Sir

Sub : Submission of application for granting permanent affiliation to our college – reg

I am immensely happy to bring to your kind notice, that our college has successfully completed 10 years of existence on 1st August 2011.

In this regard, I take this opportunity to convey our sincere thanks and appreciation to the university authorities for your continuous support and guidance rendered for the past ten years.

With a humble beginning of just 155 students in 2001, we have now reached 1700 students on roll. Our college students have participated in almost all inter – college functions from the very inception of our college and added fame to the university and to the institution.

Encouraged by our overall achievements not only in curricular activities, we now request you to consider our application for granting permanent affiliation to our college.

All required documents needed for your perusal and the affiliation committee are being placed before you.

Your early favourable orders for granting permanent affiliation is eagerly awaited.

Thanking you

Yours sincerely
