education behavior, cognitive skills, and academic performance are all accomplished better by healthy students,” Mrs. Vijayalakshmi said.

“Research shows that if you eat less junk, you feel better. By simply replacing junk food with core foods, low mood can be alleviated.” Best results are found by decreasing junk food such as chips and lollies, at the same time as increasing core foods like fruit, vegetables, and wholegrains.

healthy eating helps adolescents by improving self-esteem and body image, helping them to more effectively handle their emotions, get a good night’s sleep, and cope better with stress. All of which lead to better learning. The session will also cover the free support programs available to help schools improve student learning outcomes by prioritizing healthy eating. Outcome about their range of resources on many topics including how to support a healthy menu in the classroom, healthy college celebration ideas and information on how to promote healthy eating through a whole.

## Career Guidance Programme for Media Studies Students

### Objectives of the Programme

- Provide Industry Insights.
- Bridge the Knowledge Gap
- Career Planning and Strategy
- Foster Creativity and Innovation

### Programme Schedule:

11.30 A.M. – Prayer – Ms. Jenifer , Student , III VC.

11.35 A.M – Welcome and Introduction – Mr. Jason Antony, Student, II VC.

11.40 A.M – Honoring the Chief Guest – Mr. Hariharan, Student, II EM..

11.41 A.M – Honoring the Chief Guest - Mr. Vishal, Student, II EM.

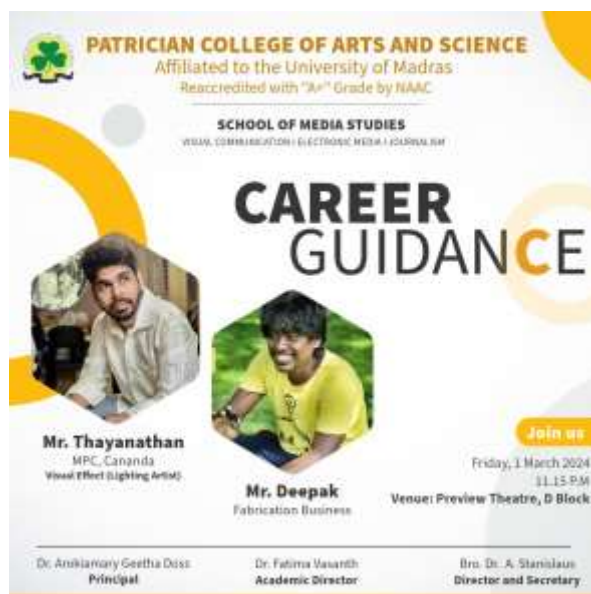

11.45 A.M – Chief Guest Interaction - Mr. Thayananthan and Mr. Deepak.

12:30 A.M – Interactive Session..

12:40 A.M – Vote of Thanks - Mr. John David, Student, II EM.

MC - Mr. Carlos Arthur D Silva, Student , II VC.

### Invitation:

**Introduction:**

Media Studies students often seek guidance on career paths, especially from successful alumni. In a recent session, two prominent alumni from the VFX and Fabrication industry shared their insights and advice with current students. The event took place on 1st March 2024 at Friday in the Preview theatre, D Block.

**Alumni Profiles:****Mr.Thayananthan**

- Background: Graduated in Media Studies in 2014.
- Career Path: Found success as a VFX lighting artist in the animation film industry, working with several popular films like Atlas, Snow White, Chip N Dale, Motion Picture Company, Canada.

**Mr. Deepak**

- Background: Graduated in Media Studies in 2014.
- Career Path: Established a career in TV production, specializing in directing and producing various television series and documentaries. He extensively worked in developing the fabrication industry along with the TV industry.

**Key Points Discussed:**

- **Building a Portfolio:**
  - Both alumni stressed the importance of building a strong portfolio early on. Sarah emphasized the significance of showcasing diverse skills in VFX, including proficiency with software like After Effects and Maya. Thaya highlighted the importance of demonstrating versatility in film production, with examples of directing, producing, and editing work.
- **Networking:**
  - Networking emerged as a crucial aspect of career advancement in the industry. Thaya shared insights on how maintaining professional relationships opened doors for opportunities in the Film industry. Deepak emphasized the value of networking within the VFX community, attending industry events, and connecting with professionals on platforms like LinkedIn.
- **Continuous Learning:**
  - The rapidly evolving nature of technology in both VFX and TV production requires professionals to engage in continuous learning. Thaya advised students to stay updated with the latest software and techniques in VFX through online courses and workshops. Deepak emphasized the importance of staying abreast of industry trends and honing skills through practical experience.
- **Industry Insights:**
  - Both alumni provided insights into the current landscape of the TV production and VFX industry. They discussed emerging trends such as the growing demand for high-quality content across streaming platforms and the increasing integration of VFX in television shows to enhance storytelling.

- **Work-Life Balance:**

- Recognizing the demanding nature of careers in media, both alumni stressed the importance of maintaining a healthy work-life balance. They encouraged students to prioritize self-care and find ways to manage stress effectively amidst tight production schedules and deadlines.

**Conclusion:**

The career guidance session provided valuable insights for Media Studies students aspiring to pursue careers in TV production, Fabrication business and VFX. Through the experiences and advice shared by the alumni, students gained a deeper understanding of the industry landscape, the importance of building a strong portfolio, networking, continuous learning, and maintaining a healthy work-life balance. Armed with this knowledge, students are better equipped to navigate their career paths in the dynamic field of media.

**Source Hub Career Guidance**

LinkedIn Premium access with six months validity was given to the UG/PG students from the month of June 2023. This was organized by the Face Prep and Source Hub to initiate the corporate way of applying for internships and Placement opportunities. LinkedIn Learning is also a part of the Premium access. The students had a wide range of Upskilling Certificate programs to choose from and get certified.

The Training Program was conducted on the following topics

1. Creating a LinkedIn profile
2. Building a resume through LinkedIn
3. LinkedIn Learning Portal and the access to the Certificate course
4. Connecting with Recruiters through In Message facility
5. Applying for Internships
6. Uploading the Certificates in LinkedIn page
7. Unique LinkedIn link for Recruiters
8. Following connections in the domain
