EVENT OVERVIEW:

Event Overview: The National Science Day & Patrician Hackathon 2024 Launch Event marks the beginning of an exciting journey into the world of innovation, collaboration, and problem-solving. It serves as a platform to unveil the hackathon and engage participants, mentors, and sponsors.

WEDNESDAY (28/02/24)

MIME

EVENT OVERVIEW:

The Mime Performance is a captivating showcase of silent storytelling and expressive artistry. Through the use of gestures, facial expressions, and body language, performers convey narratives, emotions, and ideas without uttering a single word. This unique form of theatrical expression captivates audiences and transcends linguistic and cultural barriers.

THURSDAY (29/02/24)

SIGNING CAMP

EVENT OVERVIEW:

The Signing and Handprint Camp provided a platform for participants to express their admiration for science and mark their presence through signatures and handprints. Easels were set up with large canvases where attendees were invited to sign their names or imprint their handprints using non-toxic paints. This activity symbolized unity and solidarity in the pursuit of scientific knowledge.

THURSDAY (29/02/24)

RALLY

EVENT OVERVIEW:

A vibrant Rally was organized to amplify the message of science and its significance in societal progress. Participants, adorned in thematic attire, marched through the designated route carrying banners and placards adorned with slogans advocating for science education, research, and innovation. The Rally served as a powerful medium to engage the community and raise awareness about the pivotal role of science in shaping our world.

INTRODUCTION

National Science Day is celebrated annually in India on February 28th to commemorate the discovery of the "Raman Effect" by Sir C.V. Raman. This year, the Patrician Institution's Innovation Council and the Department of Computing Sciences at Patrician College of Arts and Science, Adyar, Chennai, decided to celebrate National Science Day by hosting a hackathon titled "Indigenous Technologies for Viksit Bharat" (Developing Indigenous Technologies for a Developed India).

THEME

The theme for the hackathon, "Indigenous Technologies Viksit Bharat," focused on encouraging the development of technologies within India to support the nation's progress towards becoming

INAUGURATION CEREMONY

The National Council for Science and Technology Communication (NCSTC), Department of Science and Technology, Government of India, in association with Patrician College of Arts and Science, Adyar Chennai, organized the inauguration ceremony for National Science Day on 01/03/2024. The chief guest for the ceremony was Dr. R. Srinivasan. Ms. Ligi Miranda was the guest of honor. Rev. Bro. Dr. A. Stanislaus, Director and Secretary, Patrician College of Arts and Science. Dr. Arokiamary Geetha Doss, Principal, Patrician College of Arts and Science

RESOURCE PERSON PROFILE

Top Skills:

- Tutoring: Basic Science, Astronomy, Aerospace, Rocket Science (Classroom & Online)
- Career Guidance: Helping students navigate higher studies and career choices.
- Curriculum Development: Creating engaging educational materials (PPTs, Videos)
- Producing & Directing: Educational program episodes

Current Work:

- Freelance Aeronautics / Rocket Science / Astronomy & Space Science Instructor for Space Organizations & Schools.
- Career Guidance Counselor.
- Training Students to become Young Tutors.
- Lifestyle Architect & Health Counselor for IT Women Employees.
- Communicative English Tutor for Managerial Level Personnel & Government School Children.
- Arts & Crafts Trainer for Preschool Children. Yoga, Meditation, & Dance Therapy Instructor.

-
-

Past Experience Highlights:

- ♦ Counseling: Art & Color Therapy, Cognitive Counseling.
- ♦ Television Program Production: Script Writing, Directing, Editing.
- ♦ Communicative English: Storytelling, Public Speaking, Business English.
- ♦ Fashion Designing, Crafts & Artwork.
- ♦ Printing Technology: Screen Printing, Textile Printing.
- ♦ Beautician Basics: Makeup, Self-grooming.
- ♦ Gardening Basics: Herb Identification, Pesticide Management.
- ♦ Event Management: Conferences, Seminars, Corporate Events.
- ♦ Cooking: Basic Nutrition Culinary Skills.

FRIDAY (01/03/24)
"NATIONAL SCIENCE DAY"
(INTER-SCHOOL / COLLEGIATE EVENT)

WORKSHOP

Objectives:

The workshop aimed to introduce participants to the exciting world of scientific exploration.

Workshop Highlights:

- ♦ **Engaging Activities:** Interactive activities allowed participants to actively engage with scientific concepts. Examples may include hands-on experiments, data collection tasks, or building simple scientific models.
- ♦ **Guest Speaker:** A renowned science educator delivered a captivating presentation on a specific scientific topic. The presentation could have focused on cutting-edge research, real-world applications of science, or the history of scientific discoveries.
- ♦ **Interactive Discussions:** Throughout the workshop, participants were encouraged to ask questions, share their observations, and discuss scientific concepts with the instructor and fellow participants.

DRAWING

Objectives:

- Encourage artistic exploration through the use of unconventional tools and techniques.
- Provide a platform for artists to showcase their creativity and resourcefulness.
- Break away from traditional painting methods and inspire innovative artistic expression.

Outcomes:

- The "Unconventional Art" competition successfully achieved its objectives:
- Participants enthusiastically explored alternative painting techniques using sponges and earbuds.
- The competition fostered a spirit of creative exploration and experimentation.
- Artists showcased their unique artistic visions using non-traditional tools.

POSTER MAKING

Objectives:

- Poster Mania aimed to provide a platform for participants to showcase their artistic talents and innovative thinking skills within a time constraint.

Outcomes:

- Poster Mania served as a successful platform for fostering creative expression and innovative thinking.
- Participants showcased their artistic talents and design skills within a limited timeframe.
- The competition encouraged experimentation with various materials and techniques.
- The event provided an opportunity for participants to develop their communication skills through visual storytelling.

WEALTH OUT OF WASTE

Objectives:

- Promote Creativity and Innovation: Encourage participants to think outside the box and develop innovative solutions using readily available waste materials.
- Raise Environmental Awareness: Highlight the environmental impact of waste generation and showcase the potential of waste materials to be transformed into valuable products.

Outcomes:

- Increased awareness of the potential for transforming waste materials into valuable products.
 - Development of creative and innovative solutions for waste management and resource utilization.
 - Promotion of sustainable practices among participants and the wider community.
 - Enhanced teamwork and collaboration skills among participants.
- A showcase of creative talent and ingenuity in the use of waste materials.

PUZZLES

Objectives:

- **Enhance Problem-Solving Skills:** The puzzles are designed to challenge participants to think creatively and strategically, fostering critical thinking and problem-solving skills.
- **Deepen Understanding of Waste as a Resource:** By requiring participants to utilize waste materials in solving the puzzles, the competition aims to reinforce the concept of waste as a valuable resource with potential for creative application.

Outcomes:

- **Development of Creative Problem-Solving Skills:** Participants will gain experience in approaching challenges from different angles and developing innovative solutions.
- **Reinforced Knowledge of Waste Management:** The competition experience will solidify the understanding of waste as a potential resource and inspire participants to consider waste with a new perspective.

BUSINESS PLAN PRESENTATION

Objectives:

- **Articulate Vision:** Clearly define the company's mission, values, and long-term objectives to provide a compelling narrative for stakeholders.
- **Demonstrate Viability:** Showcase the viability and potential of the business model, emphasizing market demand, competitive advantage, and growth opportunities.

Outcomes:

- **Clarity and Alignment:** Foster clarity and alignment among team members regarding the company's direction, objectives, and roles, enhancing collaboration and productivity.
- **Validation and Feedback:** Receive validation and constructive feedback from stakeholders, helping to refine the business model, strategies, and operational plans for greater effectiveness and success.
- **Commitment to Execution:** Inspire commitment and dedication among team members towards executing the business plan, driving towards achieving the outlined goals and milestones.

SCIENCE QUIZ

Objectives:

- The "Quest for Knowledge: The Science Quiz Challenge" is an exciting event designed to test participants' understanding and depth of knowledge across various scientific disciplines. With a focus on promoting scientific literacy and fostering curiosity, this quiz competition aims to engage participants in an intellectually stimulating and fun-filled experience. Through two rounds of intense competition, teams will showcase their expertise, critical thinking skills, and ability to apply scientific concepts to real-world scenarios.

Outcomes:

- Audience members will have the opportunity to participate in interactive segments, such as audience polls or bonus questions, to enhance their engagement with the event.

NATIONAL SCIENCE EXPO-PATRICIAN HACKATHON (INTER-SCHOOL-COLLEGIATE EVENT)

Overview:

The National Science Expo - Patrician Hackathon is an inter-school and inter-collegiate event aimed at fostering innovation, collaboration, and problem-solving skills among students. This dynamic event brings together talented individuals from various educational institutions to participate in a hackathon-style competition focused on addressing real-world challenges through scientific inquiry and technological innovation.

Hackathon

- Participants form teams consisting of students from different schools or colleges.
- Each team will be tasked with developing innovative solutions to predefined challenges within a specified time frame.
- Challenges may span various scientific disciplines such as environmental sustainability, healthcare, technology, education, and more.
- Teams will work collaboratively to brainstorm ideas, design prototypes, and present their solutions to a panel of judges.
- with the instructor and fellow participants. An exhibition area will showcase innovative projects, research initiatives, and educational displays from participating schools and colleges.
- Attendees will have the opportunity to interact with exhibitors, learn about cutting-edge developments in various fields of science, and explore hands-on demonstrations.

VALEDICTION

Overview:

- The Valedictory Session marks the culmination of the National Science Expo - Patrician Hackathon, providing an opportunity to reflect on the achievements, recognize outstanding contributions, and celebrate the spirit of innovation and collaboration demonstrated by participants throughout the event. This session serves as a formal closing ceremony to acknowledge the efforts of all involved and inspire continued engagement in science, technology, and innovation.

Conclusion:

- The Valedictory Session of the National Science Expo - Patrician Hackathon serves as a moment of reflection, recognition, and celebration, bringing closure to an event filled with innovation, teamwork, and learning. As participants depart with newfound knowledge, inspiration, and connections, the legacy of the event continues to inspire future generations of scientists, technologists, and innovators.

OUTCOME

- ♦ **Innovative Solutions:** Participants showcased their creativity and problem-solving skills by developing indigenous technologies aimed at addressing pressing challenges faced by India. Projects ranged from sustainable energy solutions to healthcare advancements, showcasing the diverse talent and ingenuity of the participants.
- ♦ **Cross-Disciplinary Collaboration:** The hackathon provided a platform for interdisciplinary collaboration, bringing together students, faculty, and professionals from various fields such as engineering, computer science, biotechnology, and environmental science. This interdisciplinary approach led to the development of holistic solutions that address multifaceted problems.
- ♦ **Engagement of Stakeholders:** The event attracted participation from industry experts, mentors, and sponsors who actively engaged with participants, providing guidance, feedback, and support throughout the hackathon. This interaction not only enriched the quality of projects but also facilitated knowledge exchange and networking opportunities.

Inspiration for Future Innovators: The hackathon served as a source of inspiration for aspiring innovators and scientists, encouraging them to pursue careers in STEM fields and contribute to the nation's development. The emphasis on indigenous technologies underscored the importance of leveraging local resources and knowledge to drive progress and sustainability.

In conclusion, the "Indigenous Technologies for Viksit Bharat" hackathon on National Science Day not only celebrated the legacy of scientific discovery but also catalyzed new avenues of innovation and collaboration towards building a technologically advanced and self-reliant India.

PRESS RELEASE
MAALAI NILAVU, Tamil Daily, R.Dis No: 882/2021
"MAALAINILAVU"

National Science Day Celebrated at Patrician College

The Department of Computing Sciences and Patrician Institution's Innovation Cell of Patrician College of Arts and Science, Adyar, in collaboration with the Tamilnadu State Council for Science and Technology, is delighted to have organized a dynamic celebration of National Science Day on March 1st & 2nd 2024, bringing together over 200 school and college students to marvel at the wonders of science and technology with the encouragement of the management members Director and Secretary Rev Bro. Dr. Stanislaus, Academic Director Dr. Fatima Vasanth, Principal Dr. Arokiyamy Geetha Doss and Vice Principal Dr. B. Ananda

priya The event was organized and featured a variety of activities, including a Hackathon, Puzzles, Quiz, Business plan presentation, Poster making, Drawing, Workshop, Wealth out of waste and a hands-on science experiment. The science fair showcased the work of students from all grades, who presented their projects on a variety of topics, including computer science, environmental science, physics, and biology.

The projects were judged by a panel of members from the local community, who awarded prizes for the best projects in each category.

The guest speaker was Ms. Ligi Miranda, a Research

Head, Spacekids India. Her talk was both informative and inspiring, and it sparked a great deal of interest in space science among the students.

The National Science Day celebration was a great success, and it helped to promote interest in science among the students at Patrician College in and out with the support of Dr. R. Srinivasan, Member Secretary and Ms. Sangeetha, Program Coordinator, Tamilnadu State Council for Science and Technology. The event also provided an opportunity for students to learn from scientists and to see how science is used to solve real-world problems.

पैट्रीशियन कॉलेज में मनाया गया राष्ट्रीय विज्ञान दिवस

तमिलनाडु राज्य के विज्ञान और प्रौद्योगिकी परिषद के सहयोग से, पैट्रीशियन कॉलेज ऑफ आर्ट्स एंड साइंस, अड्यार के कंप्यूटिंग विज्ञान विभाग और पैट्रीशियन संस्थान के नवप्रवर्तन सेल ने 1 और 2 मार्च 2024 को राष्ट्रीय विज्ञान दिवस का एक गतिशील उत्सव आयोजित करके खुशी विद्यार्थियों के विकास में एक कदम आगे बढ़ाया है। पैट्रीशियन कॉलेज के निदेशक और सचिव डॉ. स्टैनिसलॉसजी, अकादमिक निदेशक डॉ. फातिमाजीवसंत,

प्राचार्या डॉ. गीता दासजी और उप प्राचार्या डॉ. आनंदप्रियाजी के प्रोत्साहन से विज्ञान और प्रौद्योगिकी के चमत्कारों से भरपूर यह विशाल आयोजन किया गया। जिसमें तमिलनाडु के 200 से अधिक स्कूल और कॉलेज के छात्रों को एक साथ एक मंच पर लाया गया।

इस भव्य आयोजन में हैकथॉन, पहेलियाँ, प्रश्नोत्तरी मंच, बिजनेस प्लान प्रेजेंटेशन, पोस्टर मेकिंग, चित्रकला, कार्यशाला, वेस्ट से वेल्थ और व्यावहारिक विज्ञान प्रयोग सहित कई गतिविधियाँ को शामिल किया गया। इस विज्ञान मेले में प्रत्येक क्षेत्र में छात्रों को लाभान्वित करने हेतु प्रदर्शन किया गया। जिन्होंने कंप्यूटर विज्ञान, पर्यावरण विज्ञान, भौतिकी और जीव विज्ञान सहित विभिन्न विषयों पर अपनी परियोजनाएं प्रस्तुत कीं। परियोजनाओं का मूल्यांकन स्थानीय समुदाय के सदस्यों के एक पैनल द्वारा किया गया, जिसमें प्रत्येक श्रेणी में सर्वश्रेष्ठ परियोजनाओं के लिए पुरस्कार प्रदान किए गए।

इस कार्यक्रम की प्रमुख अतिथि वक्ता स्पेस किड्स इंडिया की शोध प्रमुख सुश्री लिंगी मिरांडाजी थीं। उनकी बातचीत जानकारीपूर्ण और प्रेरणादायक दोनों थी और इससे छात्रों में अंतरिक्ष विज्ञान के प्रति काफी रुचि पैदा हुई। राष्ट्रीय विज्ञान दिवस समारोह एक पूर्णरूपेण सफल कार्यक्रम साबित हुआ। विज्ञान और प्रौद्योगिकी परिषद के सचिव डॉ. आर श्रीनिवासनजी, कार्यक्रम समन्वयक सुश्री संगीताजी के सहयोग से युवाओं में विज्ञान के प्रति रुचि को बढ़ावा देने में शत-प्रतिशत सफलता प्राप्त हुई। इस कार्यक्रम ने छात्रों को वैज्ञानिकों से सीखने और यह देखने का अवसर भी प्रदान किया कि वास्तविक दुनिया की समस्याओं को हल करने के लिए विज्ञान का उपयोग कैसे किया जाता है।

इस आयोजन को अपने उद्देश्य तक पहुँचाने में डॉ. शुभलक्ष्मीजी और डॉ. रविता जी भाटिया ने अपना सक्रिय योगदान दिया। यह जानकारी चंदन तिलक को डॉ. रविताजी भाटिया ने दी।
