Rain Water Segregation Chamber – E Block

Hand-drawn architectural floor plans of a building, labeled "A-Black".

The top plan is the **FIRST FLOOR**. It shows a long, rectangular building with a central corridor and several rooms. The rooms are labeled with numbers 1 through 10. The corridor is labeled "CORRIDOR". The building is labeled "A-Black".

The bottom plan is the **SECOND FLOOR**. It shows a similar layout with a central corridor and rooms. The rooms are labeled with numbers 1 through 10. The corridor is labeled "CORRIDOR". The building is labeled "A-Black".

A legend at the bottom of the second floor plan indicates that hatched areas represent "RAIL FLOOR" and solid black areas represent "SEWER LINE".

A circular stamp is visible on the right side of the second floor plan, containing the text "FEDERAL BUREAU OF INVESTIGATION" and "U.S. DEPARTMENT OF JUSTICE".
