Chief Guest explaining about Chennai Rivers Restoration Trust

Enviro club conducted online webinar in the topic “எழில் இல்லம் சாலை சோலை” 3.3. 2021. Totally 100 Enviro club students of Patrician College of Arts and Science, Chennai, attended the online webinar. The resource person was Mr.M.B.Nirmal, Founder of Exnora International. This webinar was held on the Google Meet Platform.

The resource person MR.M.B.Nirmal shared his experience and he also emphasized on the words “NEVER STAY UNEMPLOYED” and he also added that “WASTE IS NOT A WASTE UNTIL IT IS WASTED”. He started his speech from the waste management techniques and he also added “SAY NO TO PLASTIC”. He spoke about Salai solai and noise pollution and the causes of noise pollution such as hearing impact, dangerous to ears and it can cause infertility. He insisted on planting trees, rain water harvesting services and waste dump. He also added that the most needed subjects are English and computer because English is the global Language and now-a-days technology is developing and it is most needed part of the world so computer plays the major role in technology development. Finally he ended his speech by quoting “EARNING BY DOING”

Mr.M.B.Nirmal Addressing the gathering
