ALBATROSS ASSOCIATION ACTIVITIES 2021-2022

The basic objective of the scheme is to bring together academicians and experts from different parts of the country and abroad to exchange knowledge and ideas. This will provide an in-depth analysis of subjects and update the knowledge of the participants from academic/research institutions. The primary focus of the webinar was the importance of attempting previous years' question papers and identifying key trends and patterns with respect to the questions.

OUTCOME OF THE PROGRAM

Through the webinar, the resource person attempted to cover all the different aspects related to data interpretation including ways to represent data, the use of unit place digits for calculation as well as the use of visual approximation. He further shared strategies related to solving percentages and finding average as well as the most effective and efficient method to convert percentage to angle for pie chart. The resource person went on to discuss ways to prepare a frequency table from given data. He ended the session with an intriguing discussion on the data interpretation questions from the December 2021 paper. Throughout the session aspirants attending the webinar were encouraged to ask questions and clear any doubts that they might have. Thus, empowering them to make the most of the guidance and knowledge encapsulated in the third edition of NTA UGC Paper 1 – NET, JRF and SET and acing the data interpretation section of the competitive examinations.

About the Professional Development Programme [PDP]

This PDF is intended to equip research knowledge and data analysis skills using SPSS with a blend of conceptual learning and hands on practical sessions. The main focus area of this PDF will be on identifying the right statistical tools and techniques for different research and carrying out data analysis using SPSS. The participants will be familiar with data entry drawing analysis, interpretation and result findings using SPSS.

Key Highlights:

- ★ To train and inculcate the skills for data analysis using SPSS.
- To provide the platform for discussion on the statistical requirements of research
- Fractical sessions with suits bie liketrations and demonstrations.

Who Can Participate?

All those who deal with data analysis will get more benefits from the program. Thus, program will be useful to

- Acodemicians & Researchers
- Research Scholars
- Post Graduate Students
- * Any person interested in quantitative research.

About the College

Patrician College of Arts and Science, established in 2001, is a Christian Minority Co-educational self-financing institution affiliated to the University of Madras. It was instituted by the Brothers of St. Patrick, a congregation established by Bishop Daniel Delany on 2nd February 1808, in Ireland. The College has been re-accredited with 'A+' Grade with CGPA 3.42 in Cycle II by NAAC in the year 2021. The College offers 11 Undergraduate, 6 Post Graduate and 2 M.Phil. Programmes in two shifts. There are 125 committed teaching faculty and 3480 students under the leadership and guidance of Director and Secretary, Academic Director, Principal & Vice Principals.

About the Department

The Department of Commerce was established in the year 2001. To meet the growing demand, additional sections were introduced in 2007 and 2014. The PG stream was started in the year 2011 and M.Phil in 2017. The Department is expanding its wings into research where Ph.D course is to be offered from the ensuing year. From its inception the department has been acting as a launch pad for entrepreneurial talents. The department has 16 qualified and experienced faculty members dedicated in maintaining academic excellence and equipping students with skills to face the challenges of the business world. The Department organizes various seminar and Guest Lectures for promoting research. Industrial visits and study tour are organized to give practical exposure to students about actual work environment and production processes.

About the Professional Development Programme (PDP)

This programme aims to provide the Resource, Knowledge and Expertise for the benefit of NET & SET aspirants. Keeping in perspective, the need for succeeding the exams, the PDP is exclusively organized for the same. It is carefully designed to provide a conceptual clarity of the updated syllabus that assures you to score more than the estimated percentile. The sessions are designed to provide complete guidance on 'Revised UGC NET Paper I'.

Key Highlights:

- ★ Interactive sessions from reliable resources.
- ★ Quality sessions that cover the entire syllabus in a comprehensive manner.
- A guide that covers the revised, upgraded syllabus.
