Alumni Carnival

Date: 11/02/2023

Venue: Patrician College of Arts and Science

Time: 9:00 a.m. – 4:30 p.m.

Participants: Alumni from batch 2010-2022

Invite:

The *Mega Carnival Patrician Old Students' Family Day* was the first ever Carnival in the history of Patrician College of Arts and Science. It was successfully conducted under the guidance of Dr. Arockiamay Geetha Doss, Vice Principal, Shift II and by the Alumni Committee of the college. The event was the first physical meet for alumni, held on 11th February 2023 post pandemic with free entry for alumni and their families. Being a second Saturday, it was convenient for alumni to revisit the college to recollect and cherish old memories with their faculty. They strolled around the college to look how our college has developed and changed multi-fold over the course of years. The premises had musical backdrop with few alumni wanting to dedicate songs to their friends. The primary motive of conducting such a mega event was to raise funds for Delany Scholarship for the deserving students of our college who are severely affected by the financial impact of COVID-19.

The physical registration was headed by Mr. Daniel Chalke, Assistant Professor, Department of Management near the OAT. Around 2000+ alumni participated in the grand event. Token counter was placed right at the start of A block which facilitated easy access to give tokens for the various stalls staged by the departments both commercial and recreational. Food stalls had direct cash payment mode of transaction. The Carnival photo stage was always filled with enthusiastic alumni who were teeming to take photos with their beloved faculty and the management.

The scholarship amount raised on spot was ₹11,070. As part of Old Students Family Day joy of sharing ₹8100 was donated out of which ₹4500 was collected on Foundation Day. A fund of ₹30,750 was collected from the registration of 16 commercial stalls.
