Dr. Usha George Principal
Dr. Fatima Vasanth Academic Director
Bro. Dr. S. Arockiaraj Director & Secretary

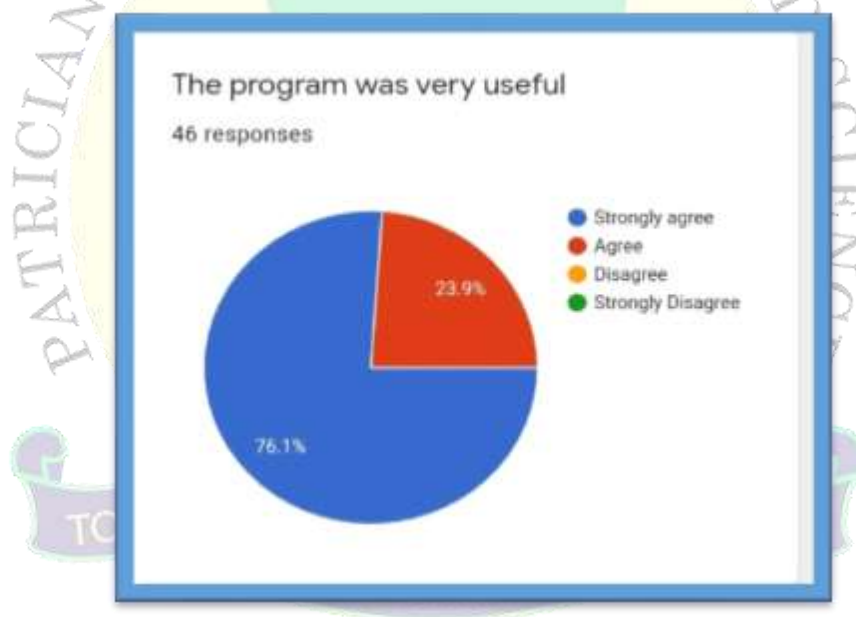

PROGRAM SUMMARY:

Environmental awareness is an incredibly important part of our lives. In order to protect the sustainability of the planet, everyone needs to commit to becoming more environmentally aware. The need to spread environmental awareness is enormous in the context of successfully addressing environmental problems.

The students should become aware, acquire knowledge, develop attitudes, skills and abilities and be able to address real-life environmental problems. Creating awareness to the students on a World Environment Day will be more appropriate and need of the hour.

Therefore, on behalf of The Nation Service Scheme (NSS) we would like to initiate an Online competition for School Students on Wealth Out of Waste.

During Pandemic the student might not be able to access any kind of resources. Since he will be using waste material for this project it will not cost anything for the student and hence this is found more appropriate during this lock down.

FEEDBACK FROM THE PROGRAM:**OUTECOME OF THE PROGRAM:**

- The students will become sensitive towards environment
- During this pandemic this competition will be out of the box activity for the student.
- The student will think on new ideas and develops creative thinking.

ACTIVITY - II

OBJECTIVE:

International day against drug abuse and illicit trafficking.

INVITE:

NSS QUIZ
PATRICIAN COLLEGE OF ARTS AND SCIENCE A Christian Minority Institution Affiliated to the University of Madras & Reaccredited 'A+' Grade by NAAC Rated 5 star by Innovation Cell.

college of arts and science. This event we came to know that students had good knowledge upon drug abuse. E certificate will be providing to those who secure 50% and above.

FEEDBACK:

ACTIVITY - III**OBJECTIVE:**

Awareness about FIT INDIA

INVITE:**PROGRAM SUMMARY:**

The students of National Service Scheme (NSS) unit 1 and 2 had a fitness exercise session on 21.09.2021 to 24.09.2021 from 8.00a.m to 9.30am. The physical training was taught by our Physical Education Teachers Dr. Arul Murugan and Dr. Sathiyavathi Devi.

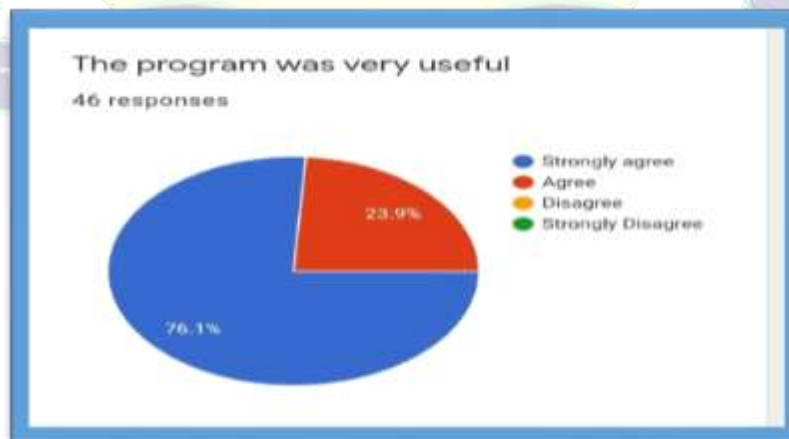

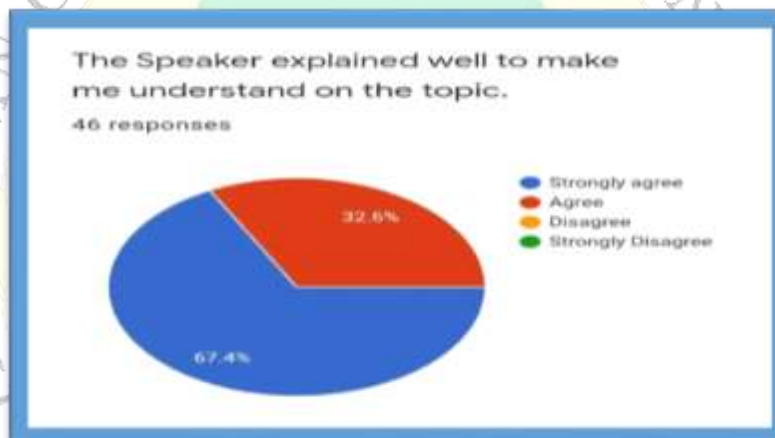

Warm up first by walking or exercising for five to 10 minutes before stretching. It is important to note that physical activities and exercise not only maintain physical and psychological health but also help our body to respond

to the negative consequences. The COVID-19 pandemic has made it difficult for the students to adequately maintain their normal physical activities.

IMAGES FROM THE PROGRAM:

FEEDBACK:

OUTCOME OF THE PROGRAM:

- The students have gained knowledge about fitness
- They have come to know more advantage of doing exercise regularly.

ACTIVITY – IV**OBJECTIVE:**

Plant a tree, so that the next generation can get air for free.

INVITE:**PROGRAM SUMMARY:**

The program was conducted on 24.09.2021 Friday organized by NSS CLUB for the 75th Independence day and NSS day. The plantation of the tree was done by the Director and Secretary Bro. Dr. S. AROCKIARAJ, Academic Director Dr. FATIMA VASANTH. Principal Dr. USHA GEORGE, Vice Principal Dr. B. MEENA (Shift I), Vice Principal Dr. AROKIAMARY GEETHA RUFUS (Shift II).

Nature is God's most beautiful creation. It felicitates the growth, development and nourishment of all its creatures. The sapling was planted, fenced and watered. An Oath was taken by the NSS Students and Faculty that the plant will be taken care. The principal too expressed the importance of planting trees and saving nature. Such little steps taken together by the faculty and the students will surely help in fostering strong mental and social health among today's children so that they connect with their peers, their elders, their community and their environment.

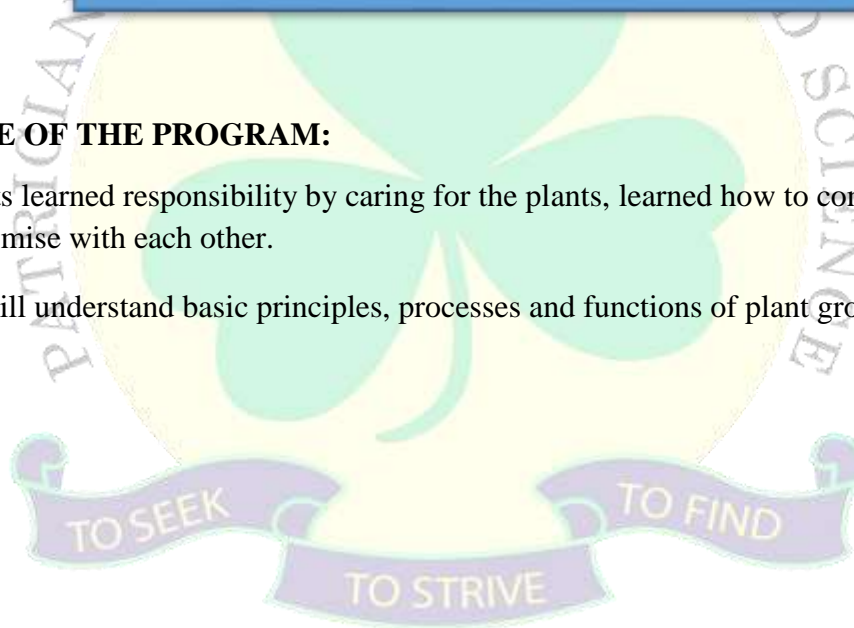

The Plant has been adopted by Kishore.V Department of Computer Science.

IMAGES FROM THE PROGRAM:

FEEDBACK :**OUTCOME OF THE PROGRAM:**

- Students learned responsibility by caring for the plants, learned how to communicate and compromise with each other.
- They will understand basic principles, processes and functions of plant growth

ACTIVITY - V**OBJECTIVE:**

To create Awareness on Disaster Management to the Students

INVITE:**CONCEPT OF THIS PROGRAM:**

International Day for Disaster Risk Reduction is observed annually on 13 October. The day is observed to promote a culture of disaster reduction and risk awareness globally.

PROGRAM SUMMARY:

The Students of National Service Scheme did a street play titled Disaster Reduction on (13.10.2021) in our college. Our NSS students have demonstrated two types of fire disaster and how to reduce which are given below

- Firecracker factory blast (Man-made Disaster)
- Forest fire (Natural Disaster)

In first scenario we shown that how a small mistake of a employee lead to the disaster and we also shown how to re-duct the disaster before it changes into a huge accident.

In second scenario, a group of friends going for a trucking in the forest. Suddenly they saw a tree which is shucked by lighting and started to burn. They rush to the forest officer and informed the situation and the action has been taken so the forest fire didn't spread throughout the forest.

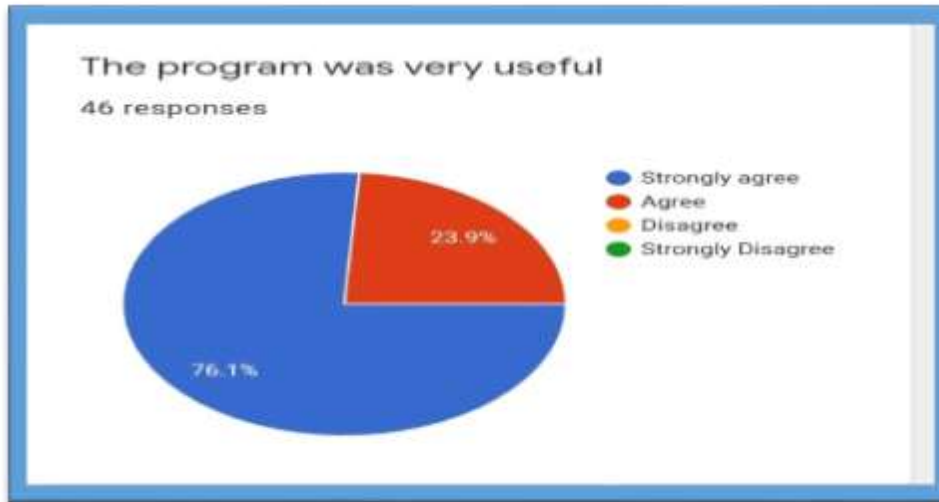

IMAGES FROM THE PROGRAM:

- **MAN MADE DISASTER**

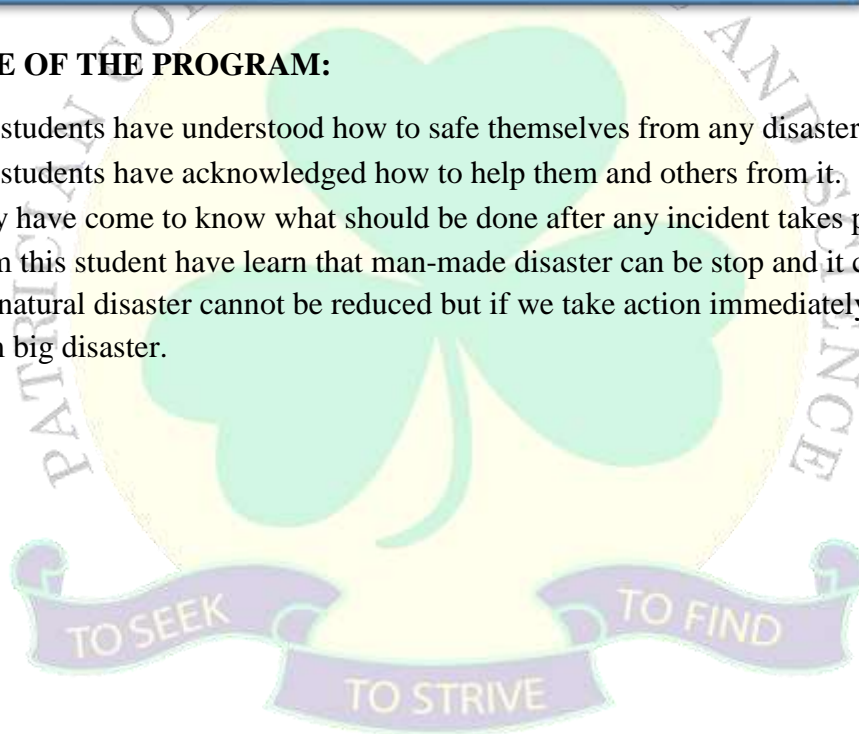

- NATURAL DISASTER**

FEEDBACK:**OUTCOME OF THE PROGRAM:**

- The students have understood how to save themselves from any disaster.
- The students have acknowledged how to help them and others from it.
- They have come to know what should be done after any incident takes place.
- From this student have learn that man-made disaster can be stop and it can be reduced. But natural disaster cannot be reduced but if we take action immediately we can save from big disaster.

ACTIVITY - VI**OBJECTIVE:**

The main theme of the event is to celebrate international colors day.

CONCEPT NOTE:

The Government of India has created to solve the problems of sanitation and waste management in India by ensuring hygiene across the country. It is important for India to display high standards of hygiene and cleanliness to change the overall global perception people have about our country.

Maintaining a clean environment is for the health of all humans, as their health completely depends on the atmosphere. A bad environment is solely responsible for spoiling the health of the people around. We must maintain the cleanliness of our bodies, homes, buildings, surroundings and environment to have good health.

PROGRAM SUMMARY:

A cleanliness drive was held By The NATIONAL SERVICE SCHEME Of Patrician College Of Arts and Science on 28.10.2021, where more than 50 NSS Volunteers were participated for the National Clean India Campaign. The program was collaborated with the NEHRU YUVA KENDRA SANGATHAN. A pledge was administered by the Regional Director of Ministry of Youth Affairs and Sports Shri Satya Prakash Patnaik to the volunteers. He further explained, if a single young person can sensitize a few people about keeping the environment clean, removing plastics and so on, then altogether, we will succeed in creating mass awareness about cleanliness. This will in turn, ensure that people understand the importance of cleanliness and also the menace of using plastics.

The Clean India Campaign took place in Koturpuram Railways Station surroundings near our College. The students have collected plastic and papers.

IMAGES FROM THE PROGRAM:

The National Service Scheme (NSS) MEMBERS with The Nehru Yuva Kendra Sangathan

The garbage collected at the end of the program near Koturpuram Railway Station.

FEEDBACK:**OUTCOME OF THE PROGRAM:**

- The students have come to know how to keep their surroundings clean
- It helps them to share their thoughts among their friends and families
- The students were well educated on the importance of cleanliness in their lives.

ACTIVITY - X**OBJECTIVES:**

Pledge taking for the Constitution Day.

INVITE:**PROGRAM SUMMARY:**

The Constitution Day is to acknowledge and respect the contribution of the framers and to enlighten people on the prominent values that the constitution accommodates. On this day in 1949, the Constitution of India was adopted and it came into effect on 26 January, 1950. It is an important law of the land. It determines the relationship of the citizens with the governments.

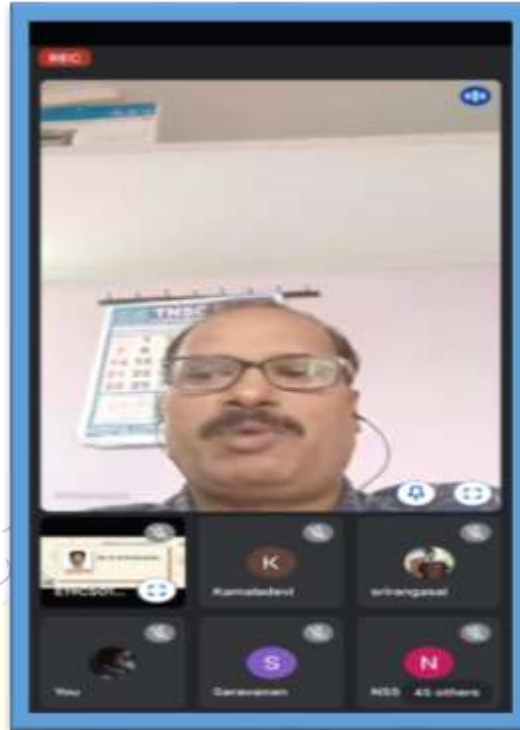

It lays down principles and guidelines which are required for people belonging to different ethnic and religious groups to live in harmony. On the note the National Service Scheme students of Patrician College of Arts and Science had conducted a program for the Constitution Day. More than 50 Students have participated in the online program through Google meet on 27.11.2021. We had taken the preamble for The Constitution of India.

PREAMBLE:

We the people of India having solemnly resolved to constitute India into a Sovereign Socialist Secular Democratic Republic and to secure to all its citizens. Justice, Social, Economic and political. Liberty of thought, Expression, belief, faith and worship. Equality of status of opportunity and to pro note among them all. Fraternity assuring the dignity of the individual and the unity and integrity of the nation.

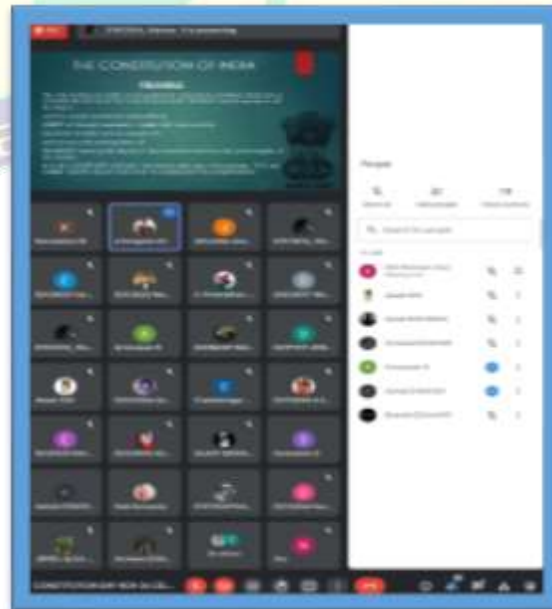

In our constituent assembly this twenty sixth day of November, 1949. Do, hereby Adopt, Enact and give to ourselves this constitution.
