Outcome

This programme was informative and acquire the knowledge, skills and experience necessary to identify career options. The programme helped the students to choose a suitable career by making them aware about the various career opportunities available in this developing world. It motivated and encouraged the students towards self-development. It also provided guidance and assistance for the students to achieve their career goals.

PCEC
Tech Mahindra Foundation Skill Training Program
December 2024-April 2025

Objective of the Program: To enhance the skills and knowledge of the students providing them with essential tools and techniques needed for bridging the gap between the College and the Corporate.

Target Audience: Selected Final Year UG/PG Girl Students

No of Beneficiaries: 200 students

Program Summary: Tech Mahindra Foundation supported by Aide et Action offered 100 hours training in Logistics Management, Tally Prime, and Web Designing, with the aim of ensuring 100% placement for each student

Through these programs the students were equipped with essential skills that will not only make them employable but also significantly enhance their chances of building successful careers. These skills will help them prepare for placement drives and perform confidently in job interviews.

The students were analyzed through an interview by the Tech Mahindra Foundation and assessed based on the relevance to the curriculum and skill sets. The certificates of the students were given on the Placement Day conducted on 11th April 2025.

Interviews for Admission were conducted by the Tech Mahindra Foundation to assess the student's skill sets

Classroom and Lab sessions were conducted by Aide Et Action supported by Tech Mahindra Foundation
