

ALUMNI MEET

2024–2025

INTRODUCTION

Patrician College of Arts and Science conducted its Alumni Meet 2024–2025 on 28 September 2024 as a college-level homecoming and alumni engagement event. The programme brought together former students, current students, faculty members and representatives of the institution for reunion, interaction and knowledge sharing. The event provided an opportunity for alumni to reconnect with their alma mater, revisit their college experiences, interact with students and faculty, and understand the institution's recent development and future initiatives.

The Alumni Meet was designed to strengthen the relationship between the college and its alumni community while encouraging professional networking, experience sharing, mentorship, collaboration and continued participation in institutional development. The supporting records collectively document the invitations, programme proceedings, alumni interactions, cultural activities, feedback, photographs and attendance.

ALUMNI-STUDENT INTERACTION

Interaction between alumni and current students formed an important part of the Alumni Meet. Students had opportunities to listen to alumni experiences, understand different academic and professional journeys, and interact with former students in an informal environment. Alumni shared memories of college life and experiences after graduation.

The interaction was supported by presentations on college achievements, awards, new courses, institutional growth, Alumni Association membership and future initiatives. Discussions also highlighted opportunities for alumni to contribute through guidance, mentorship, networking, career-related support and collaboration.

Games, cultural performances, video presentations, refreshments and group photography extended the interaction beyond formal discussions and contributed to a welcoming and memorable event.

ALUMNI FEEDBACK AND REVIEWS

The feedback documented in the supplied records was predominantly positive. Alumni expressed happiness in returning to the college and revisiting memories associated with their student days. Participants appreciated the opportunity to reconnect with former classmates and faculty and to learn about the development and progress of the institution.

The discussions and presentations were appreciated for providing useful information about alumni membership, institutional achievements and future opportunities for engagement. The event reinforced the importance of maintaining continuous contact between the institution and its alumni community.

Suggestions recorded in the feedback included increasing interactive activities and covering a wider range of topics so that future alumni gatherings can cater to varied interests and encourage greater participation.

STUDENT LEARNING AND BENEFITS

- Exposure to alumni experiences and professional journeys.
- Greater awareness of institutional growth, achievements, awards and new initiatives.
- Opportunities for informal career-oriented guidance and professional networking.
- Awareness of Alumni Association membership and continued engagement.
- Understanding the value of maintaining long-term relationships with the institution and alumni community.
- Improved participation and social bonding through cultural and interactive activities.

ALUMNI ASSOCIATION AND CONTINUED ENGAGEMENT

The Alumni Meet also served as an avenue to create awareness about the Alumni Association and continued participation after graduation. The records refer to alumni membership, lifetime membership and privileges, the Annual General Body Meeting, alumni awards, seminars and conferences, career guidance, higher-education and employment-related support, and opportunities for alumni to contribute to institutional initiatives.

These initiatives aim to bring alumni under a common forum for sharing experiences, supporting current students and contributing to the academic, professional, cultural and developmental activities of the college.

OUTCOMES OF THE ALUMNI MEET

The Alumni Meet 2024–2025 created a common platform for alumni, students and faculty to reconnect and interact. It strengthened the sense of belonging among alumni and provided an avenue for sharing experiences, institutional updates and ideas for future collaboration.

- Strengthened alumni–institution relationships.
- Improved opportunities for alumni–student interaction and mentorship.
- Enhanced professional and social networking opportunities.
- Greater awareness of Alumni Association membership and continued engagement.
- Improved understanding among students of institutional achievements and alumni experiences.
- Creation of opportunities for future collaboration and institutional support.
- Reinforcement of college identity, pride and belonging among alumni.
